

# How to block friends from posting on Facebook wall

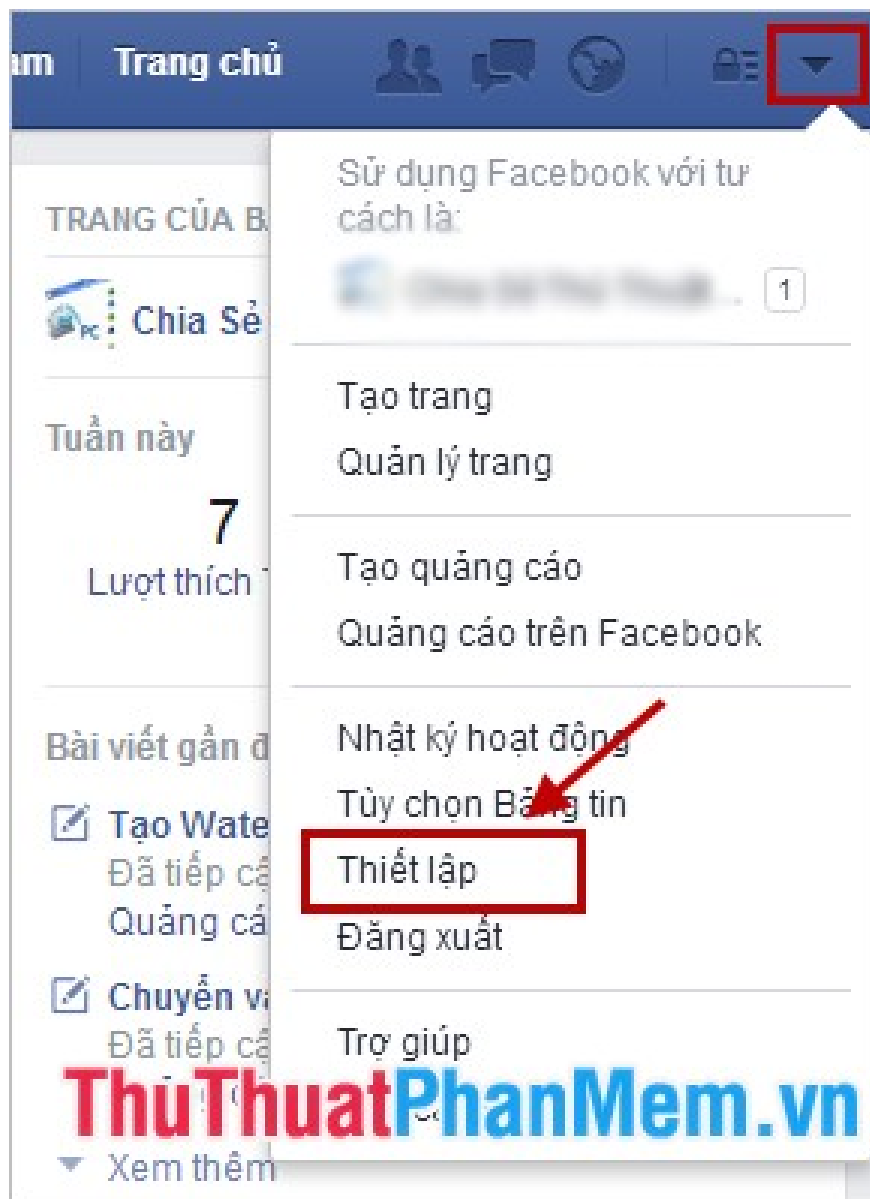

Currently, the post spam or automatically post on Facebook wall to advertise or for certain purposes a lot. You do not want to be bothered or have bad images, the lines you share do not want to appear on your timeline.

Currently, the post spam or automatically post on Facebook wall to advertise or for certain purposes a lot. You do not want to be bothered or have bad images, the lines you share do not want to appear on your timeline.

In default facebook all friends can post on your facebook wall, but you can fix by setting to prevent friends from posting on facebook wall. The following article shows how to block friends from posting on the wall (timeline) facebook.

**Step 1:** You need to login to your facebook account.

**Step 2:** Select the arrow on the top right and select **Settings** .

**Step 3:** In the **General account settings** section, select **Timeline and tag** in the menu on the left.

**Step 4:** In the **Who can add content to my timeline?** select **Edit** in the **Who can post to your timeline?**

There are 2 options:

- **Friends:** allow your friends to post to your timeline.
- **Only me:** only you can post to your timeline.

To block friends from posting on the wall, select **Only me**.

Then click **Close**.

So you have blocked friends from posting to your timeline, to unblock friends from posting on the wall you follow the same steps above and select **Friends** in the **Who can post to the timeline of friend?** Good luck!
