In the recent version, some Pokemon have changed their skills. This will affect the type of Pokemon you choose to fight, protect the gym.

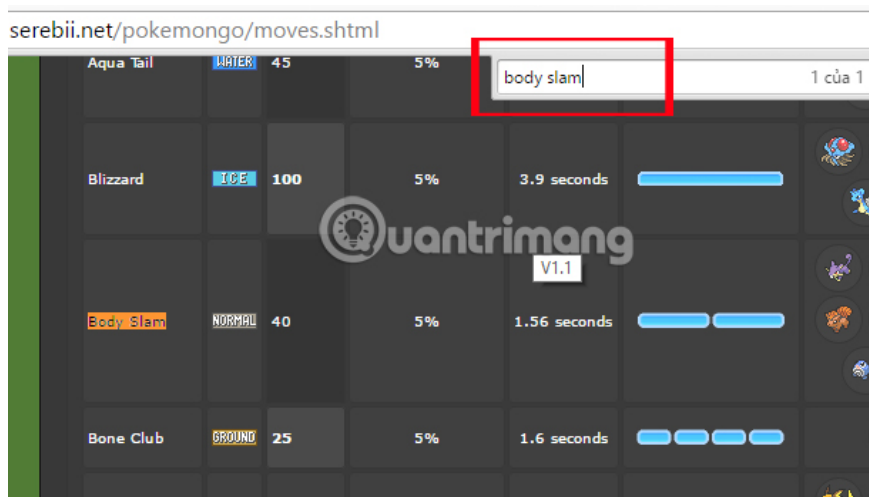

Recently, gamers on the gaming forums have quickly handed each other a summary of the skill changes of some types of Pokemon. Some types of Pokemon will be replaced to a completely new skill, some types will no longer have skills. This will greatly affect the calculation of each strategy of each coach, to choose which Pokemon should participate in protecting the gym.

For example, skills change will cause some Pokemon with high defensive stats to switch to specialized attacks. Or lose an important skill like Pokemon Gyarados's Draagon Breath skill. Below will be a summary of Pokemon changing skills.
