Currently Facebook Messenger is being used by a lot of people, to change the monotony of Messenger, you can change the color of messages in Messenger. If you do not know how to change the color, please refer to the article below to know how to change the color of messages in Messenger.

Below the article shared to you how to change the color of the message in Messenger, invite you to follow along.

With the color change feature of Messenger, you can choose different colors for conversations on Messenger. When you select a color for the conversation, the text box will be set to that color in Messenger, on messenger.com, and in Facebook messages.

*Note: you can only change the color of the message from the Messenger app on your phone or on the web <https://www.messenger.com/> on your computer.*

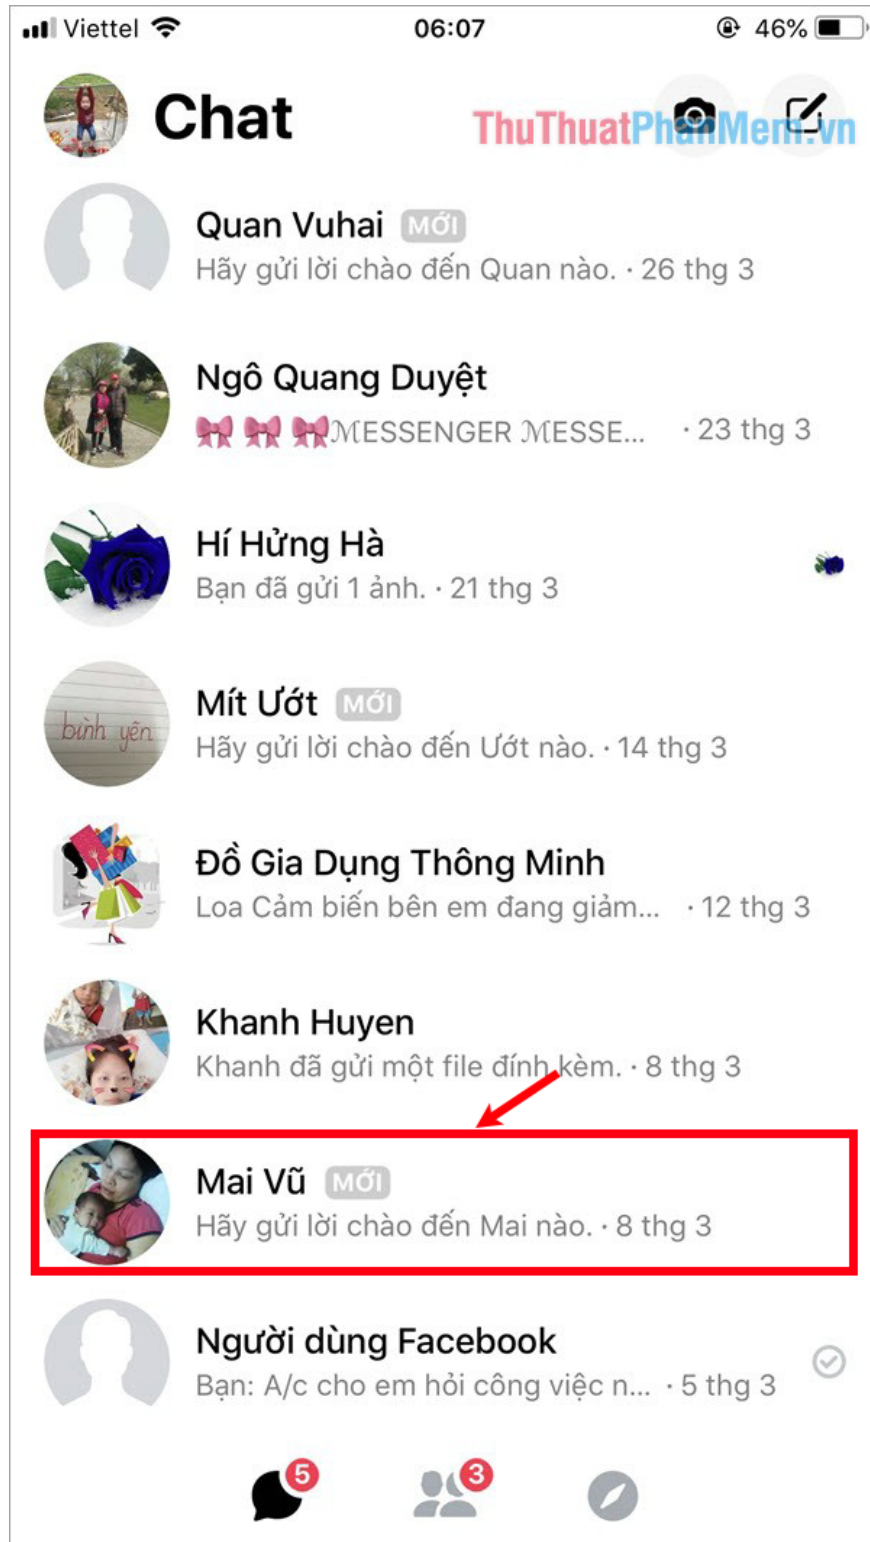

## Method 1: Change the color of messages in Messenger on your phone

**Step 1 :** If your phone has not downloaded the Messenger app or has updated the latest version of Messenger, you can download it using the link below.

