

How to block invitations to play EverWing games on Facebook

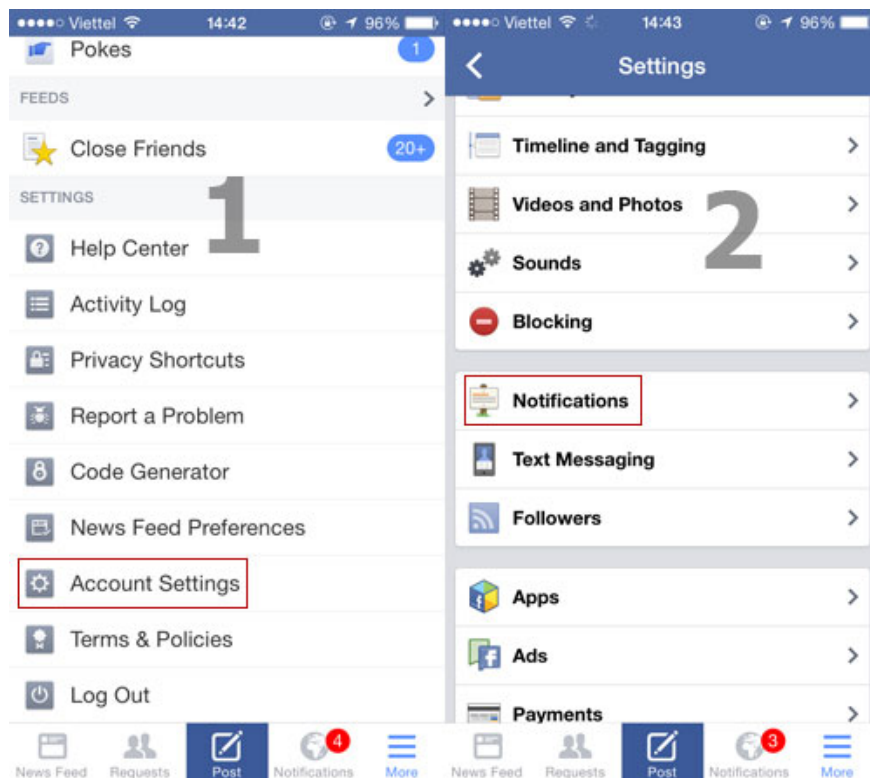

You get many invitations to play EverWing games on Facebook PC and Facebook on Android and iOS. So how can I turn off invitations to play EverWing games on Facebook?

The continuous receiving invitations to play the plane shooting game EverWing on Facebook makes users quite uncomfortable. Not only with Facebook on PC, but also on Facebook on the phone, we all get invitations to play EverWing games from friends.

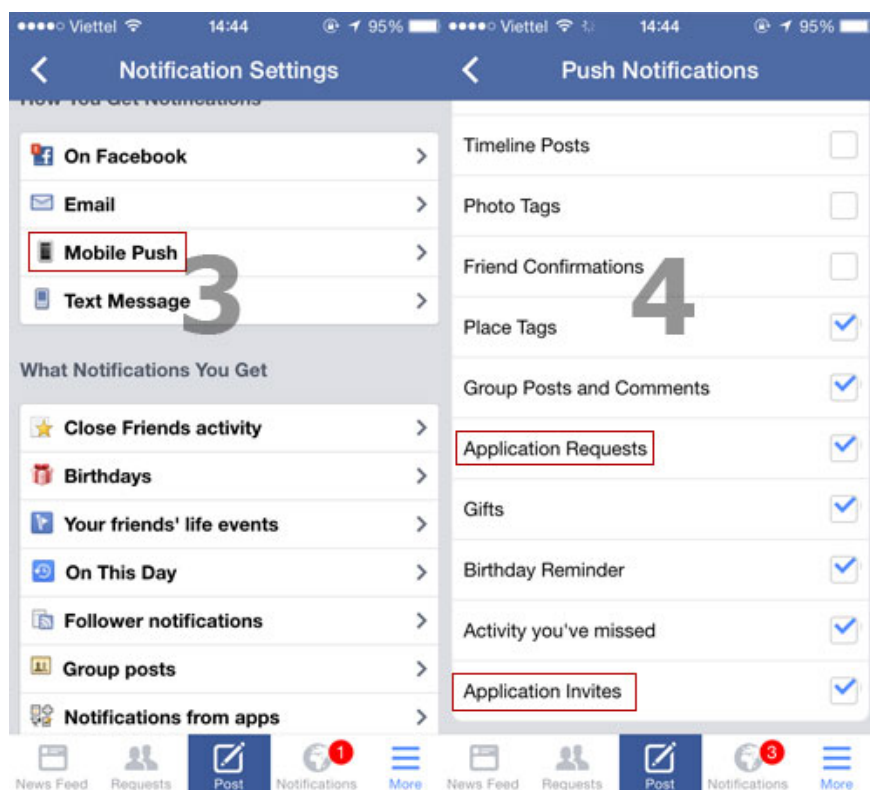

So how can I turn off the invitation to play EverWing game on Facebook, or any other game from the friends list? The following article of Network Administrator will guide you to block game invitations on Facebook Android and Facebook iPhone / iPad.

