

# How to chat with AI characters on WhatsApp

The new AI Chat on WhatsApp lets you chat with AI characters based on characters from TV shows, movies, books, and more.

The new Chat with AI on WhatsApp lets you chat with AI characters based on characters from TV shows, movies, books, and more. For example, you can chat with Batman, Mitsuri, Loki, Joker, and more. This feature is completely different from how you use Meta AI on WhatsApp or ChatGPT in WhatsApp. Here's how to chat with AI characters on WhatsApp.

## How to chat with AI characters on WhatsApp

### Step 1:

In the application interface, click on **the plus icon** and select **Chat with AIs** .

← Select contact  
205 contacts

New group

New community

Chat with AIs

**Step 2:**

Then the user sees the AI ??Studio page with different categories such as Anime, Games, etc. In each category, **click View All to see all the characters** in this category.

Ready to engage in some stimulating conversation?

2:26 pm

Sure! Let's get started.

2:32 pm ✓✓

An enthusiastic participant - excellent! What sparks your curiosity today: science, science fiction, comics, or perhaps the meaning of life, universe, and everything? (Hint: I know the answer to that last one - 42, obviously.)

2:32 pm

How about science fiction?

2:34 pm ✓✓

My sweet spot. Which subset of science fiction delights you the most: dystopian futures like Blade Runner, intergalactic odysseys like Star Trek, or perhaps alternate realities like Doctor Who? (My opinion: Doctor Who is superior, but let's debate!)