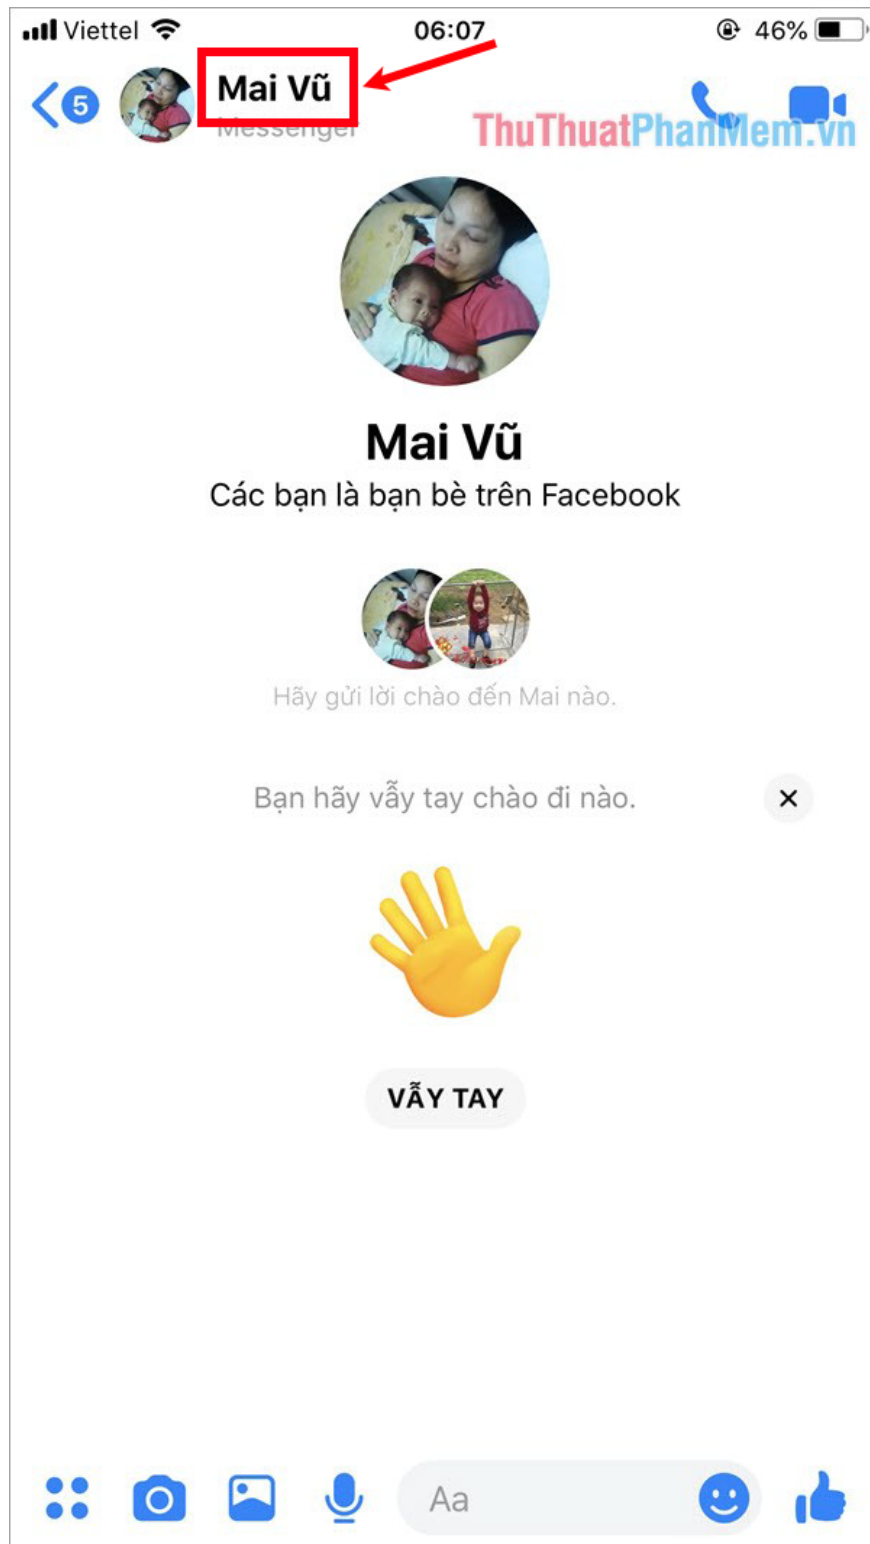

1. Download Facebook Messenger for iPhone:  
<https://itunes.apple.com/en/app/messenger/id454638411?l=en&mt=8>

2. Download Facebook Messenger for Android:  
<https://play.google.com/store/apps/details?id=com.facebook.orca&hl=en>
3. Download Facebook Messenger for Windows Phone: <https://www.microsoft.com/en-us/p/messenger/9wzdncrf0083?activetab=pivot:overviewtab>

