

How to change phone numbers on Viber

Viber account is also your phone number and people will recognize you through that phone number. So what if the user wants to change Viber phone number?

Just like Zalo, to register a Viber account, users will use the personal phone number they are using. People named in the contact list will know that you use Viber through the contact phone number. So what if the user wants to change the phone number on Viber?

Currently Viber has also allowed users to switch to a new phone number, sending notifications to people in the Viber directory that you have switched to a new phone number. Thus everyone will know the new phone number registered for your Viber account. The following article will guide you how to change phone numbers on Viber.

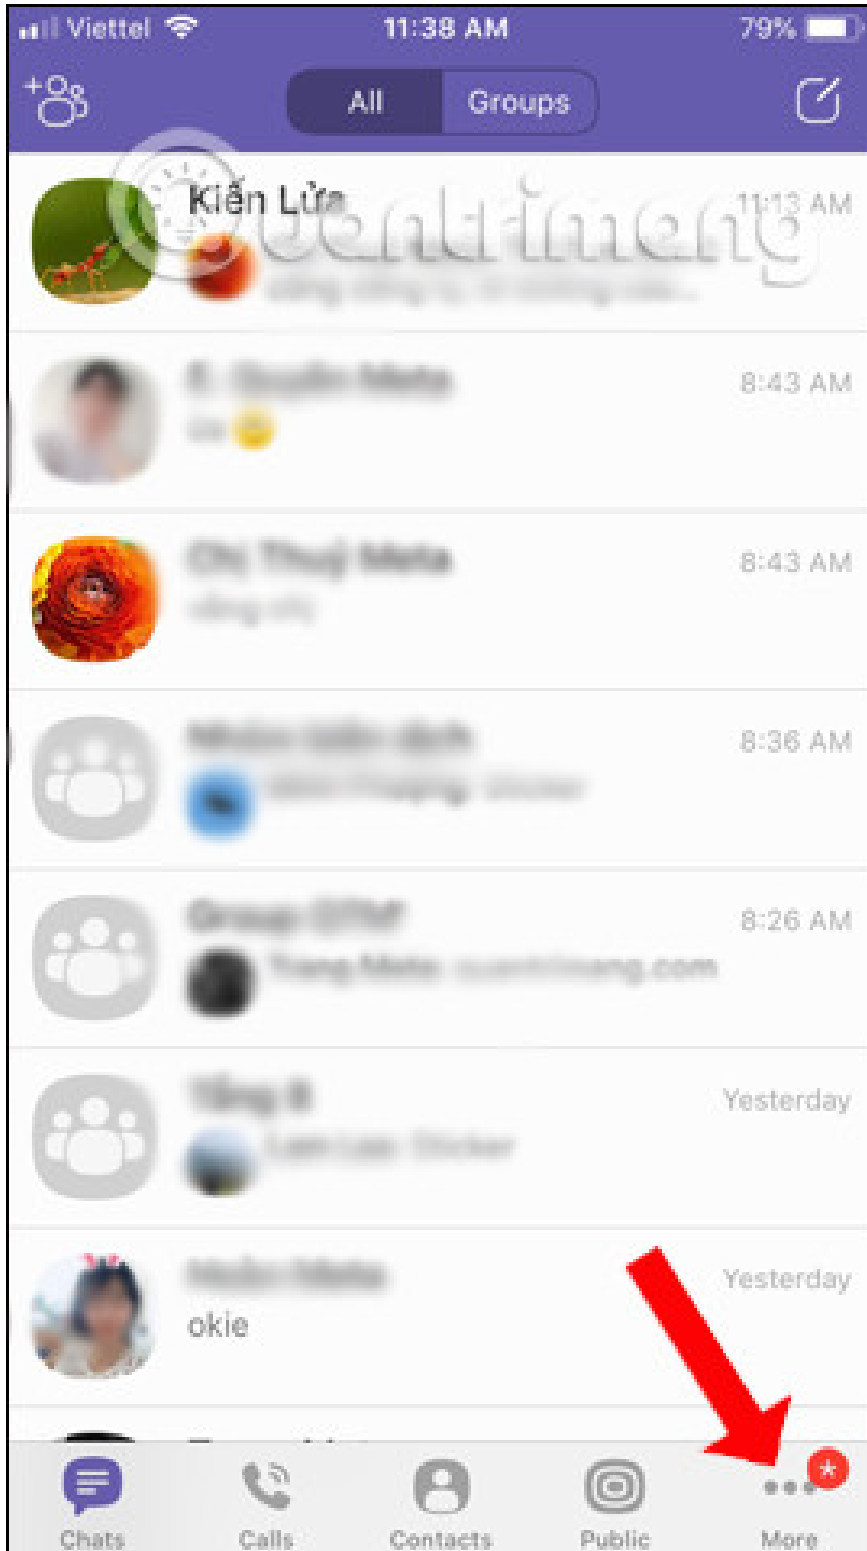

1. Instructions for sending audio messages on Viber
2. How to turn off Viber message preview on the phone
3. Instructions to block Viber messages on the phone

