

How to Check Your iTunes Balance

This wikiHow teaches you how to view how much you currently have on your Apple ID credit balance. You can use your credit to make iTunes and App Store or iCloud storage purchases.<https://support.apple.com/en-us/HT202359> Open the Settings...

Method 1 of 2:

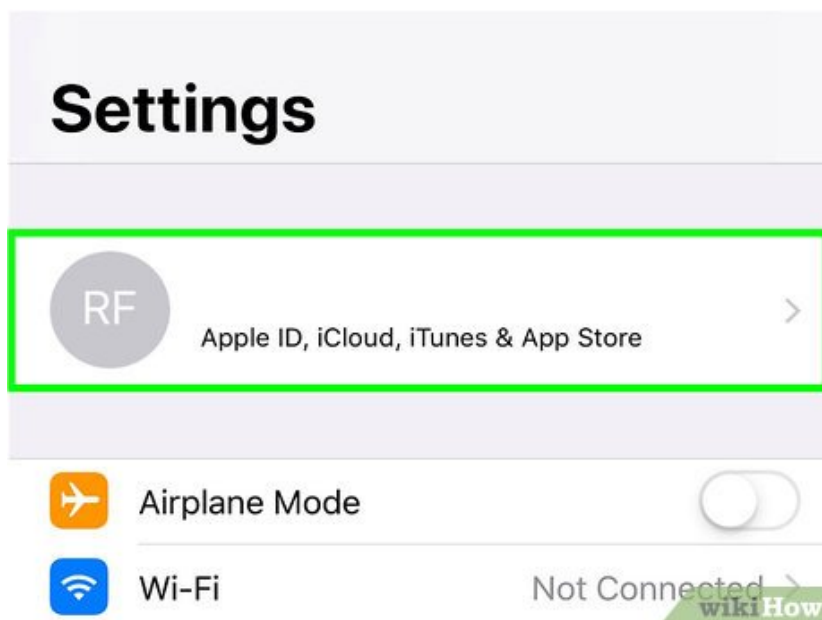

Using iPhone, iPad or iPod Touch

Open the Settings app on your iPhone, iPad or iPod Touch. Find and tap the

icon on your home screen or in an app folder to open Settings.

2.

Tap your name at the top. You'll find your name and profile picture at the top of the Settings menu. It will open your Apple ID menu.

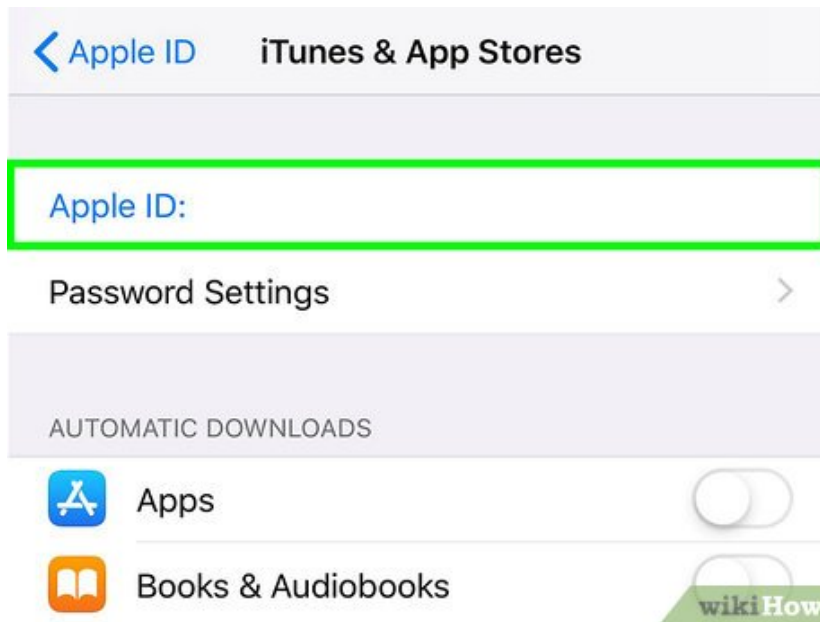

3.