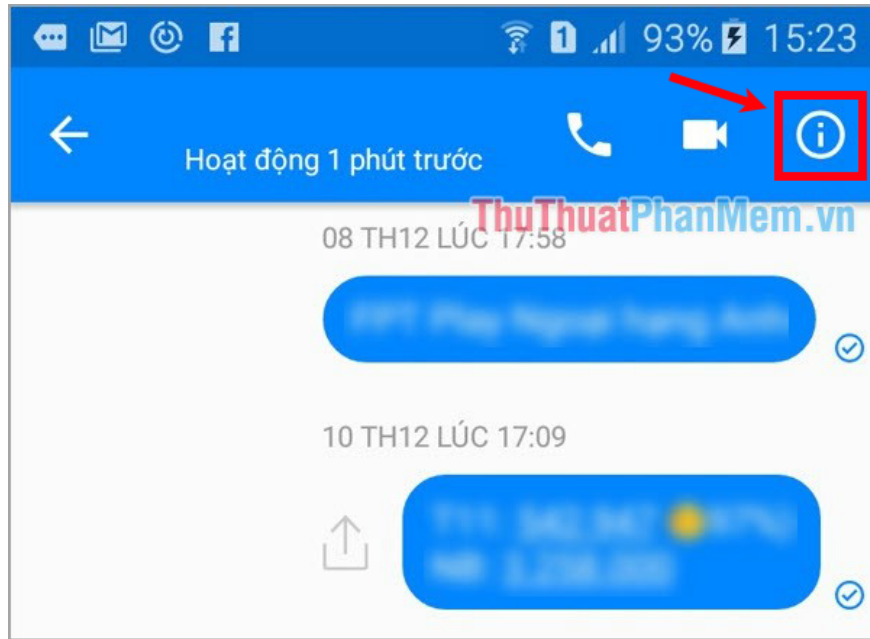

**Step 2 :** Open the Facebook Messenger application, and select the conversation you