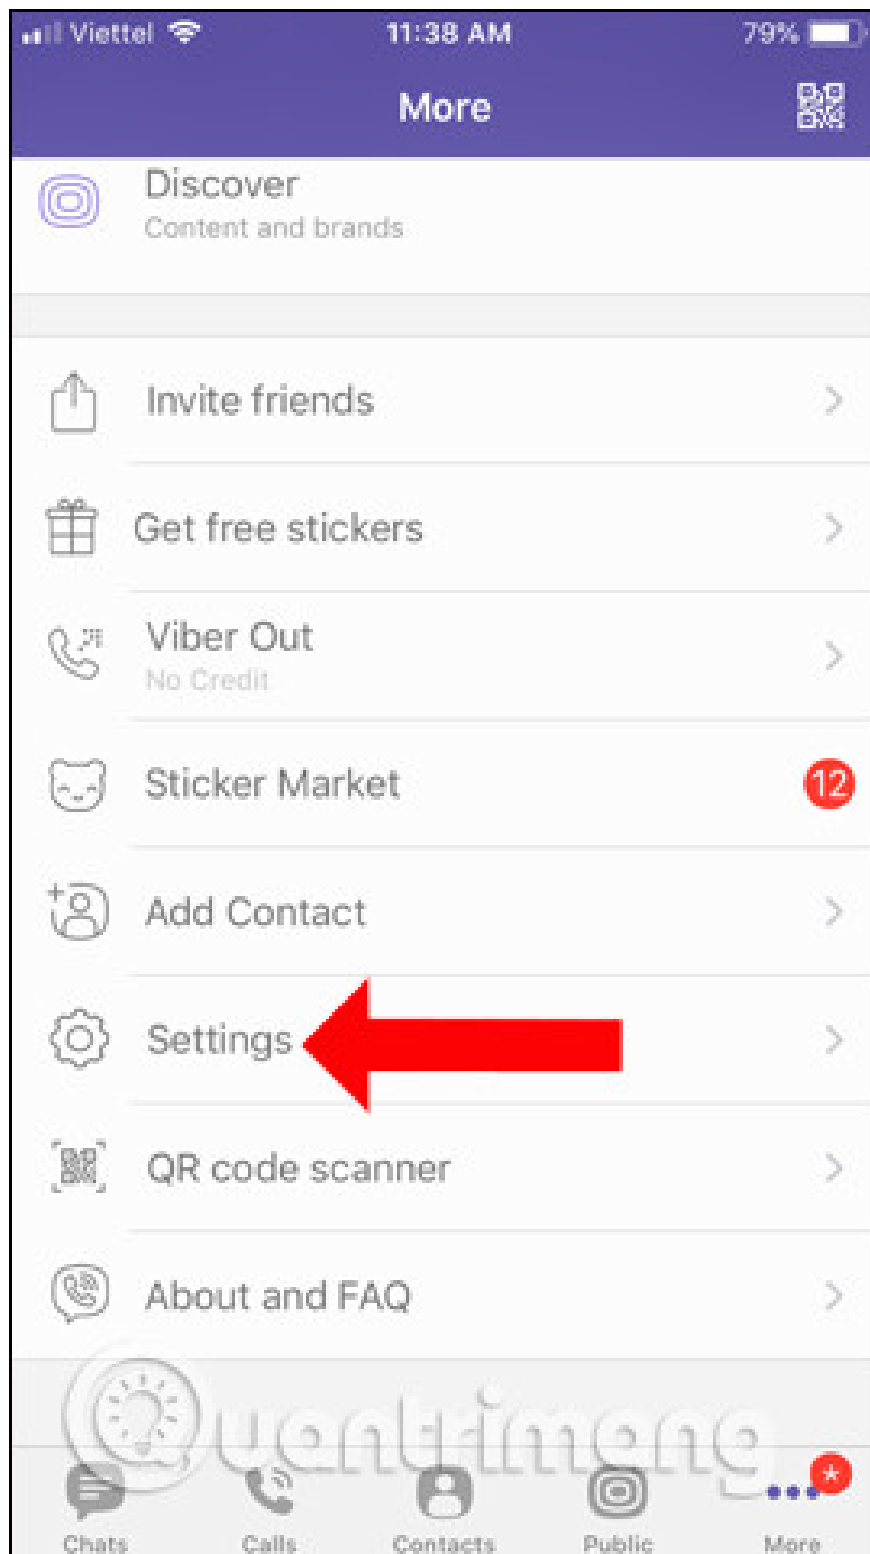

1. How to change phone numbers on Viber

1. Download Viber for PC
2. Download Viber for Android
3. Download Viber for iOS

Step 1:

