Sometimes, you feel bothered by someone on **Skype** but don't know how to get out of this situation. And you are feeling very inhibited, stressed? So we tell you an optimal solution in this case is to block messages and calls from those "obnoxious" accounts. Please refer to the tutorial below.

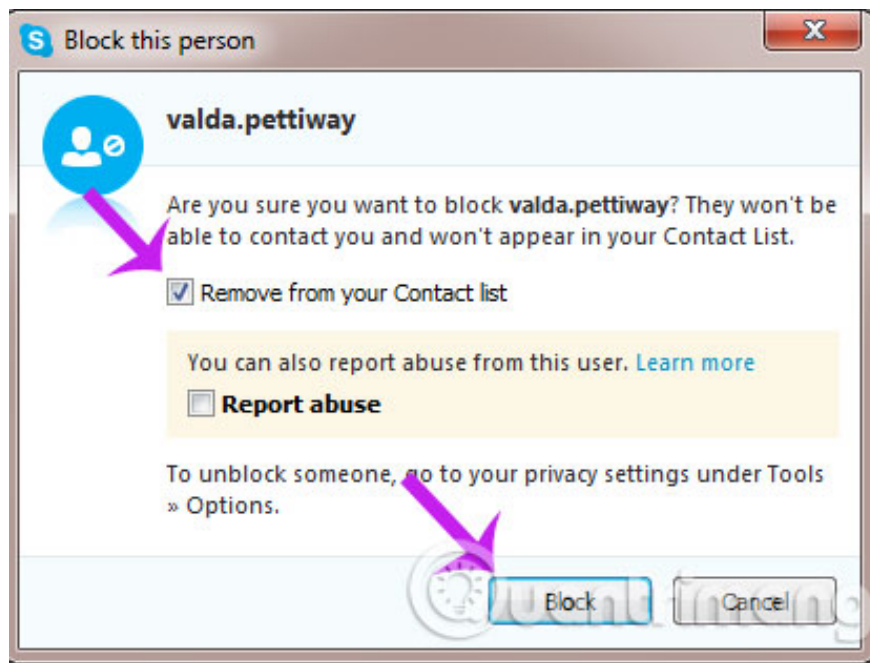

1. Instructions to fix Skype do not show online status
2. How to use Skype on the web
3. Instructions to retrieve Skype password

Step 1 : From the Skype interface, navigate to the account you want to block in your contacts list, right-click and select **Block This Person** .

Step 2 : When the **Block this person** window appears, tick the **Remove from your Contact list** box to remove it from the contacts list.

Then click the **Block** button

Do the same with others who want to block. So you've successfully blocked the accounts you don't want to contact.

Good luck!