want to change colors.

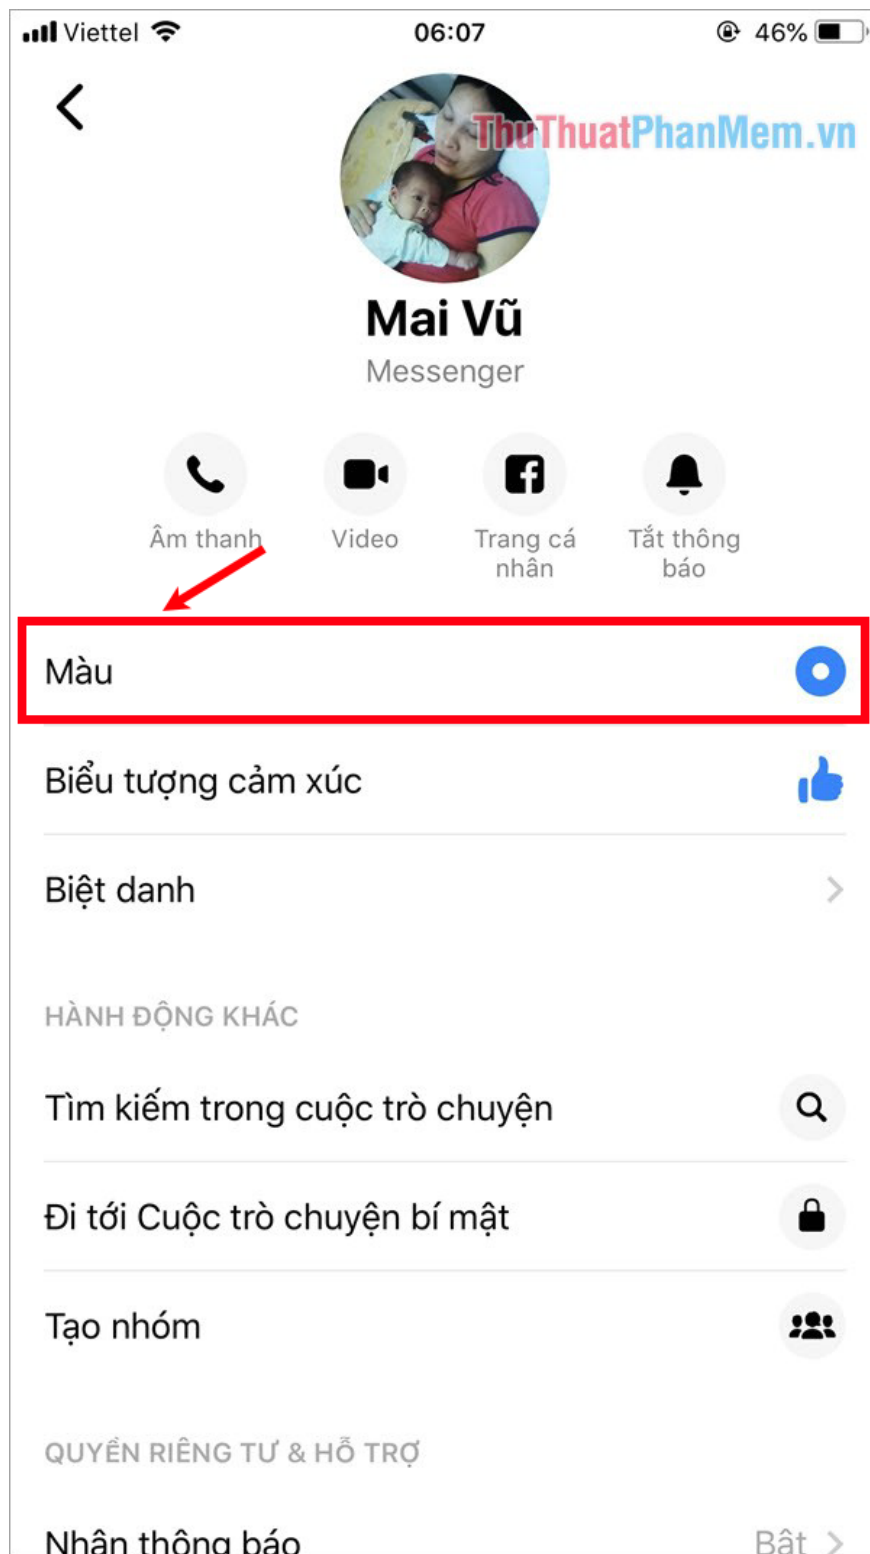

**Step 3** : If you use iOS (iPhone, iPad), then touch that user's