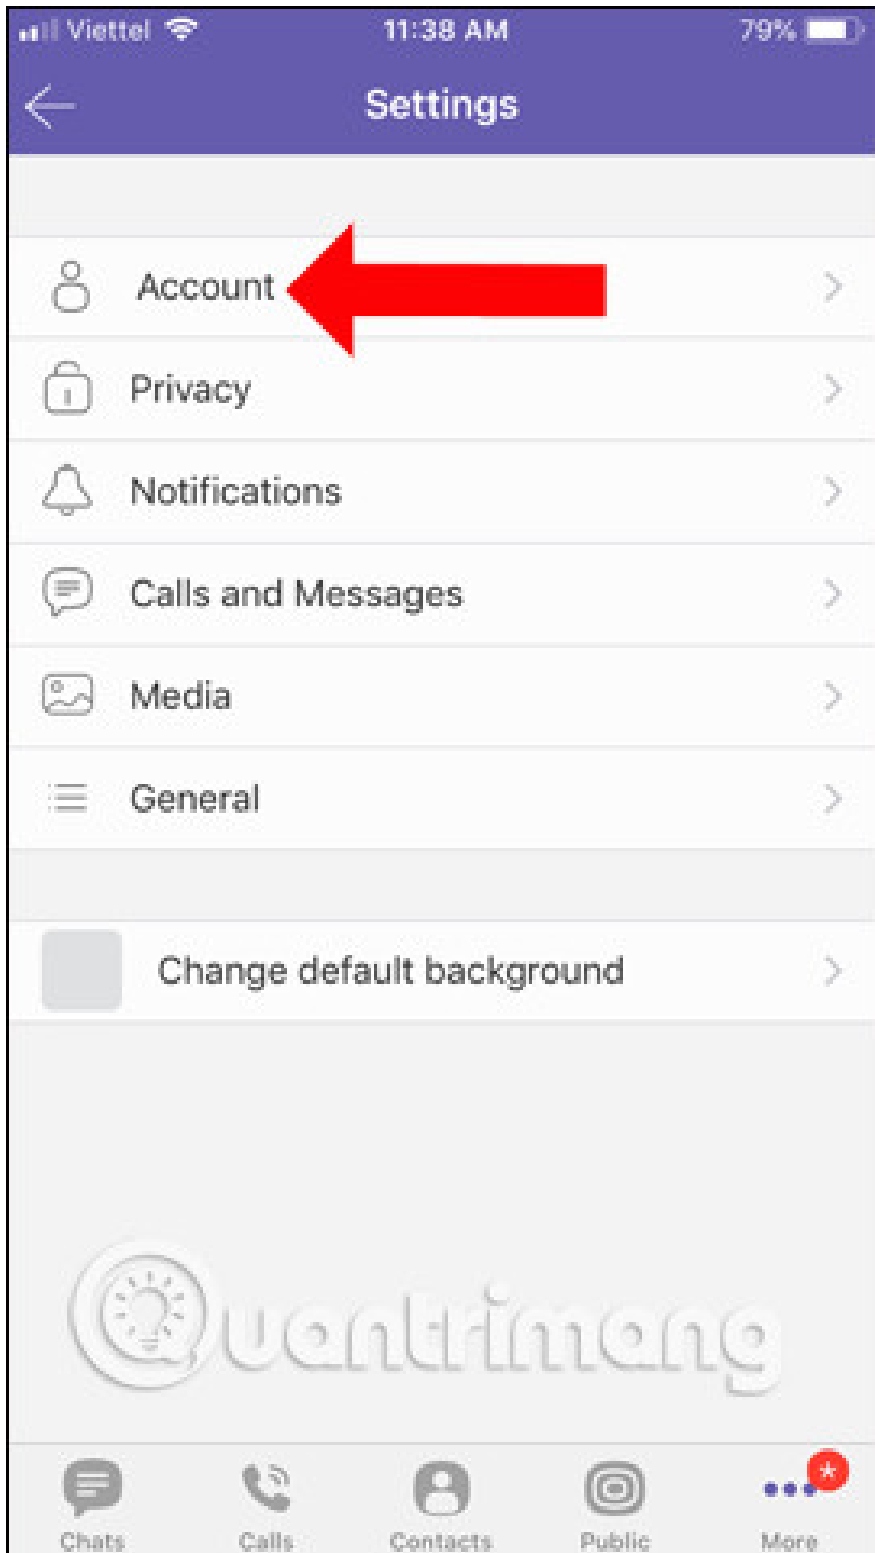

You access the Viber interface and click on **the More item** below. Then click on **the Settings button** (Settings).

