

How to activate the Fan Fan badge for Facebook Fanpage

Instructions to turn on Fan hard badge for your Fanpage

If you want to know who works actively on your Fanpage, you can use the feature to enable Fan hard badge on Facebook. This feature in the settings menu called Facebook Badges, this is a badge badge for anyone who works positively on your fanpage.

These badges are often used in video Fanpage, typically those of Fanpage or livestream like gamer. The Streamer often turns on so that the Fan can comment, based on which Fanpage owners will know which fans are active.

By default, this badge feature will not turn on and you must activate it, the user can have a badge, how to turn on hard fan badge on Facebook you can follow below this article.

1. How to call, video Facebook Messenger on mobile, tablet
2. The fastest way to download Facebook videos to your computer without software
3. How to permanently delete a Facebook account on a computer

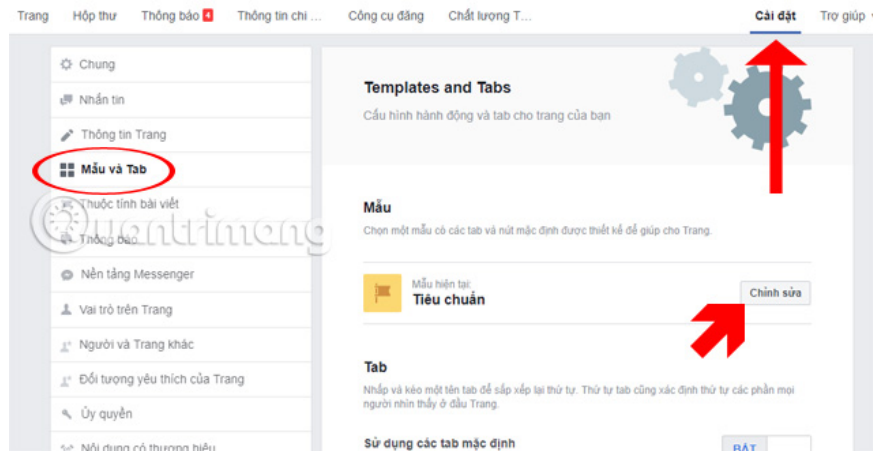

How to activate Fan hard on Facebook Fanpage

First, to be able to activate this badge, your Fanpage must meet the following requirements.

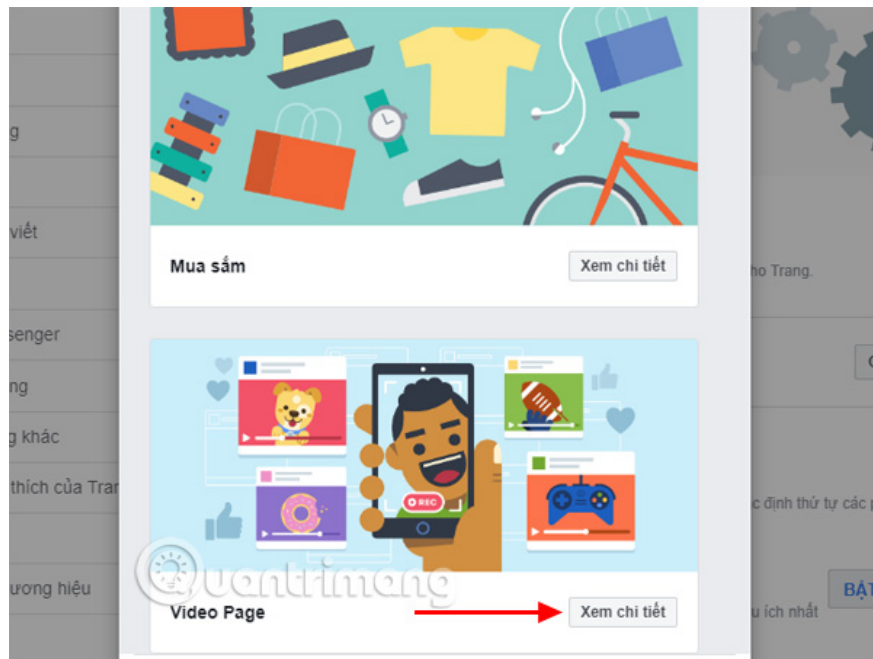

1. Convert Fanpage template to Video Page mode
2. There are more than 10,000 followers
3. Fanpage must be active for at least 28 days.

For the 2nd and 3rd requirements, this is a requirement that requires new time, but with the first request, please follow the instructions below to switch Fanpage to Video Page mode.

