How to collect coins and Frost Crystals fast in Cookie Run: Kingdom, Coins are important currency in Cookie Run: Kingdom. This article will guide

Cookie Run: Kingdom is an action role-playing game combined with kingdom building. The game has recently gained popularity with more than 10 million downloads in the Google Play Store. In these types of base building games, players always need a steady source of money to develop the kingdom.

Besides other in-game currencies like crystals used to receive cookies from Gacha, coins play the most important role as they are used to place buildings, upgrade and generate other resources. The entire base building element of the game revolves around spending coins.

If you're looking to build gorgeous buildings but don't have enough money, follow this post for 5 tips and tricks on how to earn coins faster in Cookie Run: Kingdom.

## The 5 richest sources of coins in Cookie Run: Kingdom

The places and tasks players should focus on in Cookie Run: Kingdom to get coins faster are:

1. Story Mode – Story Mode
2. Fountain of Abundance – Fountains
3. Balloon Dock – Dock for hot air balloons
4. Tree of Wishes – Tree of Wishes
5. Bounty missions – Bounty missions and Tower of Sweet Chaos – Tower of Sweet Chaos

### Battles in Story Mode

Players can get a lot of coins just from playing and progressing through the story mode. Completing any mission in the story mode will also receive a worthy reward of experience points and coins.

## Fountain of Abundance

The Fountain of Abundance is considered one of the best coin supplies in the game. It gives players a lot of coins, XP and other gadgets every few minutes. This fountain upgrade offers even better rewards. When players lack coins to develop the kingdom, this is definitely the place to solve all problems.

## Balloon Dock

Balloon Dock allows players to deposit their cookies during adventures and in return will receive coins and XP as rewards. Since this is a fairly easy task, the player should always remember to use the Balloon Dock to send cookies to the expedition to ensure a steady source of coins and XP.

## Tree of Wishes

Tree of Wishes is one of the easiest and most effective sources of money. When people fulfill a cookie wish, they will receive a lot of coins as a reward. This method is extremely beneficial as it is a steady source of coin collection.

## Bounty missions and Tower of Sweet Chaos

Besides the above methods, players can also get coins from other smaller supplies. Bounty Missions and Tower of Sweet Chaos can provide gamers with the extra gold needed for minor upgrades and the like. Although they are not as abundant and stable as the Fountain of Abundance or Balloon Dock, but by accumulating more and more gold, people will have more gold to develop the Cookie Run: Kingdom kingdom to become prosperous and powerful.

## How to quickly collect Frost Crystals in Cookie Run: Kingdom

Cookie Run: Kingdom offers a large number of cute Cookie characters and so getting specific Cookies becomes quite a difficult task. To avoid player frustration and also errors when spinning with the game's gacha system, the game's developer - Devsisters, created a special event Legendary Gacha Pool where players can make turns spin gacha to get a specific Cookie.

The Frost Crystal Gacha is an example of such a special event. It allows the player to collect the Legendary level Cookie which is the Frost Queen. But to own this character, players need the event-specific currency: Frost Crystals.

Players will get 200 - 500 Frost Crystals by completing any of the missions listed below. The amount of Frost Crystals obtained is proportional to the difficulty of the quest.
