V. Summary

Among us - an attractive, novel fighting game with a style and gameplay similar to Werewolves. In the game, you will be randomly assigned to become the Crewmate - the brave crew that find the truth and rescue the ship. Or you will transform into Impostors - evil impersonators by all means destroy the ship and kill the good side to win.

At the beginning of the game, all players will gather in the cockpit and take on the ship repair mission through completing mini-games. Similar to the game Werewolves and Deceit, the party with the remaining members survives the game, wins.

Crewmate is the good side (or the Crew) in Among Us, Crewmate's goal is to complete the task (task) to repair the ship or find the Impostors to win.

I. Benefits

1. You proceed to repair the ship through completing missions to win the Crewmate faction.
2. Completing mini games (mini games) helps you win overall, at which point Impostor is no longer important.
3. Helps you easily capture the map position, the functions of each area such as camera, oxygen tank, battery

II. How to do the mission in the map The Skeld

Picture 1 of How to complete all tasks in Among Us for Crewmate

1. Swipe Card

Mission position: Admin.

Picture 2 of How to complete all tasks in Among Us for Crewmate

How to play

1. Swiping is a short task located in the admin room, on the right side of the central panel.
2. This quest requires players to take cards from their wallet and swipe across the device from left to right. However, you must be careful to swipe the card at the right speed. Because if the swipe is too fast or too slow, you will not complete the task and have to try again.

Picture 3 of How to complete all tasks in Among Us for Crewmate

2. Chart Course

Mission position: Navigation.

Picture 4 of How to complete all tasks in Among Us for Crewmate

How to play

1. To complete this quest, the player pulls the ship through a series of four points.

Picture 5 of How to complete all tasks in Among Us for Crewmate

3. Upload Data

Mission location

1. Starting position: randomly appear.
2. End position: Admin.

Picture 6 of How to complete all tasks in Among Us for Crewmate

Note: The location to start downloading data is not fixed, maybe at Cafeteria, Communications, Electrical, Navigation, or Weapons. To know exactly, you should follow the task reminders on the Tasks panel in the left corner of the screen.

How to play

1. The task will be assigned to a Crewmate and requires this person to download and re-upload data from 2 different locations in turn.
2. You will reach the starting position and wait for the data download to take about 8.5 seconds. Then the data must be uploaded in the Admin room, taking the same amount of time.

Picture 7 of How to complete all tasks in Among Us for Crewmate

4. Calibrate Distributor

Position: Electrical.

Picture 8 of How to complete all tasks in Among Us for Crewmate

How to play

1. Players to pass the task need to press the button to pair the rotating power supply at the right time, each "generator" has its own color and speed.
2. When the color lights of the 3 "generators" light up, you have completed the task. If you don't exactly match one of the three sources, you'll have to start over.

Picture 9 of How to complete all tasks in Among Us for Crewmate

5. Align Engine Output

Mission location: Either Engine.

Picture 10 of How to complete all tasks in Among Us for Crewmate

How to play

1. In this mission, the player must adjust and keep the direction of the engine by dragging and dropping the arrow so that the blue line matches the red horizontal line in the middle. After holding for a few seconds, the motor will align.
2. Players must align both engines in both upper and lower engine rooms to complete this task.

Picture 11 of How to complete all tasks in Among Us for Crewmate

6. Inspect Sample

Mission position: Medbay.

Picture 12 of How to complete all tasks in Among Us for Crewmate

How to play

1. At Medbay, the operator needs to press a button so that the machine begins to process five different test tubes. This process takes about 1 minute and the player can either do another task or check the security camera while waiting.
2. When the machine is finished processing the patterns, there will be four blue patterns and one red pattern. Players need to press the green button below the test tube to select the red pattern to and complete the

quest. If a blue pattern is selected, the task fails and has to be redone.

Picture 13 of How to complete all tasks in Among Us for Crewmate

7. Fuel Engines

Mission location: Storage.

Picture 14 of How to complete all tasks in Among Us for Crewmate

How to play

1. This quest requires the player to first go to the refueling station in the Storage chamber.
2. After taking fuel at Storage, the operator needs the engine above and below to conduct refueling for the engine.
3. Similarly, the player must refuel the Storage again after the first phase in order to complete the quest.

Picture 15 of How to complete all tasks in Among Us for Crewmate

8. Stabilize Steering

Mission position: Navigation.