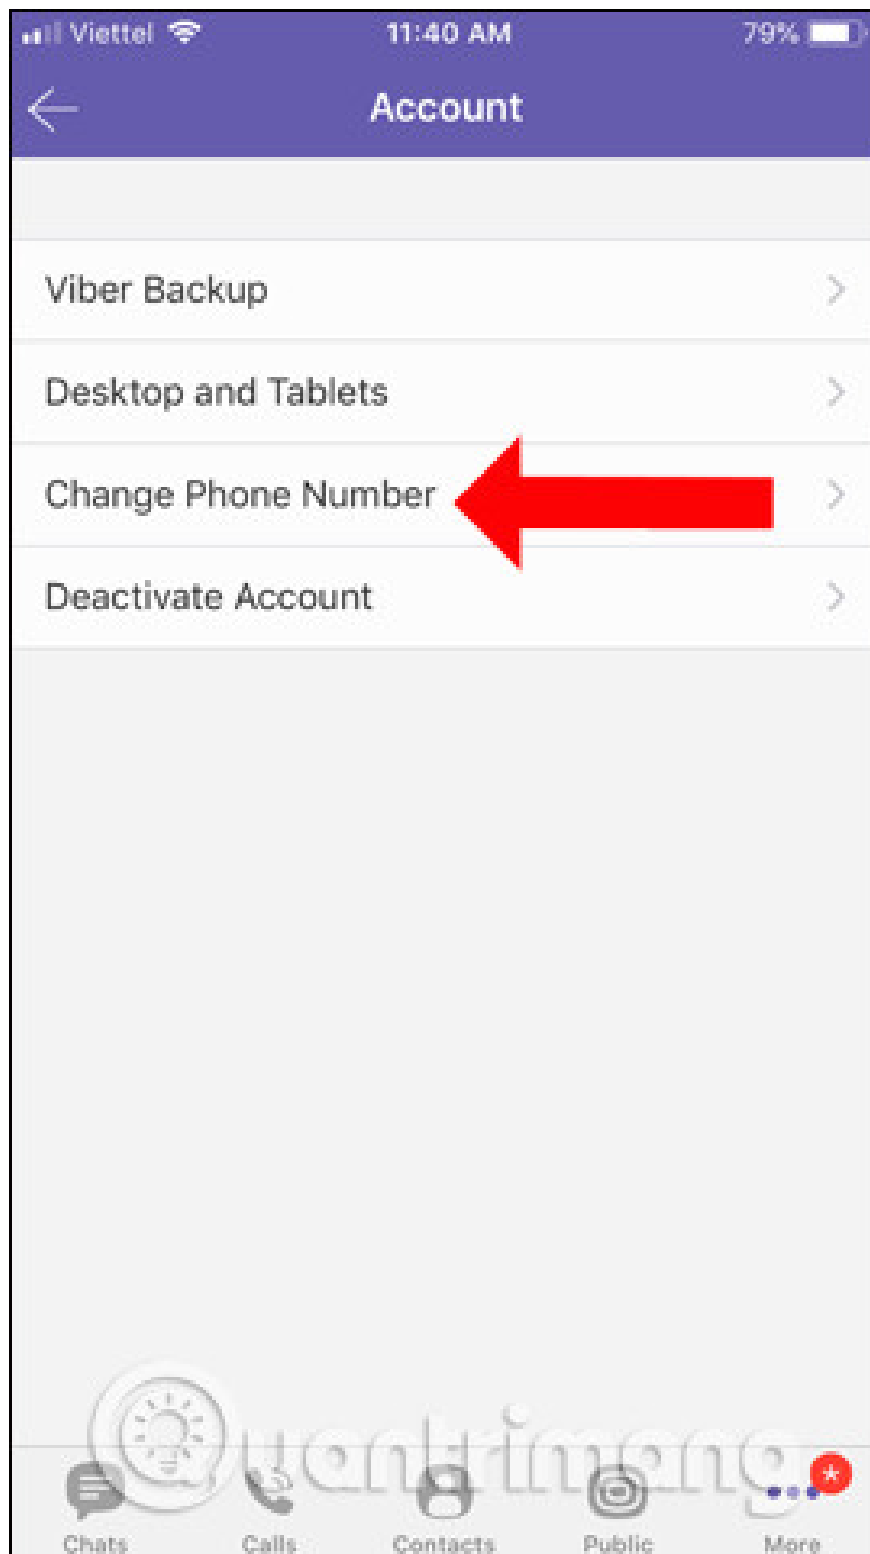

Step 2:

Next, click to select **Account** in the settings list. Here the user will see **Change Phone Number** .

Step 3:

Click **New phone number** and will receive a notification that all contacts in the Viber list receive notifications that you change your new phone number. Click **Continue** .

