

How to apply Viettel phone money by text message

Viettel network cash advance service is applied for Viettel prepaid subscribers, operating in two directions and the original account under 1000 VND can advance money.

In order to "emergency" for users in emergencies who are calling but whose account is running out of money, Viettel's mobile phone prepaid service via SMS will help users advance money with different levels of money.

When a user sends a registered message in accordance with the standard syntax, the system will automatically give the customer an amount of money for us to make interrupted calls and messages. All prepaid mobile subscribers and Dcom prepaid subscribers of Viettel can participate in automatic payment of mobile cash advance service. There will be 3 ways to advance Viettel: how to advance money through 911 switchboard, cash advance through 9118 switchboard, flexible cash advance through xTime service.

1. How to deposit Viettel via 911:

Subjects registering for cash advance services through Viettel 911 are prepaid subscribers who are operating with two directions, the number of SIM activity days is 90 days or more.

We follow the syntax * 911 # then click OK or Call.

The default payment amount when calling to 911 is **5000 VND**. After you have loaded your card into the phone, the system will deduct your VND 5,750 (including the corresponding amount + 15% cash advance or VND 750). Subscribers can only advance 1 time / 1 time to load cards. If the next card recharge does not charge the amount already paid, the subscriber will not be able to continue using the service.

This application is very simple and you will only have 5000 VND in your account.

2. How to deposit Viettel via 9118 switchboard:

This cash advance service will be available to customers who register for the service. Users write **UT** syntax to **9118** to register.

After that, the system will rely on the need to use and consider so that customers can advance money with different values, including VND 5,000, VND 10,000, VND 15,000, VND 20,000, VND 25,000, VND 30,000, VND 35,000, VND 40,000, VND 45,000, VND 50,000.

Users can refer to the denominations when texting 9118 according to the table below.

Registered SMS amount Cash advance application
5,000 VND Compose UT 5 send 9118 Original account used in the last 3 months about 70,000 VND
10,000 VND Compose UT 10 send 9118 Original account used in the last 3 months about 100,000 VND
20,000 VND Compose UT 20 send 9118 Original account used in the last 3 months about 200,000 VND
30,000 VND Compose UT 30 send 9118 Original account used in the last 3 months about 300,000 VND
40,000 VND Compose UT 40 send 9118 Original account used in the last 3 months about VND 400,000
50,000 VND Compose UT 50 send 9118 Original account used in the last 3 months about VND 500,000

3. Payment for Viettel via XTime service:

This service will allow cash advance depending on call history, messages, usage data level, SIM usage time, frequency of phone recharge, .

To register for cash advance service, we write **DK** syntax to send **5511** or call * **511** # then follow the instructions.

Or when your original account is less than 1000VND and receive an invitation for money, if the subscriber agrees, compose the message according to **Y** syntax to **5511**

These are 3 ways to register for Viettel's cash advance service. Subscribers will only be paid once. After recharging, the system will automatically deduct this amount into your main account. The deducted amount will include the corresponding amount and 10% service for each successful application. If you do not need a lot of money, you can call 911, if you need more than 5000VND, you can use the service via 9118 switchboard, or XTime.

I wish you all success!
