

Horror movies not to be missed during the 2017 Halloween season

This year's Halloween season, a lot of horror films will be shown promising to bring you different emotions from shocking, frightened, startled to heart attack. Let's take a look at the list of horror movies to scary hairs made by filmmakers on this holiday.

This year's Halloween season, a lot of horror movies will be shown promising to bring you different emotions from shocking, frightened, startled to "heart attack". Let's take a look at the list of horror movies to "scary hairs" made by filmmakers on this holiday.

1. Under the Shadow (Ghost in the wind)

A film that combines two elements: the devil and the Middle Eastern war in the late 1980s. The story takes place around both mother and daughter Shideh and Dorsa when her husband is away. One day, Dorsa's favorite doll suddenly went missing in a strange way and a series of unexplainable unusual events occurred. Although he does not believe in demons, Shideh is ultimately convinced that his daughter is being attacked by **evil spirits hiding in the wind** . Scary invisible ghosts that people can only hear but cannot see them. In addition to fleeing, humans cannot do anything else to fight this demon.

We are always afraid of what we can not see, touching, so that the demons appear through the whistling wind, scary screams bring about feelings of confusion, extreme fear, startled Thorn for viewers.

The ghost in the wind promises to be the best horror film of the year.

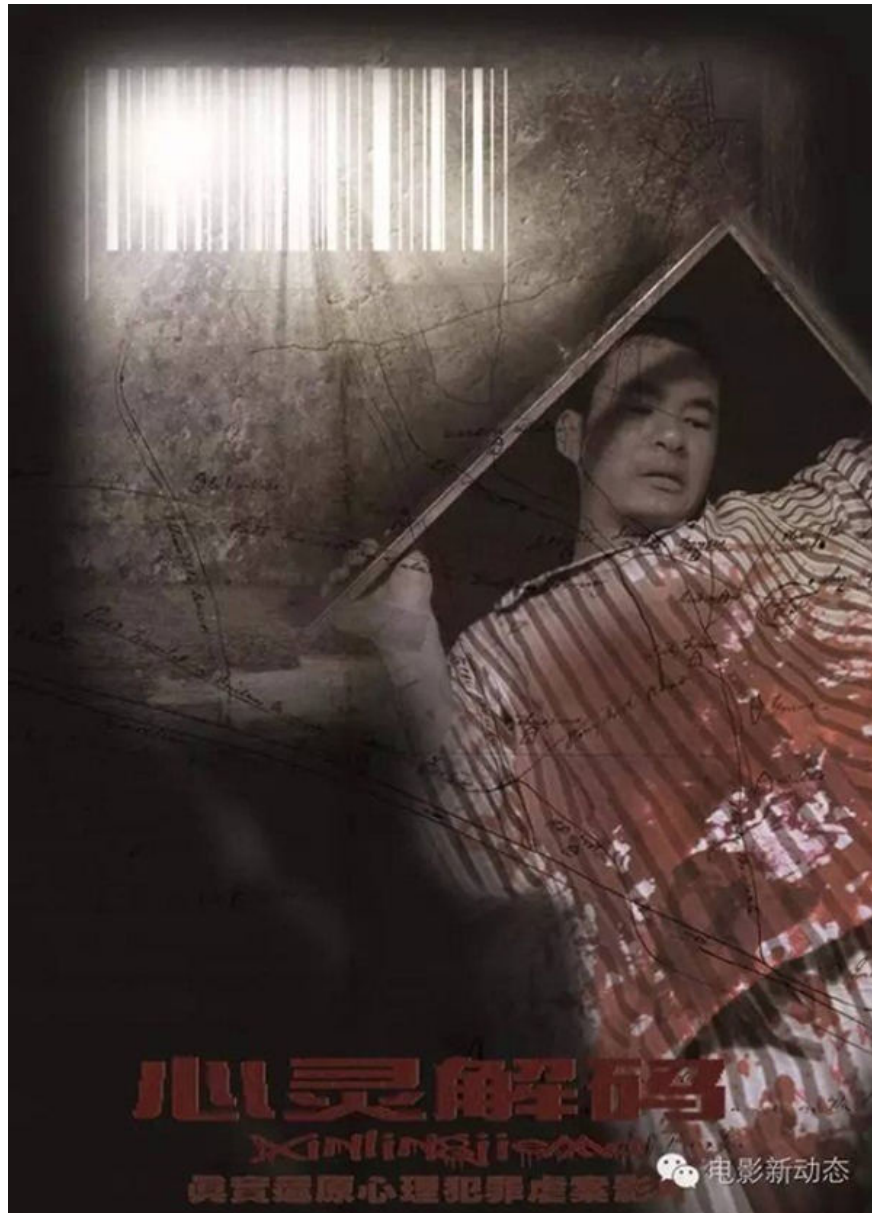

2. Haunting in Japan (Catching Thai Japanese style ghost)

This is the only comedy - horror movie in this year's Halloween season. Rose, a beautiful young girl, wealthy family and handsome lover made many people admire. But once she accidentally found her lover adultery, she became an evil murderer when she killed him. Rose fled and hid in an Oscar-named inn in a small Japanese town.