Change Phone Number

New phone number >

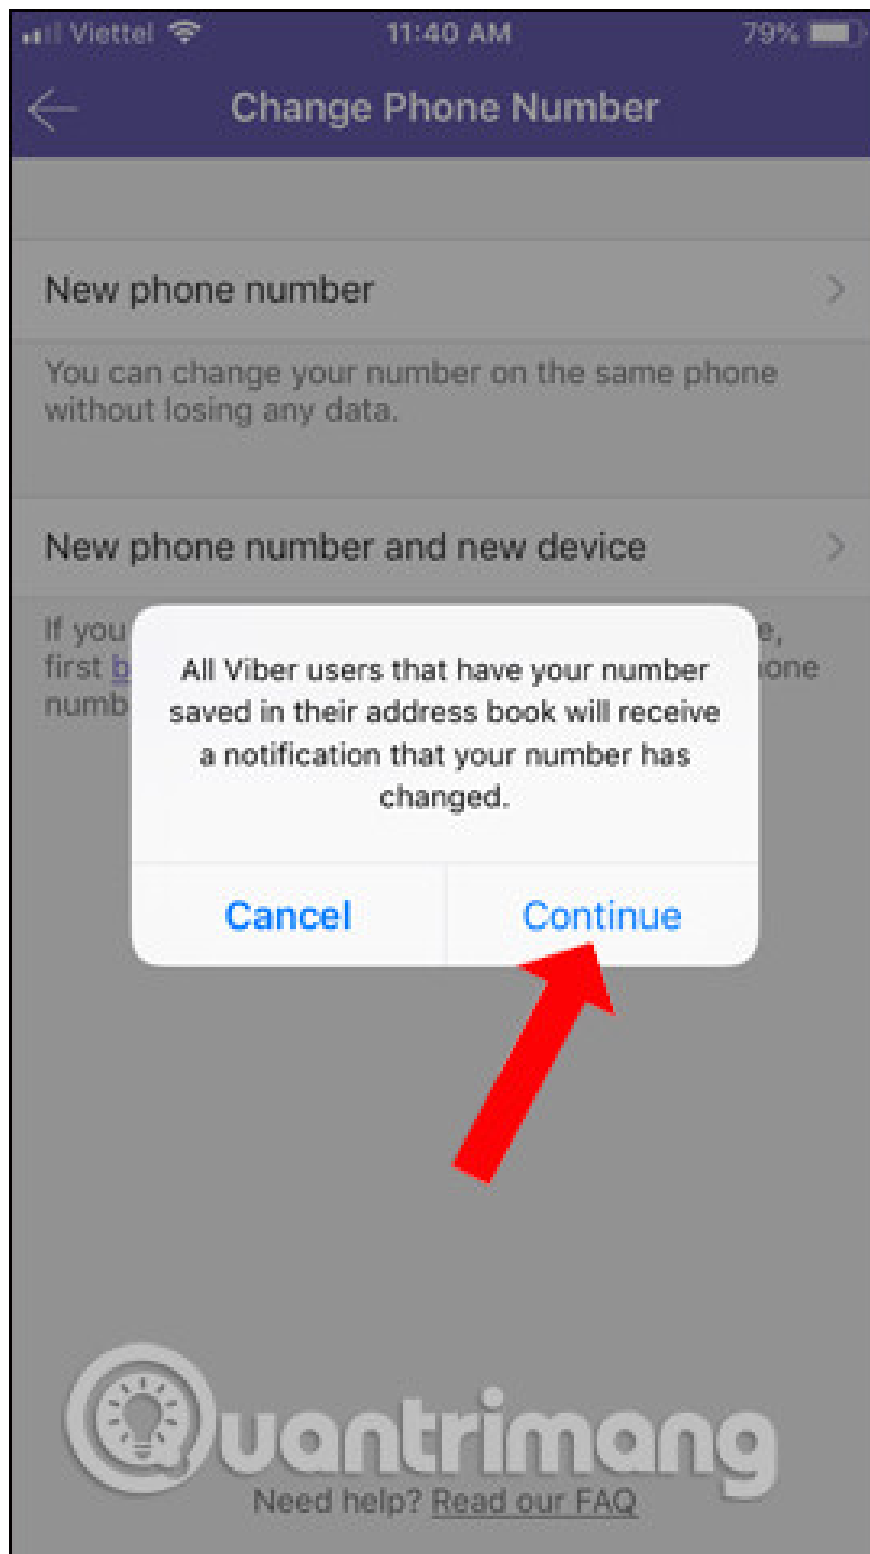

You can change your number on the same phone without losing any data.

New phone number and new device >

If you have both a new number and a new device, first [back up](#) your data and then change your phone number on your old phone.

Need help? [Read our FAQ](#)

Finally, the user **enters a new phone number that he** wants to change for Viber. The application will ask if you are sure to change this phone number, click **Yes** .

Change Phone Number

My current number is:
+84 90 666 66 66

My new number is:

Vietnam >

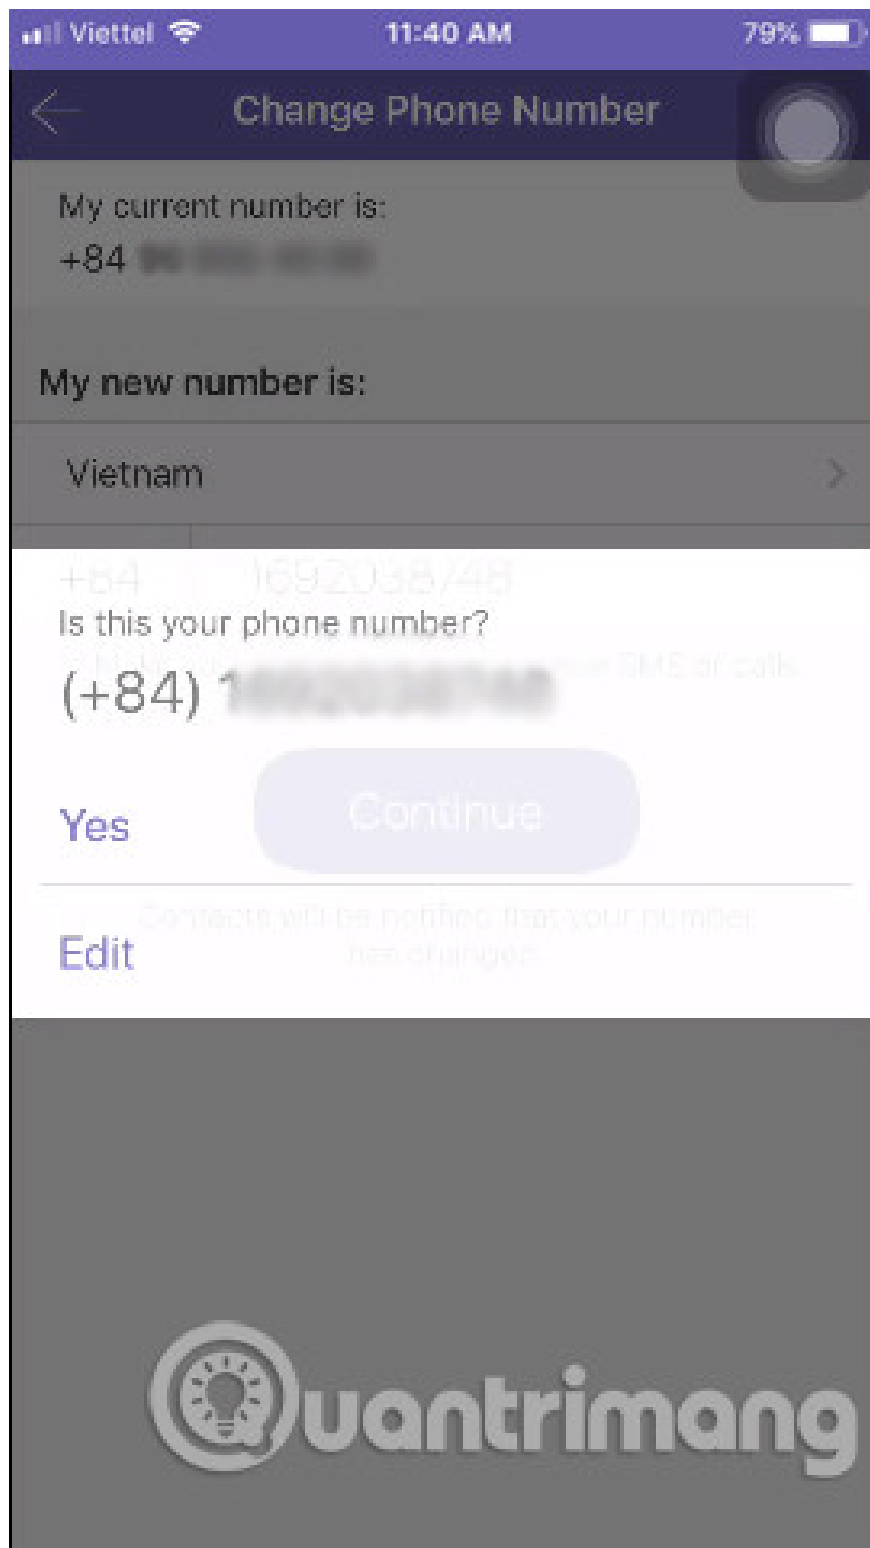

+84 Phone number

Make sure this number can receive SMS or calls

Continue

Contacts will be notified that your number has changed.

1	2 ABC	3 DEF
4 GHI	5 JKL	6 MNO
7 PQRS	8 TUV	9 WXYZ
+ * #	0	< X

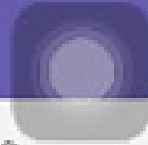

Step 4:

Wait for **the confirmation code to be sent to the phone number** and you just need to enter that code in the interface **Verify your new number** (**Verify your new phone number**). When the change is completed, the user will receive a successful notification as shown below.

Verify your new number

Enter the code you received via SMS.

