

How to add podcasts manually to Apple Podcasts, Pocket Casts, Overcast, Downcast, and Castro

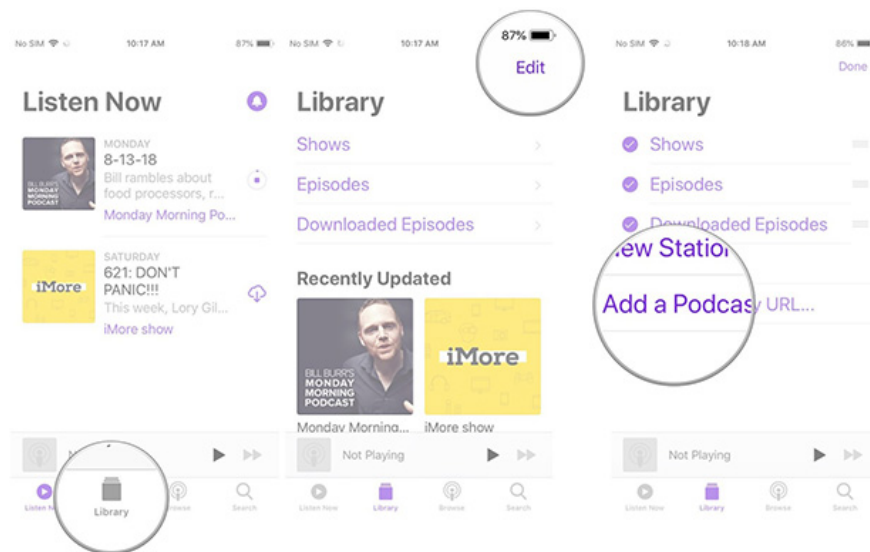

When you don't find your favorite podcasts in iOS Podcasts application, you can manually add them to Podcasts manually.

When you don't find your favorite podcasts in iOS Podcasts application, you can manually add them to Podcasts manually.

Apple is quite strict with the content available in its original applications. Besides, other podcast apps can skip certain podcasts. For that reason, iOS users may want to add their own favorite podcasts to these music applications.

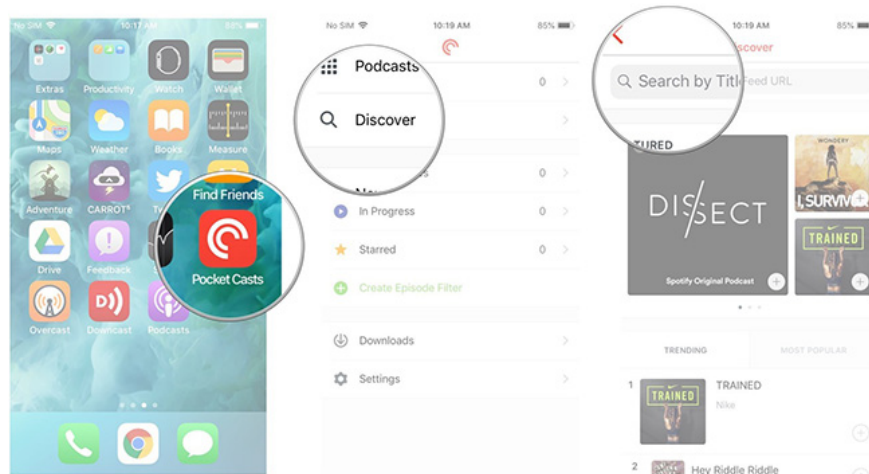

How to manually add podcasts to Apple Podcasts on iPhone, iPad

1. Open the **Podcast** application on the home screen.