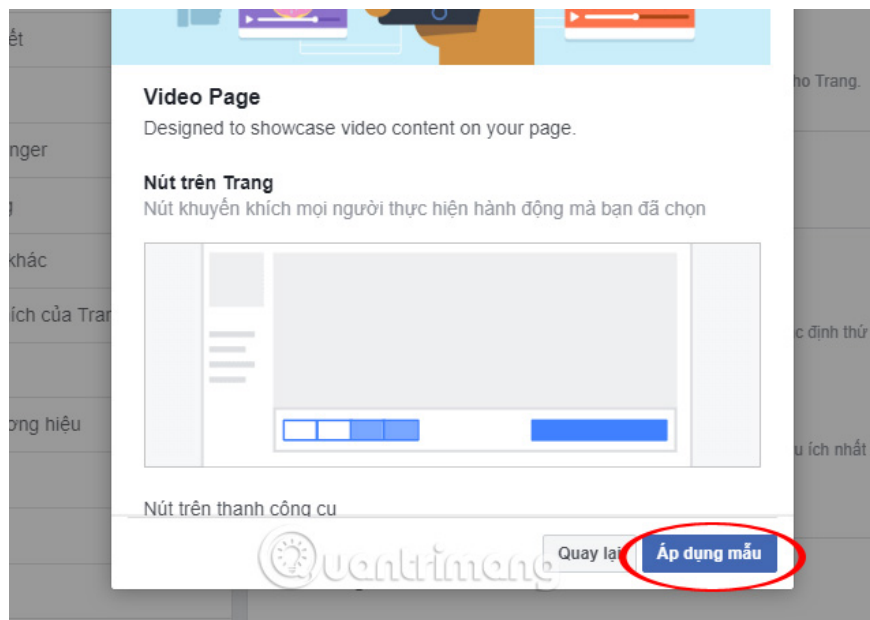

Step 1: Go to your Fanpage and click on **Settings** , then in the settings menu below you select **Model and Tab** in the list. Next in the right window, click **Edit** in the **Template** section.

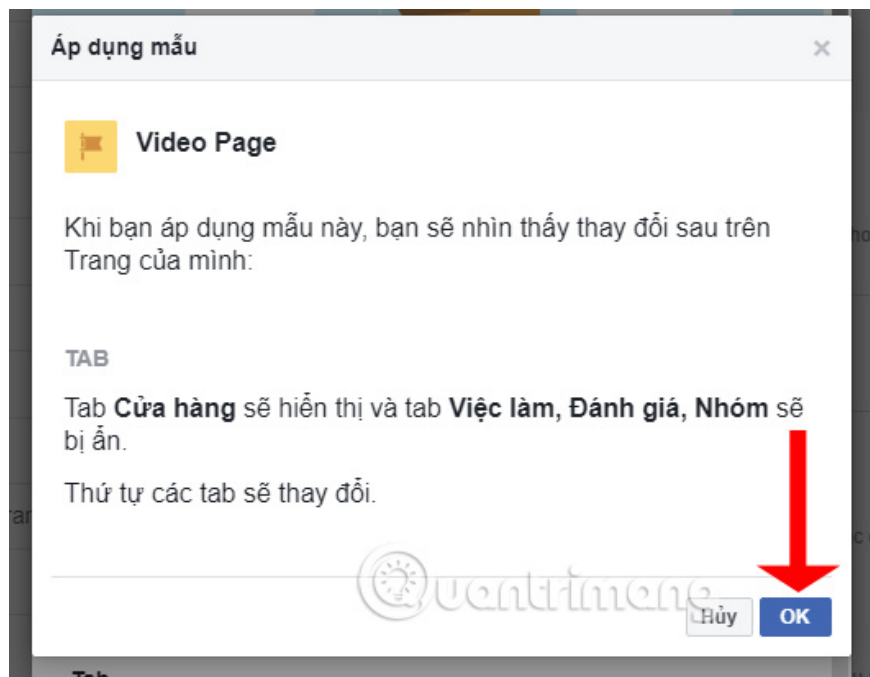

Step 2: A new window will appear, scroll down and find the Video Page section, then click **View details** of the Video Page section.

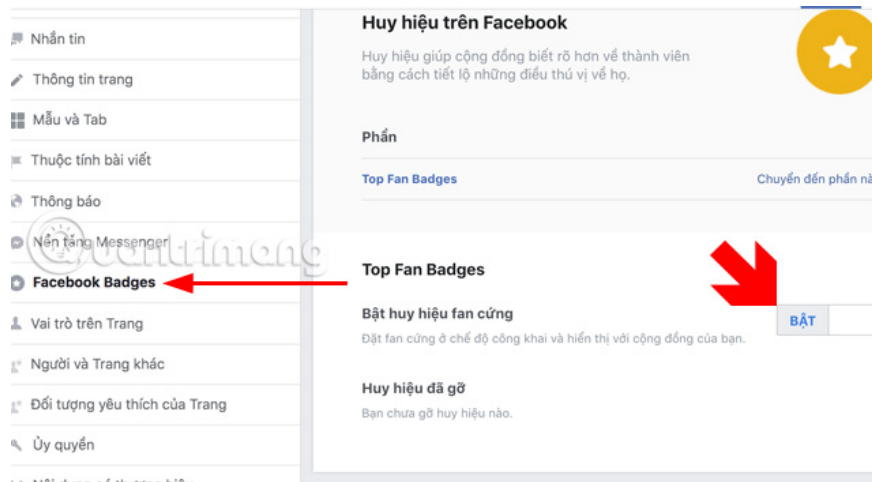

Next, you can review the changes of Fanpage when you switch to **Video Page** . After viewing, you can click **Apply template** .

Next, click OK to apply the Video Page template.

After applying the Video Page template, you will see a new option appear on the **Fanpage Settings** menu called **Facebook Badges**, click on it and in the **Top Fan Badges section**, turn on the **Turn on the hard fan badge** option. If you do not see this option, it means that your Fanpage does not meet the requirements that I have if above.

There will be many different types of badges, however, just turning on the hard Fan badge as shown above is successful. Back to my Fanpage you will see Fanpage display another interface a bit because it has been converted to Video Page. The time to display a hard Fan badge will be one week from when you turn on this feature. After that you will see Fanpage members have a hard Fan badge and you can delete it if you don't like it.

Some types of badges:

1. **Hard Fan:** A person who has positive activities such as regularly commenting, commenting and sharing posts and videos on your Fanpage.
2. **Shareer:** A person who has just shared your video
3. **Starter:** Is the person who sent SAO (money) to you in that video.