Picture 16 of How to complete all tasks in Among Us for Crewmate

How to play

1. The person doing this task needs to drag the circle into the center of the panel so that its lines overlap the center cross.

Picture 17 of How to complete all tasks in Among Us for Crewmate

9. Empty Garbage

Mission location

1. Starting location: Cafeteria.
2. End position: Storage.

Picture 18 of How to complete all tasks in Among Us for Crewmate

How to play

1. This is a quest that requires players to empty trash from two different locations.

2. One is located in the Cafeteria room on the northeast wall. To empty the trash, players need to hold down the lever on the right hand side of the bin from top to bottom. And keep it until the trash has been completely emptied.
3. One is in the Storage room in the southeast room. The player also pulls the lever located on a lever near the outside door of the ship and holds it until the trash can empty. At this time, the door on the outside of the train will open. Throw all the trash away and you have completed the mission.

Picture 19 of How to complete all tasks in Among Us for Crewmate

10. Divert Power

Mission location

1. Starting position: Electrical.
2. End position: randomly appear.

Picture 20 of How to complete all tasks in Among Us for Crewmate

Note: The end position of the mission is possible in rooms such as Communications, Lower Engine, Navigation, O2, Shields, Security, Upper Engine, or Weapons. To know the exact location, you should keep an eye on the task reminders in the Tasks panel in the left corner of the screen.

How to play

1. This task consists of 2 phases: redirection and acceptance of power.
2. First, the person performing the task needs to the Electrical department. Then, drag the adjustment button on the corresponding panel slider upwards.
3. After the slider is raised, the player must find the position where the mission is to end and click on the fuse shape to allow the current to flow.

Picture 21 of How to complete all tasks in Among Us for Crewmate

Picture 61 of How to complete all tasks in Among Us for Crewmate

How to play

1. The person performing the mission just need to go to the Admin booth, find the starting location and click on the three red hexagons. So the mission is complete!

Picture 62 of How to complete all tasks in Among Us for Crewmate

IV. How to do the mission in the map Polus

Picture 63 of How to complete all tasks in Among Us for Crewmate

1. Boiler room duties

There are two missions in this room:

Open Water Way

Picture 64 of How to complete all tasks in Among Us for Crewmate

Turn the two valves counterclockwise to open them until the pointer fills up.

Replace the water bottle

Picture 65 of How to complete all tasks in Among Us for Crewmate

Press the button until the water tank is filled, then go to the Office to replace the empty bottle with the one you are carrying.

Communication task

There is only one task in this room, Restart Wifi. You have to go to the Communications room and rotate with the router in the back. Just flip the switch down, wait a minute and flip it over. You can go to other jobs while you wait and come back later to complete the wifi restart process.

Picture 66 of How to complete all tasks in Among Us for Crewmate

2. Dropship missions

There are two quests here, one of which is a joint quest.

Chart Course

Picture 67 of How to complete all tasks in Among Us for Crewmate

Simply drag the ship along the dotted line until you reach the end.

Key Plug (General)

Picture 68 of How to complete all tasks in Among Us for Crewmate

Drag your key to the left into the highlighted position and then rotate it 90 ° clockwise to complete the task.

3. Electrical Task

There are two quests here, one of which is a joint quest.

Download / Upload Data

You just need to scroll to the designated room, interact with the highlighted table and click "download" to download the data. Then, run to Communications department to upload the data following the same procedure.

Wire Repair (General)

Picture 69 of How to complete all tasks in Among Us for Crewmate

You have to go to the designated room and interact with the marked board to start fixing the ropes. To complete the task, you need to drag the strings on the left to their respective color on the right. You have to repeat this a total of three times in different rooms throughout Polus.

4. Laboratory Task

There are three missions in this room:

Repair Drill

Picture 70 of How to complete all tasks in Among Us for Crewmate

Just click on the red boxes multiple times until they disappear completely.

Align the Telescope

You need to drag the focus of the telescope to the element shown in the image in the lower right.

Picture 71 of How to complete all tasks in Among Us for Crewmate

Temperature Adjustment

Using the arrows on the panel, you need to adjust the numbers on the left to match the numbers on the right.

5. MedBay Tasks

There are two tasks here, one of which is tasks that people can observe while you are on a mission.

Scan (Intuitive)

Picture 72 of How to complete all tasks in Among Us for Crewmate

To complete the process, you simply need to interact with the scanner and let it finish. Other players can watch you scanned and this will prove your innocence.

