Block Facebook account, block Facebook nick

Step 1 : You login to your Facebook account. Then, click the drop down arrow icon in the top right corner of the screen, select **Settings** / Settings.

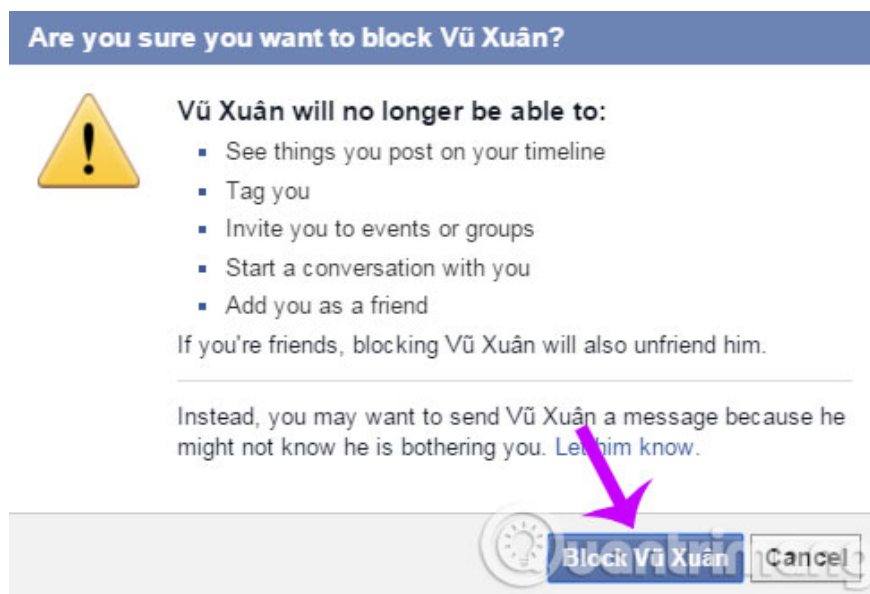

Step 2 : Continue to click **Blocking / Blocking** in the left column, the **Manage Blocking / Blocking** window appears. In **Block users / Block users** , type the name or email that you want to block, then press **Block / Block** .

Step 3 : **Block People** window appears, will list the account name you just typed above, please select the exact name you want to block and click the **Block** button right next to the account name.

Step 4 : At this time, a message box will appear asking if you are sure you want to block that account? If you are sure, click **Block** . to block that account.

Step 5 : After clicking **Block** . the blocked person name will appear just under **Block users** , if you want to unblock that person, just click **Unblock / Unblock** .

Block invitations to use apps on Facebook

If you do not want someone to send you an invitation to use the application, type that person's name in the **Block invites from** . After that, all invitations to use the application will be automatically ignored, you will not be bothered anymore.

Block apps on Facebook:

If you want to block certain applications, just enter the name of the application in the empty box of the **Block apps** section, the application cannot immediately contact or receive public information about you via Facebook anymore. However, if you have shared your email with that application, they can still send via email.

Block certain pages on Facebook

If you don't like a page that interacts with your post or likes, replies to your comments, enter that page name in the blank box of the **Block Pages** section . If you liked the site recently, blocking the page will help you dislike it and quit following it immediately.

So after blocking an object on Facebook or an event invitation, an application, you will automatically ignore their requests in the future. And you will never be bothered again. Isn't it great, guys?

Good luck!