Tap **iTunes & App Store**. It's listed next to a tiny

icon on the menu.

4.

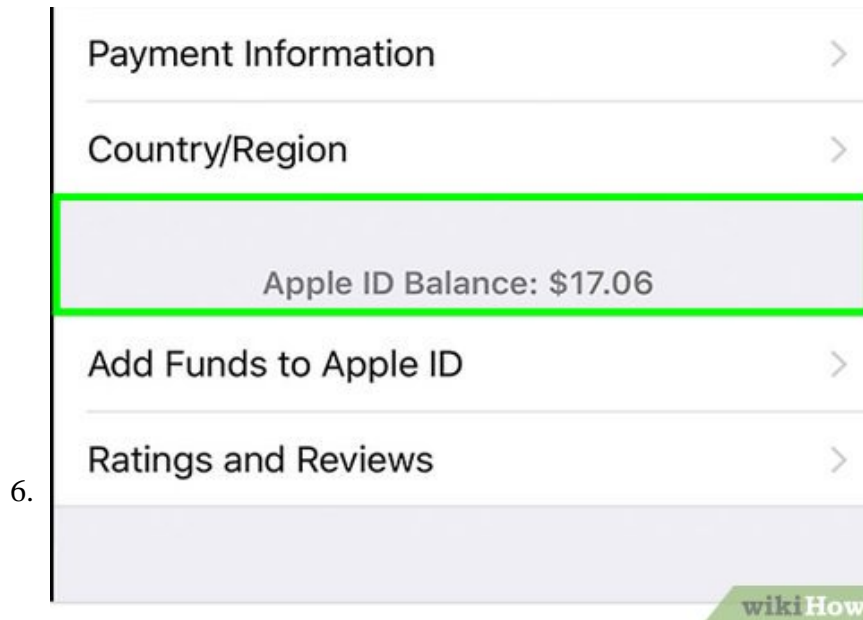

Tap your Apple ID email at the top. Your Apple ID email address is listed at the top in blue letters. Tapping will open your Apple ID options in a pop-up.

5.

Select **View Apple ID**. This will open your Account Settings menu on a new page.

1. If you're prompted, sign in with your Apple ID password to verify your identity.

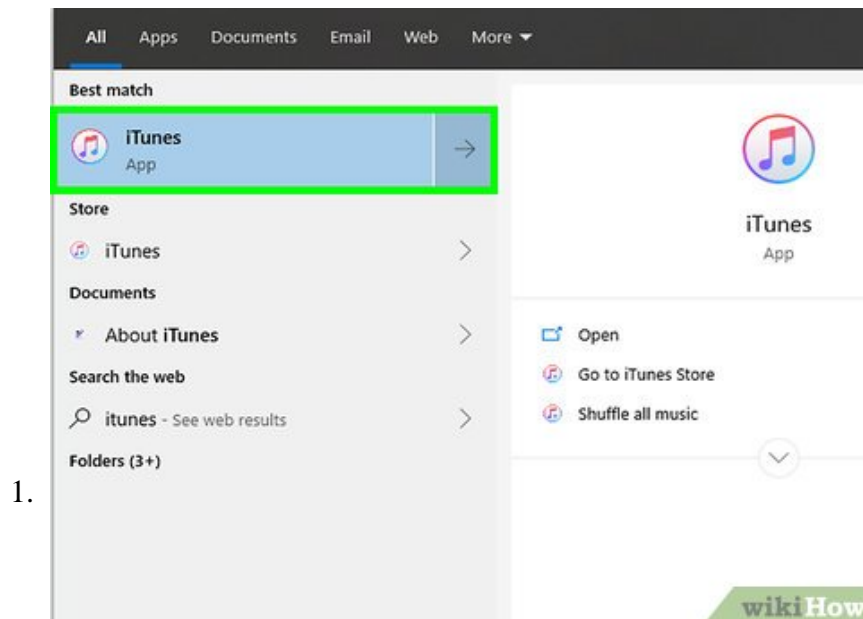

Find your "Apple ID Balance" above [Add Funds to Apple ID](#). If you have a credit balance, you'll see it above the "Add Funds" option in Account Settings.