name at the top.

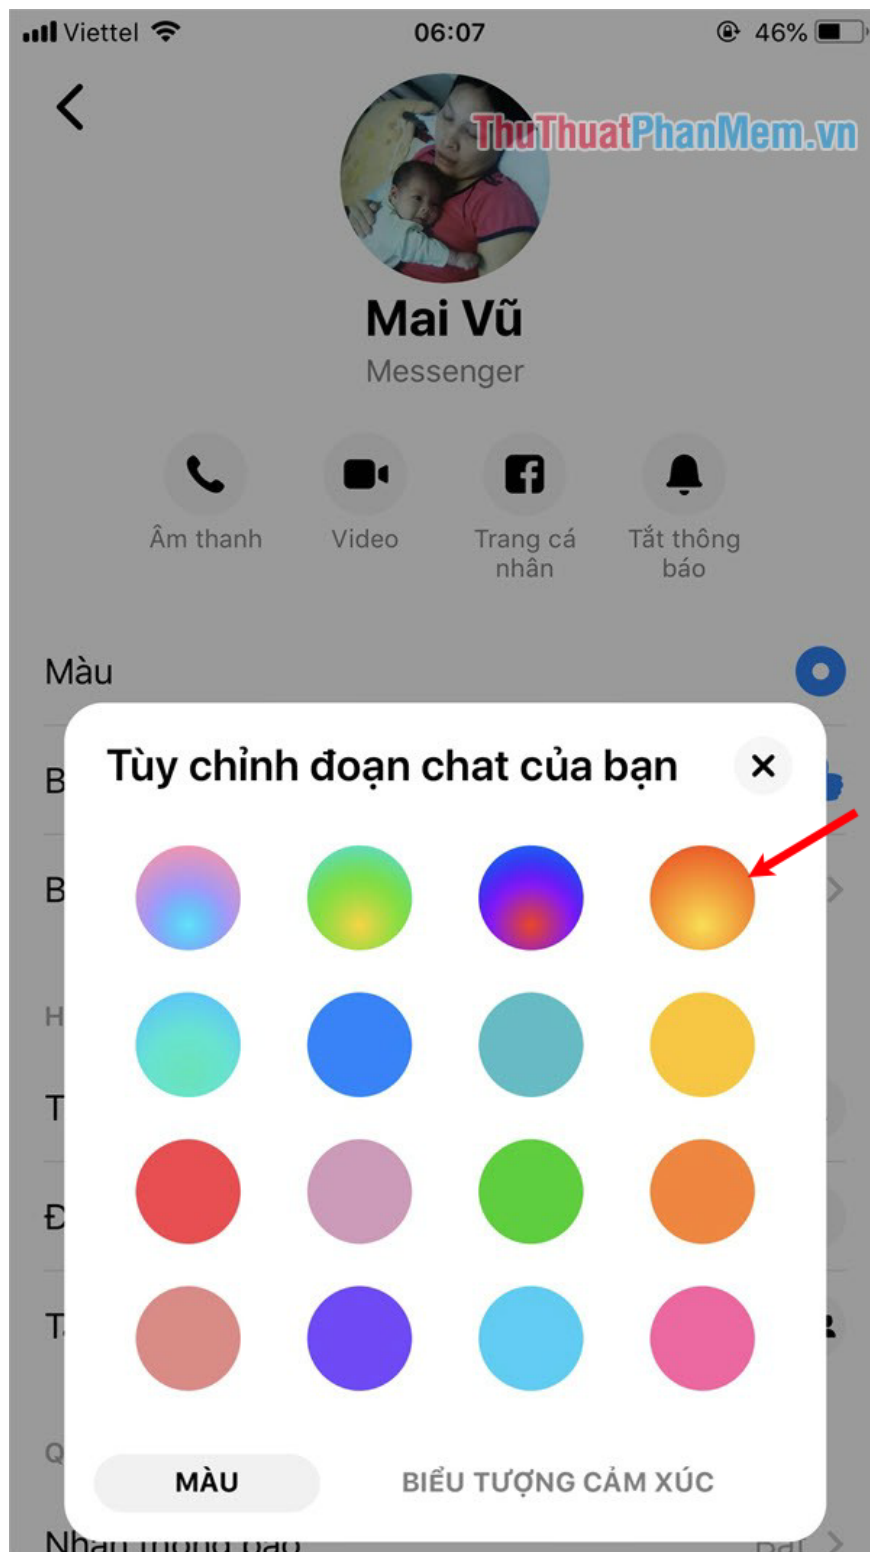

If using Android, then you select the symbol 'i' on the top right.