Your 6-digit code

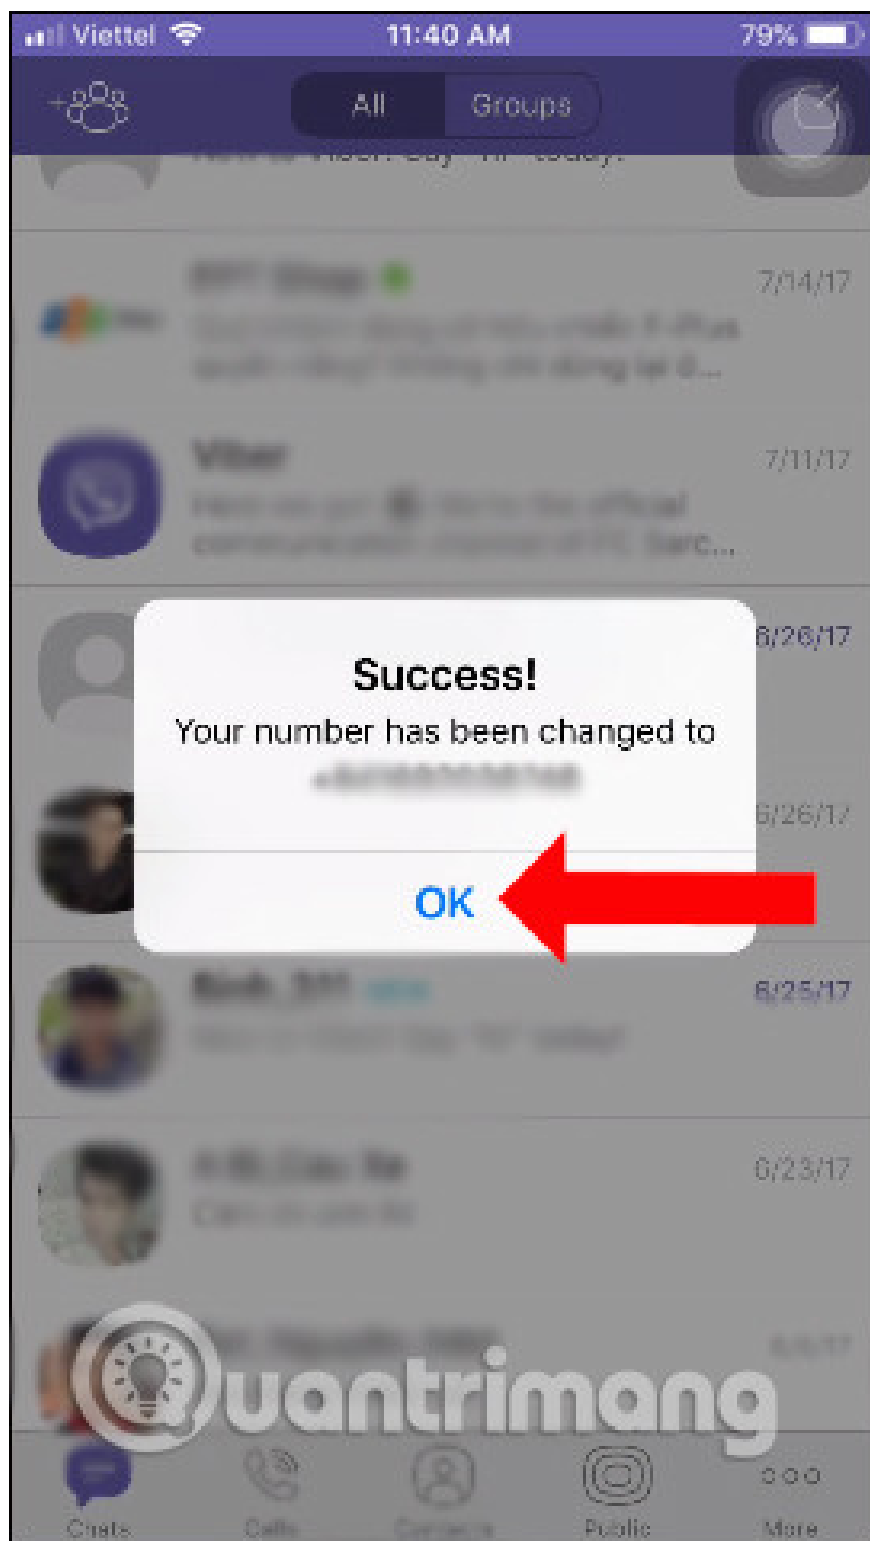

The code was sent to +841692038748.
It should arrive within the next minute.