Inspect Sample

To get started, click on the green button and then wait for 90 seconds. Once you get back, you need to click on the template with a different color from the rest. Just like with the "Restart Wi-Fi" task, you can do something else while you wait.

Picture 73 of How to complete all tasks in Among Us for Crewmate

Picture 74 of How to complete all tasks in Among Us for Crewmate

6. Mission O2

There are four missions in this room:

Download / Upload Data

You just need to scroll to the designated room, interact with the highlighted table and click "download" to download the data. Then, run to Communications department to upload the data following the same procedure.

Empty Garbage

Picture 75 of How to complete all tasks in Among Us for Crewmate

Using the right lever, hold it down until the trash tray is empty. You need to hold it down until you are completely clear, otherwise you will not complete the task.

Monitor Tree

Picture 76 of How to complete all tasks in Among Us for Crewmate

Interact with the tree and drag the sliders to match the dotted lines.

Fill the canister

Picture 77 of How to complete all tasks in Among Us for Crewmate

Pull the oxygen canister from the top down into the tray. The box will automatically connect and begin to fill. Repeat this process twice to complete the task.

7. Office Tasks

There are three quests here, one of which is very popular with the majority of players:

Swipe

Picture 78 of How to complete all tasks in Among Us for Crewmate

Pull your keycard from the wallet at the bottom and over the card reader to scan the card. You need to swipe it just right; If you do it too quickly or too slowly, you will fail and have to try again until you get it right.

Download / Upload Data

You just need to move to the designated room, interact with the highlighted table and click "download" to download the data. Then, run to Communications department to upload the data following the same procedure.

Scanning Boarding Passes (Common)

Picture 79 of How to complete all tasks in Among Us for Crewmate

Click the yellow arrow to grab your boarding pass and flip it, then drag the card over the reader to scan.

8. Outside mission

There are seven quests in this zone, although six of them are identical:

Fix Weather Node

Picture 80 of How to complete all tasks in Among Us for Crewmate

There are six possible buttons for this mission, all of which take place outside the map. The task here is very simple: Drag the yellow dot from the beginning of the maze to the end without making any mistakes. If you go to a dead end, you'll need to start over. After completing the maze, you must go to the Lab and interact with the control panel to reactivate the button you just fixed.

Recording temperature

Picture 81 of How to complete all tasks in Among Us for Crewmate

Using the arrows on the panel, you need to adjust the numbers on the left to match the numbers on the right.

9. Spicemen Room Task

There are four quests here:

Start the reactor

Picture 82 of How to complete all tasks in Among Us for Crewmate

To start the reactor, you have to repeat the sequence of lights displayed on the left panel using the right keyboard.

Download / Upload Data

You just need to move to the designated room, interact with the highlighted table and click "download" to download the data. Then, run to Communications department to upload the data following the same procedure.

Unlock Manifolds

Picture 83 of How to complete all tasks in Among Us for Crewmate

To complete this task, you just need to click on the numbers in ascending order.

Store Artifacts

Picture 84 of How to complete all tasks in Among Us for Crewmate

This task is very simple; You just need to drag the samples on the left into the corresponding slots.

10. Storage Task

Picture 85 of How to complete all tasks in Among Us for Crewmate

There is only one mission here, the Fuel Engine. You need to go to the Storage Room, fill a fuel box by holding the button until it is full, then go to the rightmost engine on the lander to refuel. Repeat the process for the leftmost engine and you're done.

11. Weapon Tasks

There are two tasks here, one of which we can see when someone else is on a mission:

Shoot asteroids (Intuitive)

Picture 86 of How to complete all tasks in Among Us for Crewmate

After interacting with the screen, you need to click the asteroids as they fly across the screen to destroy them. You need to destroy a total of 20 asteroids to complete the mission. This quest is intuitive, meaning other players can watch you complete. The visual aspect is the laser turret outside the Weapons room, where a laser can be seen while the player is on a mission.

Download / Upload Data

You just need to move to the designated room, interact with the highlighted table and click "download" to download the data. Then, run to Communications department to upload the data following the same procedure.

V. Summary

Above are all the quests and mini-games that you will likely have to complete as a Crewmate. Hope with information about the location and how to play the missions in the game Among Us will help you quickly repair the ship, find out the fake and win the final. Have a great time playing the game!