1. You won't see anything here if you have zero credit balance.

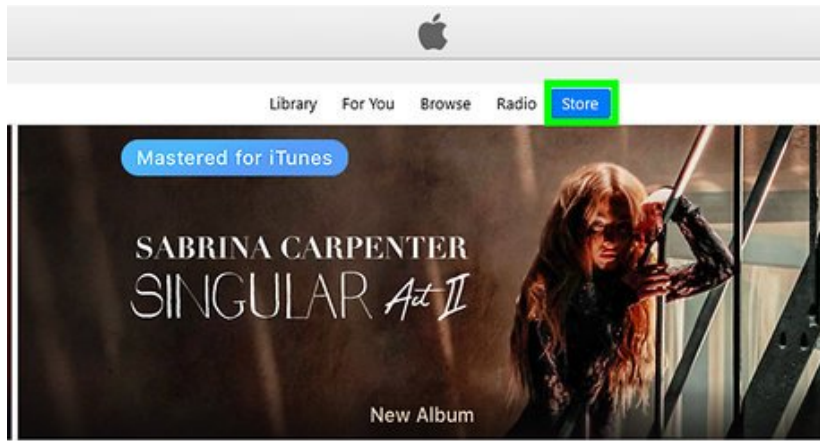

Method 2 of 2:

Using PC or Mac

Open iTunes on your computer. The iTunes icon looks like a pink-and-blue musical note in a white circle. You can find it on your Start menu on Windows, and in Applications on Mac.

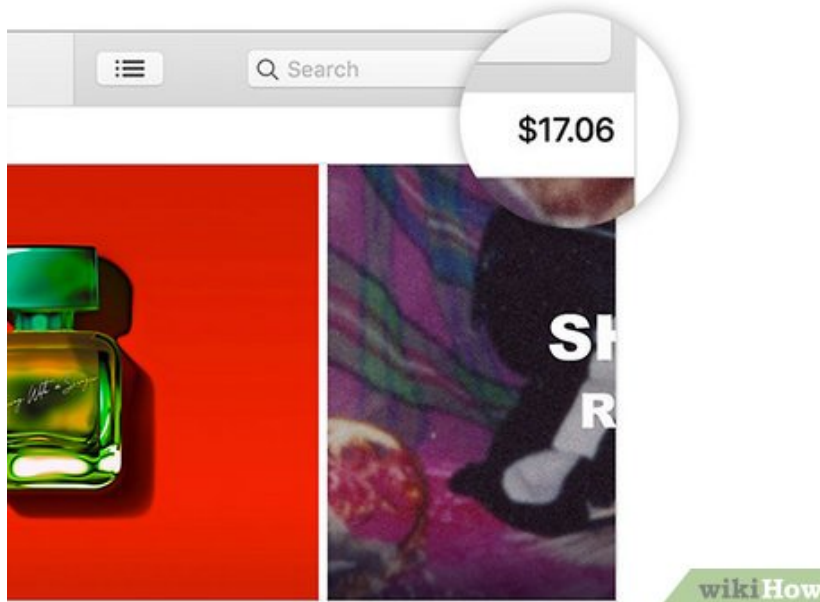

1. If you're not logged in, click the **Account** tab on the menu bar at the top, and select **Sign in** to sign in and continue.

2.

wikiHow

Click the **Store** tab. You'll find it next to the **Library** and **Unplayed** tabs at the top. It will switch you to the iTunes Store.

3.

wikiHow

Find your current balance below the Search field. If you have a credit balance, you'll see how much you have below the Search field in the upper-right corner.

1. You won't see anything below the search if you have zero balance.
