

How to choose clothes dryer for the season

A clothes dryer is the best solution for the season, helping to dry clothes quickly, your clothes will always be fragrant and clean. Today the Network Administrator will share his experience of buying clothes dryer to help you choose the best clothes dryer.

In the North at this time, it is in the middle of the season, the total humidity is above 80%, the drizzle lasts all day after day, causing the clothes to dry very long and dry. , I have to wash it again. However, the solution to overcome this problem is simple: use a clothes dryer.

But how to choose the best and suitable clothes dryer right now is very difficult. Network administrators will share their experience of buying cheap and good clothes dryers for you to consult.

Instructions on how to choose the best, cheapest clothes dryer

Choose clothes machine?

Clothes dryers now have two popular types, each with its own advantages, depending on the economic level and features of the machine, you can choose which one to suit.

1. Specialized clothes dryer (horizontal door dryer)

Advantages:

1. Modern design, sure.
2. It has various drying functions for each type of fabric.
3. High power drying clothes in short time.
4. Durable.
5. Drying a large amount of clothing 10 - 15 kg.

Defect:

1. The price is quite high from 5 million or more.
2. Cost of installation area.
3. Not yet widely used in Vietnam.

2. Cabinet or circular cage clothes dryer

This is the line of clothes dryers most commonly used in families in Vietnam because it has many great features integrated.

Advantages:

1. The price is about 1 million VND less.
2. Compact design, easy to install.
3. Drying a large amount of clothing 10 - 15 kg.
4. High drying capacity of fast-drying clothes.
5. Has a timer feature when drying.

Defect:

1. Slightly noisy when operating.
2. Less installation mode.
3. Unstable design with professional dryer.

Depending on the economic level, the size of the family and the need to use the features of a clothes dryer, you can choose the type of dryer to suit.

Which brand clothes dryer should I choose?

In order to help avoid buying the best quality fake and counterfeit goods, you should buy clothes dryers of reputable brands in the market such as Sunhouse, Tiross, KoriHome, Electrolux .

These are well-known brands in the market, selected by many families and received very good feedback from consumers, so you can feel secure.

Capacity

Clothes dryers are often equipped with high capacity, so they also consume a lot of electricity of the family. However, not only are you afraid of wasting electricity, but you also choose a low-power clothes dryer, the higher the capacity, the faster the clothes will be dry and more durable.

Above are the criteria to help you choose to buy a good and suitable clothes dryer. Hope will help you a lot.
