

# How to check genuine iPhone and the most accurate warranty

Check genuine iPhone and warranty period is very important for those who buy the old iPhone to hand because the status of iPhone smuggled or assembled parts are very fake. In today's article, TipsMake.com guides you how to check genuine iPhone and the most accurate warranty period to help readers feel secure to use.

Check genuine iPhone and warranty period is very important for those who buy old iPhones to hand because the status of iPhone smuggled or assembled components "phony" a lot. In today's article, TipsMake.com guides you how to check genuine iPhone and the most accurate warranty period to help readers feel secure to use.

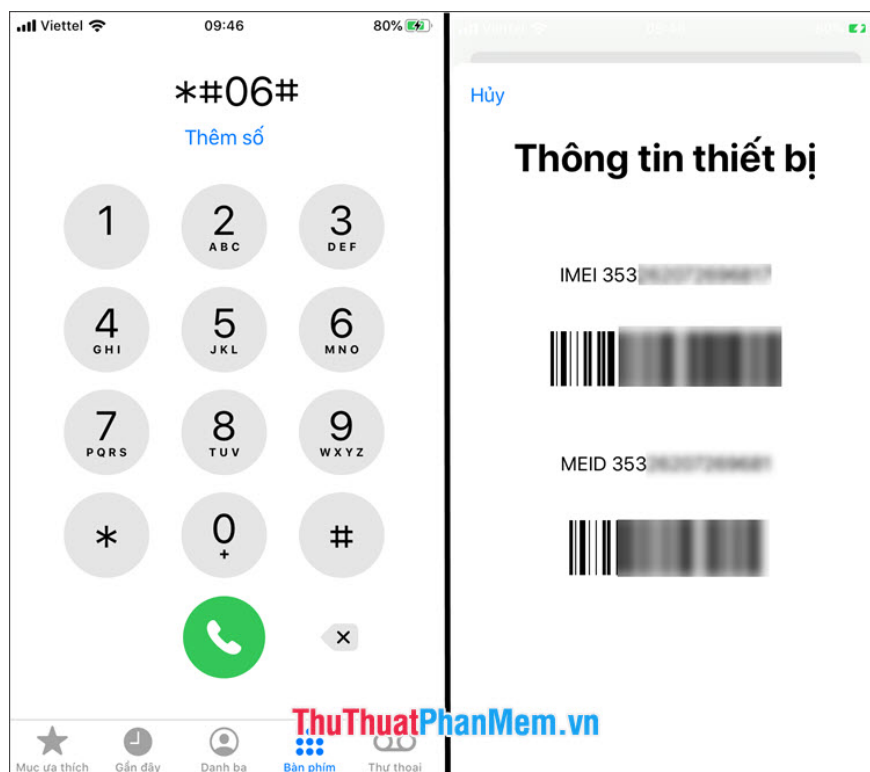

To check the genuine iPhone, we check the IMEI on that iPhone and compare it on the Apple homepage.