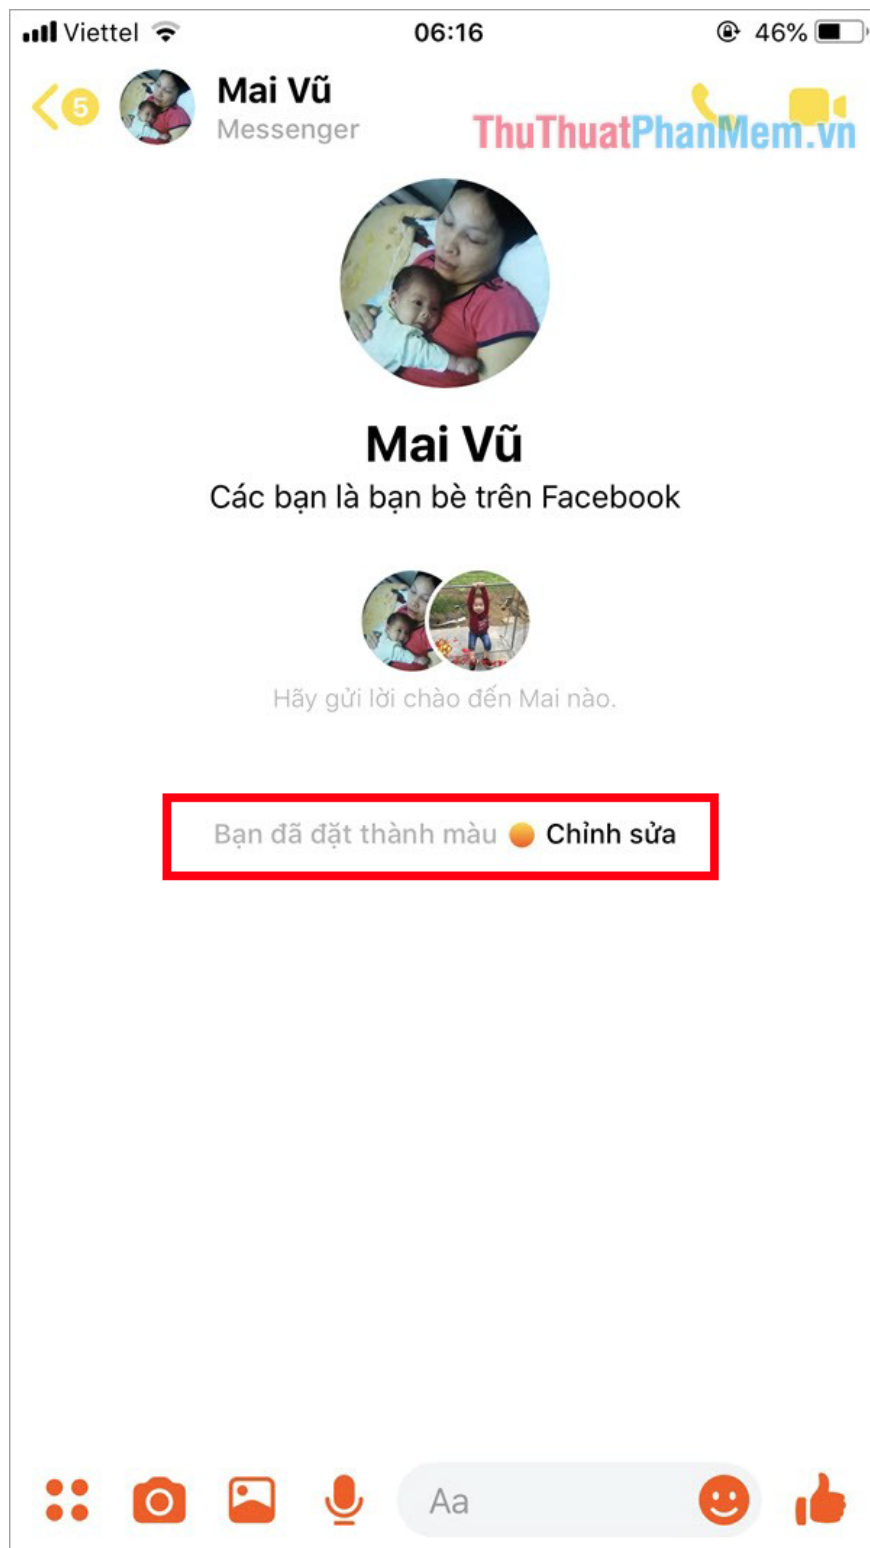

**Step 4:** To change color, choose **Color**.

**Step 5:** Appear the color palette you choose the color you want to change for the conversation.

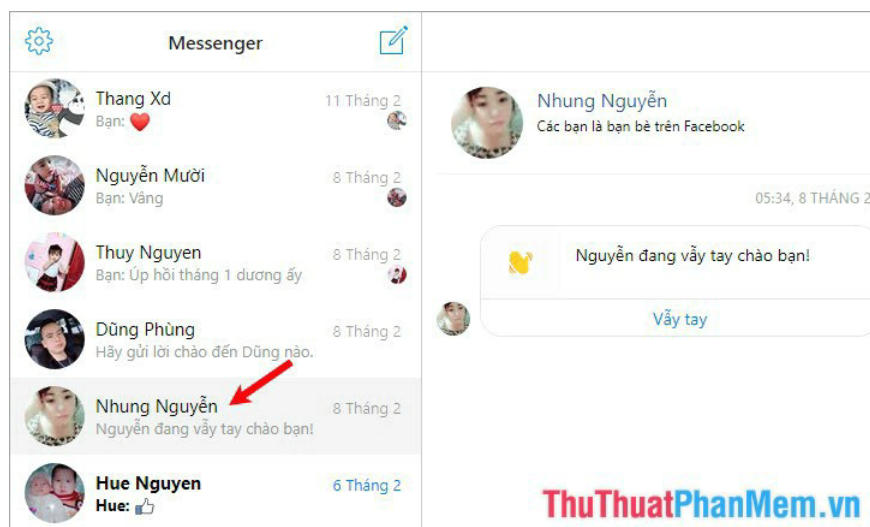

So you changed the color for a successful conversation.

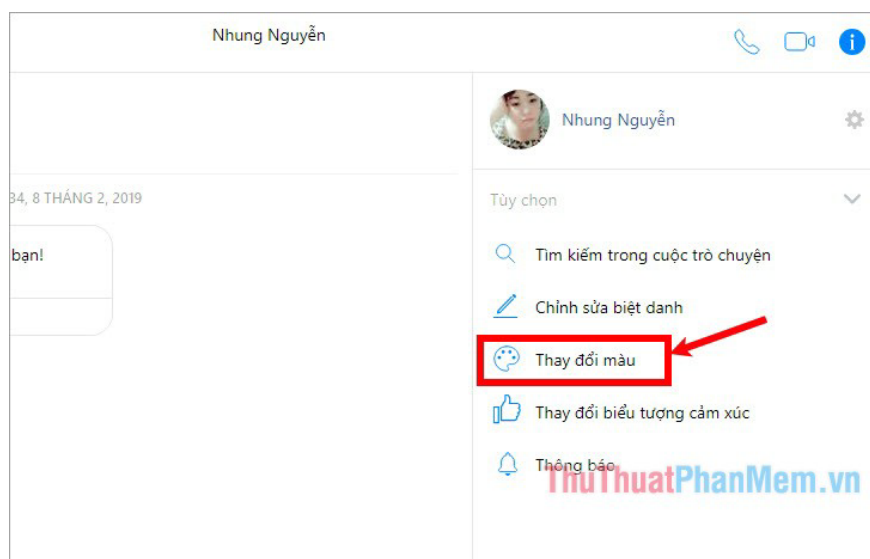

## Method 2: Change the color of messages on web messenger.com

**Step 1** : You access the website <https://www.messenger.com/>, next you open the conversation you want to change the color.

**Step 2 :** On the right side of the screen, select **Change colors**.

**Step 3:** Choose the color you want to change for the selected conversation.

Immediately your conversation will be changed to the color you choose and will notice **You have changed the conversation color** in the message frame.