Here, Rose meets the singer Nak who has the same appearance as his former lover. Through suffering and torment, love came to Rose. But starting from here, her and Nak's lives in the inn were constantly disturbed by a **ghost with a broken heart** .

3. Mind Decoding

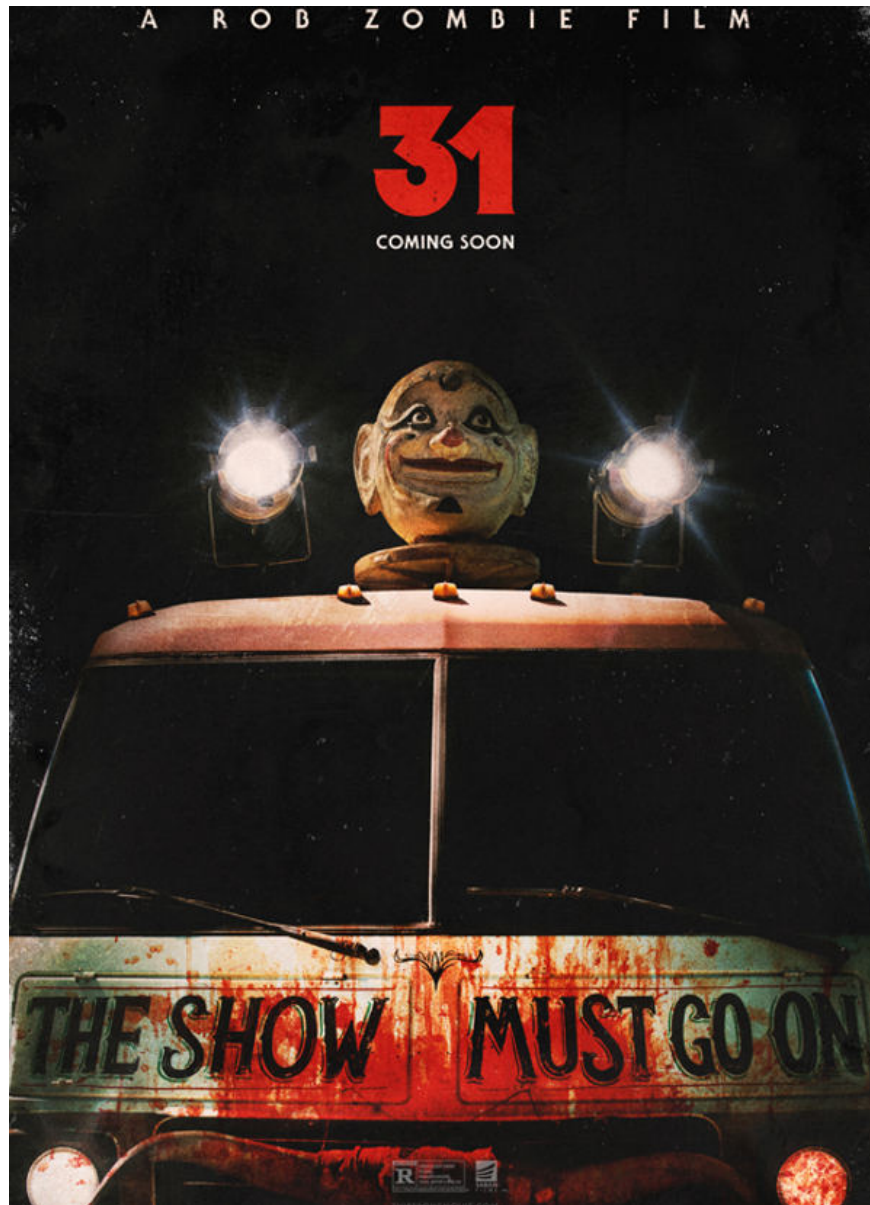

Chief Tuy Tuyet nurse works at a hospital in remote rural areas. Here, H? Tuy?t is responsible for the illness of a strange patient Guo Jing. One day, she was informed that someone had found a strange thing, but that person had died many years ago at this hospital. A scary horror movie.

4. Diep Tien Dam Dam 2

Following the success of the first-ever demon talk 1, the story goes on to tell a group of young people who accidentally connect to the soul when playing the **game** . It seems that this is just an unfortunate accident but behind it is a sophisticated revenge process that has been carefully arranged. Can this group of friends survive the brutal plot?

5. 31

Just before the night of the Halloween devil festival, five employees of the carnival were armed with a group of kidnapers to a scary place called "The World of Death". On the 31st, they were forced to join a game called "31". Their only task is to survive the pursuit of a clown group within 12 hours.

6. Devil Eyes (Spy Eyes)

According to ancient legend, humans can meet ghosts by "opening up gracefully" and "children can see ghosts". Based on this legend, the director has built up a story about the celestial opener who can see the future and the past, meets the elves and demons.

7. Ouija 2: Origin of Evil

In Los Angeles in 1967, a widow and two daughters made a fraudulent call to support the illicit business. In the process of calling souls, they accidentally invite a demon into the house. It has captured the soul of the youngest daughter. To bring her back to the whole family must overcome the terrible challenges of evil spirits. *Ouija 2: Origin of Evil* will become a horror film that challenges your bravery during this Halloween season.
