House of the Dragon Content

The film opens with the events of the Great Council of 101 AC in Harrenhal, Jaehaerys I found a successor to the Iron Throne and that person was Viserys I Targaryen instead of his granddaughter Rhaenys Targaryen. Nine years later, during the tourney, Queen Aemma Arryn died of caesarean section, the newborn also died soon after. Too tired to find a son to succeed, King Viserys decided to choose his eldest daughter Rhaenyra Targaryen to succeed the Iron Throne, and forced everyone to swear fealty to her.

From here, the civil war of the Targaryen family also began to take place and began to cause them - the people who conquered and dominated the continent of Westeros for a long time thanks to their ability to control dragons - to gradually decline.

It is known that these events took place about 200 years before what happened in the series Game of Thrones.
