

How to add a green area to your Facebook avatar

This is how you add a green check to your Facebook avatar without having to go through the Facebook conditions.

Green Check Facebook is something very valuable on Facebook. This symbol was created by Facebook to verify that Facebook account or Facebook Fanpage is not fake.

Usually it only appears on Facebook Pages of famous brands or of individuals with reputation. For example, the Victorinox brand as shown below.

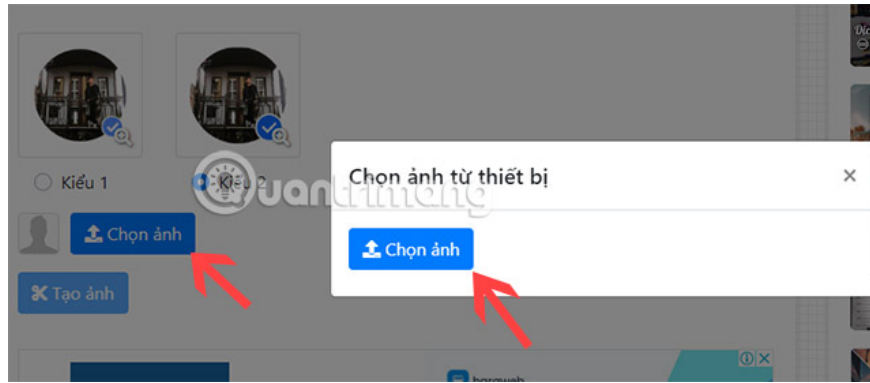

You can also add a green tally to your Facebook avatar using the instructions below.

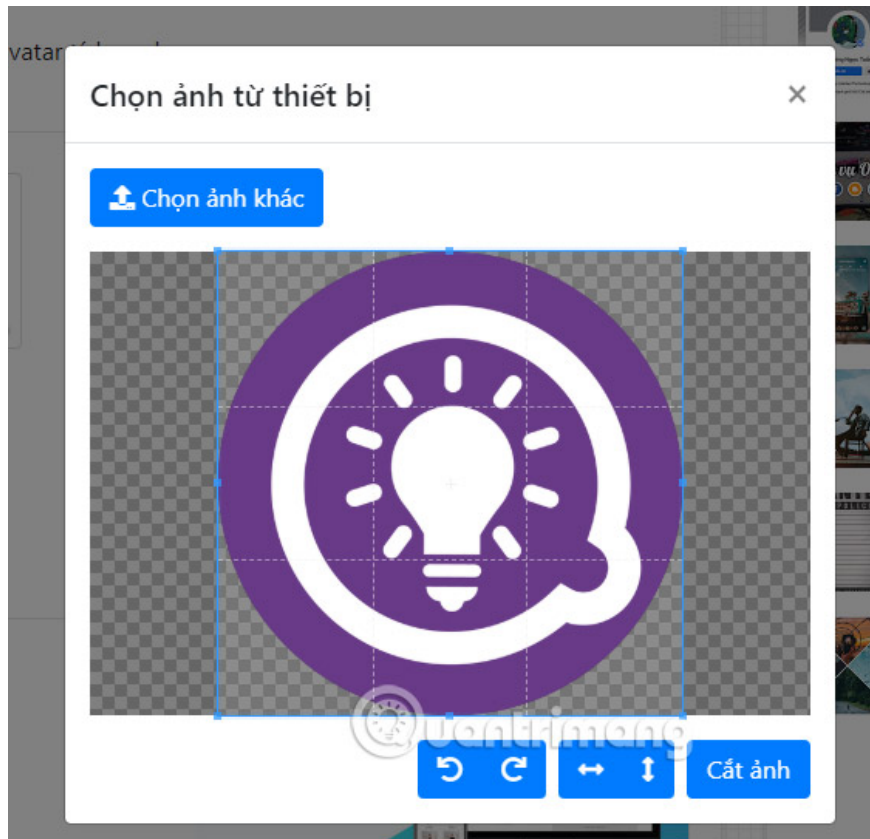

How to add green area to your Facebook avatar