How to turn off inviting EverWing game on Facebook

For iPhone / iPad phones

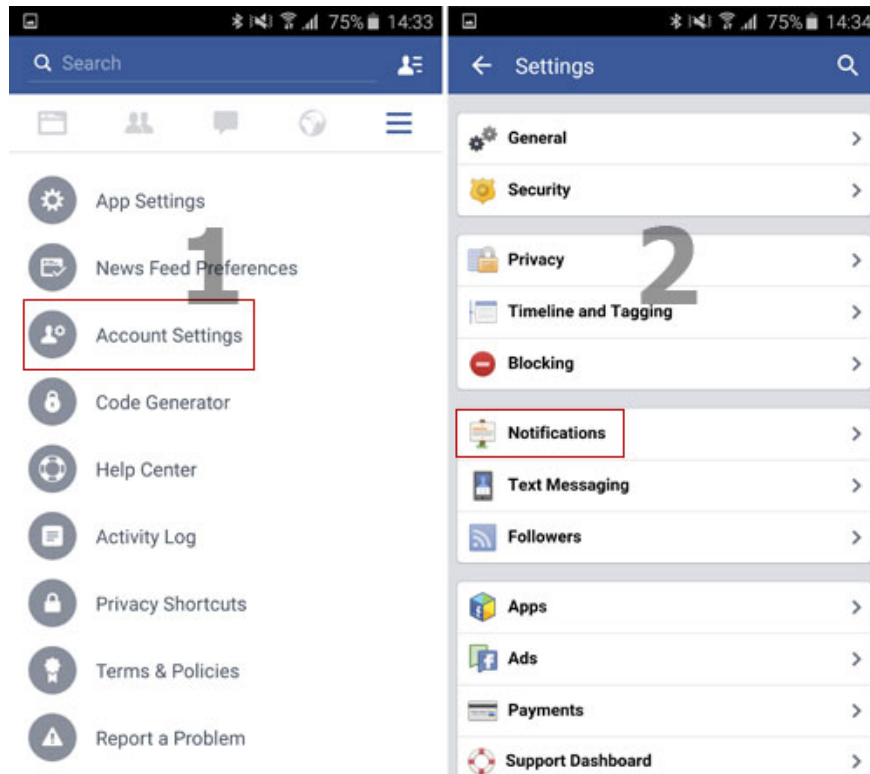

Users access the Facebook application, click More in the bottom right corner and select Account Settings. Then, select the Notifications notification item.

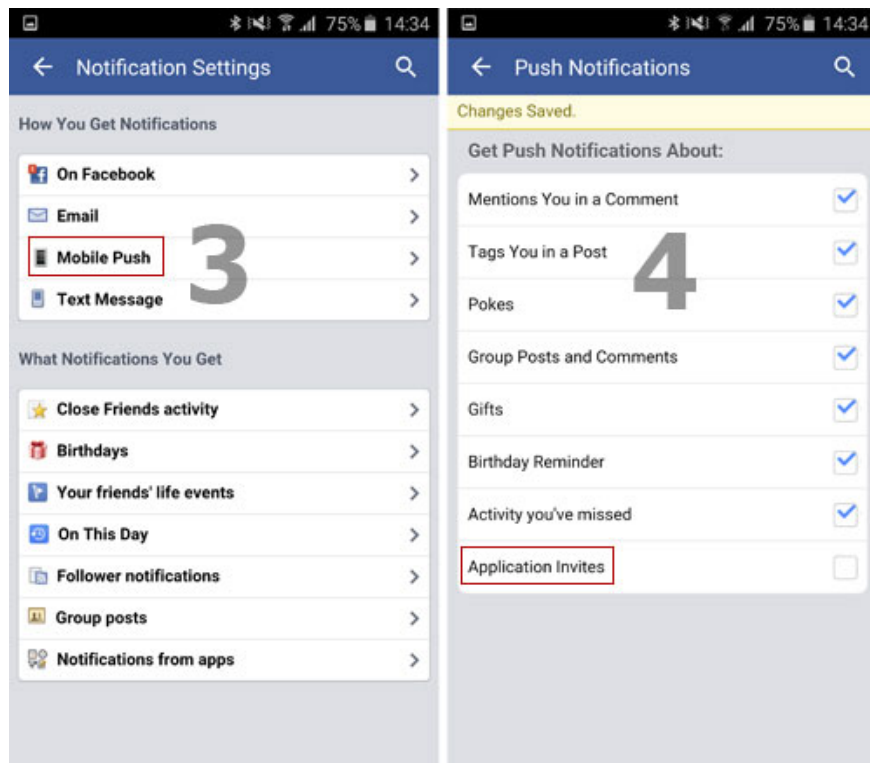

In the notifications section, select Mobile Push and uncheck Application Requests and Application Invites.

For Android phones

The same way with the iPhone, also open the Facebook application, select the three dashes icon in the upper right corner, choose to install the Account Settings account and then select Notifications.

In the Mobile Push section, uncheck the Application Invites.
