You probably already know that changing the Google account language is different than changing the display language on Google Chrome - Google's browser product. Changing the display language of your Google account will help you be more active in work, entertainment ...

Yes, you probably already know that changing the Google account language is different than changing the display language on Google Chrome - Google's browser product (you can see this tutorial article) ). Changing the display language of Google account will help you be much more active in work, entertainment . Please see the article below of TipsMake.com offline.

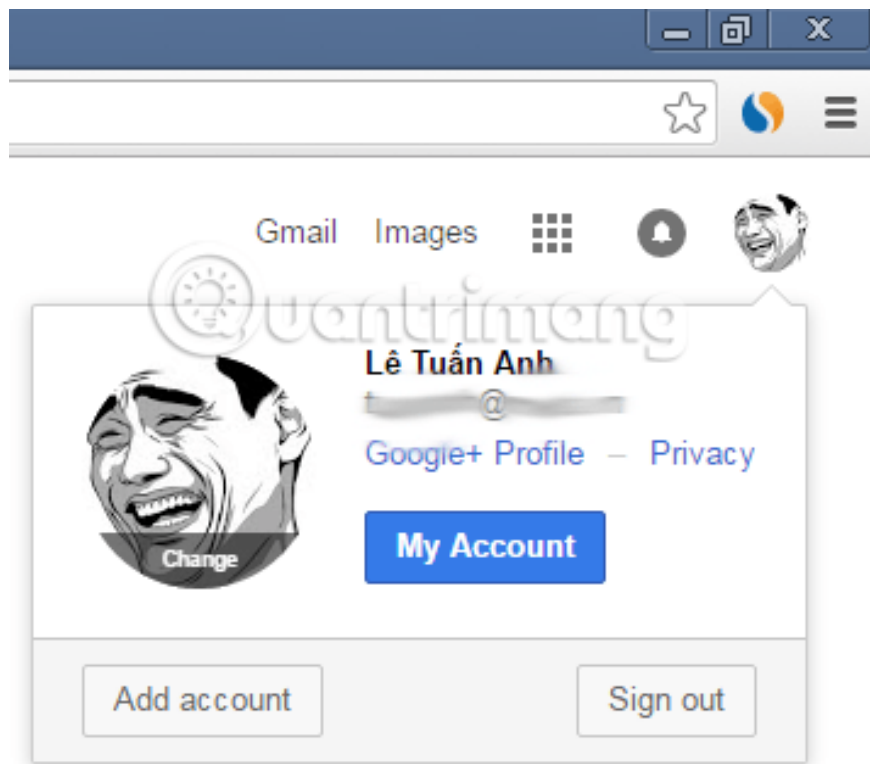

Drill, take a look at some basic guidelines on Google account on TipsMake.com:

1. How to change the display language of Google Chrome browser?
2. How to create, create a Google account for beginners.

First, log into your Google account via the link:

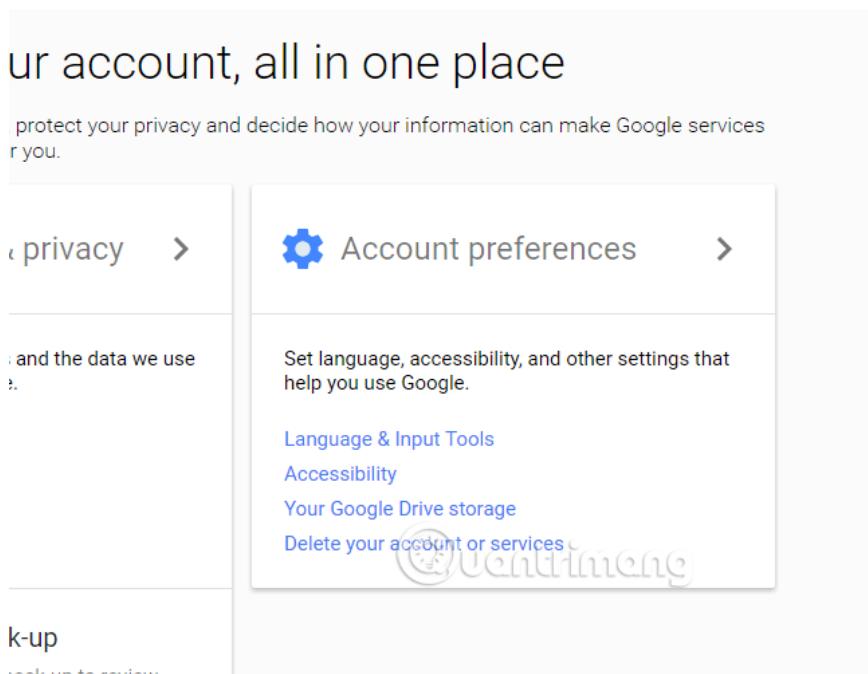

1. <https://accounts.google.com/>

Then, click on the avatar of the **Google** account at the top right corner, then select **My Account**:

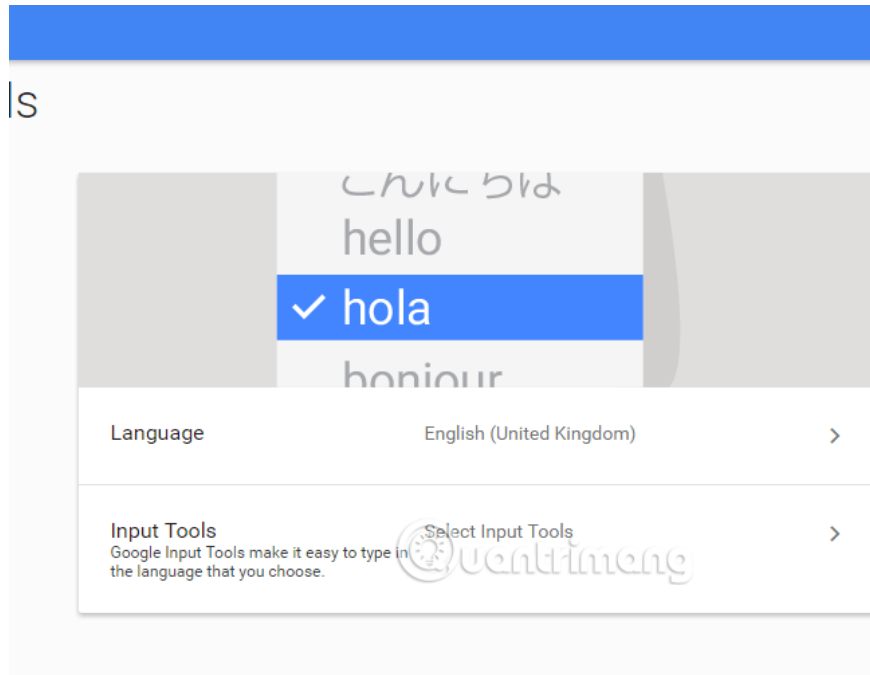

Or go straight to this link: [https://myaccount.google.com/?utm\\_source=OGB](https://myaccount.google.com/?utm_source=OGB)

Select the **Language & Input Tools** section in **Account Preferences** as shown below:

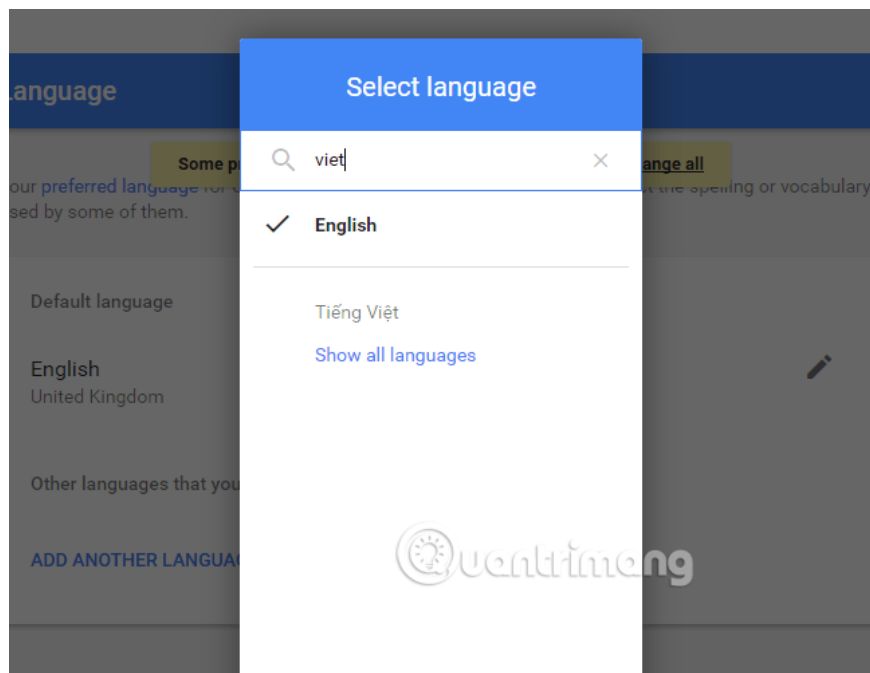

Or click on this link: [https://myaccount.google.com/preferences?utm\\_source=OGB#localization](https://myaccount.google.com/preferences?utm_source=OGB#localization)

Here you will see the default language of **the Google account** being set up is **English - English** . Click it to change it again:

The **Input Tools** section below is like a **Language Bar** on a Windows computer, or you can understand it is a type of percussion

In this window, you click **the pen icon** , then select **Vietnamese** as shown below:

If you want to change any language, select it in the list, or type the suggestion in the search box

As soon as you choose, your Google account language will change immediately, and this change will apply to all **Google products such as Google Drive, Google Docs, Google Photos, Google Plus. .:**

## Ngôn ngữ