## 1. Check your iPhone IMEI

### Method 1: Check IMEI on iPhone with the Phone app

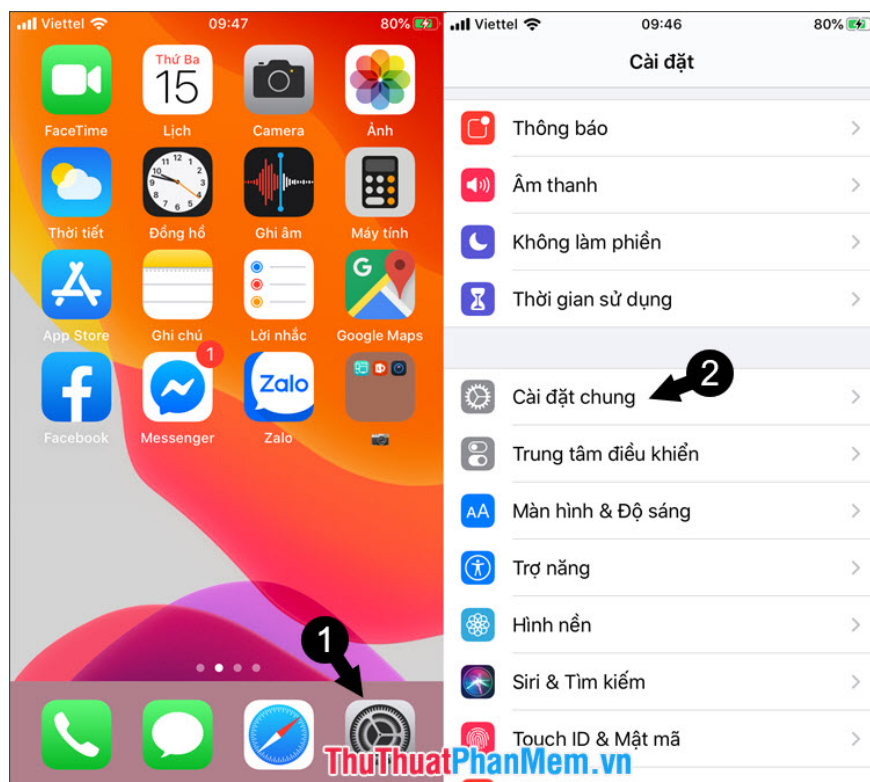

You open the phone app and dial \* # 06 #

After dialing, your iPhone IMEI information will display as shown below.

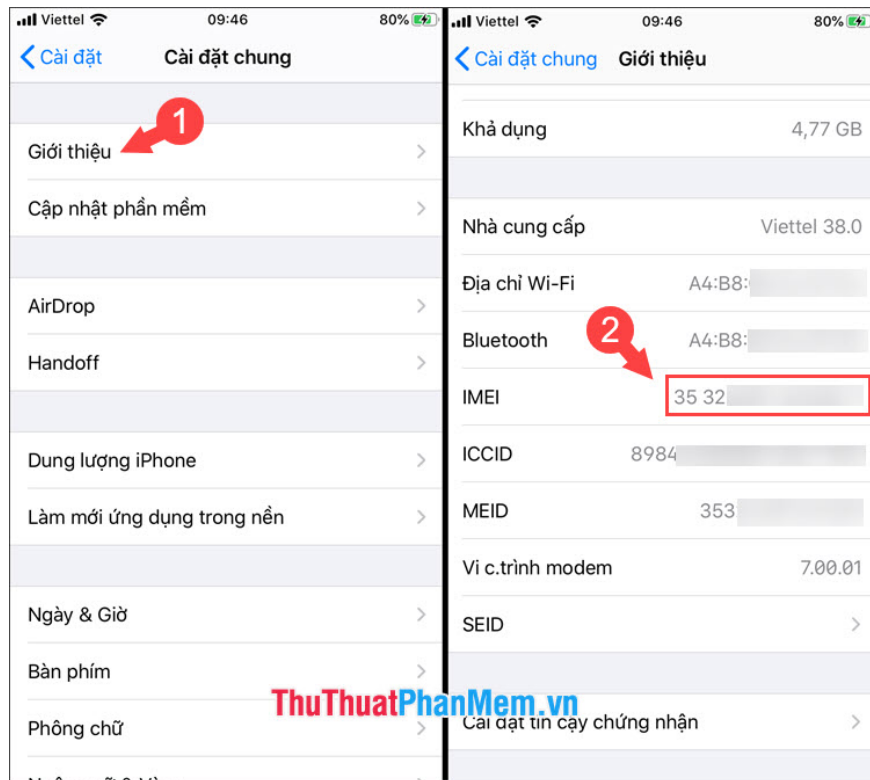

## Method 2: Search for iPhone IMEI in General Settings

**Step 1:** Go to Settings (1) => General settings (2) .

**Step 2:** Select **About (1)** and copy **IMEI (2)** to check on Apple website.

## 2. Check the warranty period on iPhone with IMEI number.

After checking the iPhone IMEI number, we can check the valid iPhone IMEI on the Apple website. Check out the iPhone website here: <https://checkcoverage.apple.com/en/en>

**Step 1:** You fill in the information such as your iPhone IMEI number (1) => enter the confirmation code (2) in the box above => click **Continue (3)** to continue.

# Check Your Service and Support Coverage

Review your Apple warranty status and eligibility to purchase additional AppleCare coverage.
