

How to convert PDF files to doc or docx files with Zamzar online

Zamzar is an application that converts online file formats, including PDF files. We can convert PDF files to doc file format or docx easily.

Using PDF files will allow users to enhance the file security, when others are unable to edit directly in the file, but through some software such as Acrobat, Adobe Reader, or most commonly Foxit Reader. Therefore, there is a lot of tendency to convert PDF files to some text formats such as doc or docx. In addition to the software to convert PDF files installed on computers, we can also use online applications for free, such as Zamzar online service.

Zamzar supports the conversion of many file formats, even videos. In the article below, Network Administrator will guide you how **to convert PDF files to Word** with doc or docx format using the Zamzar application online.

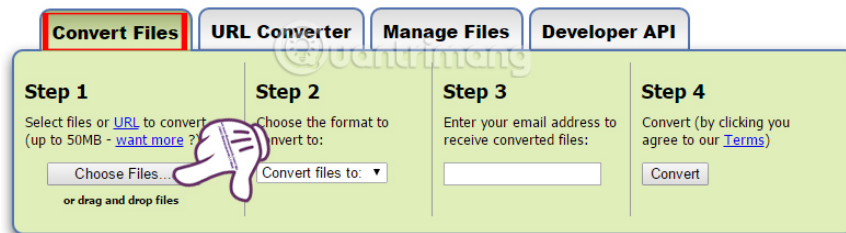

Step 1:

First of all, users will visit the Zamzar application's home page online by following the link below.

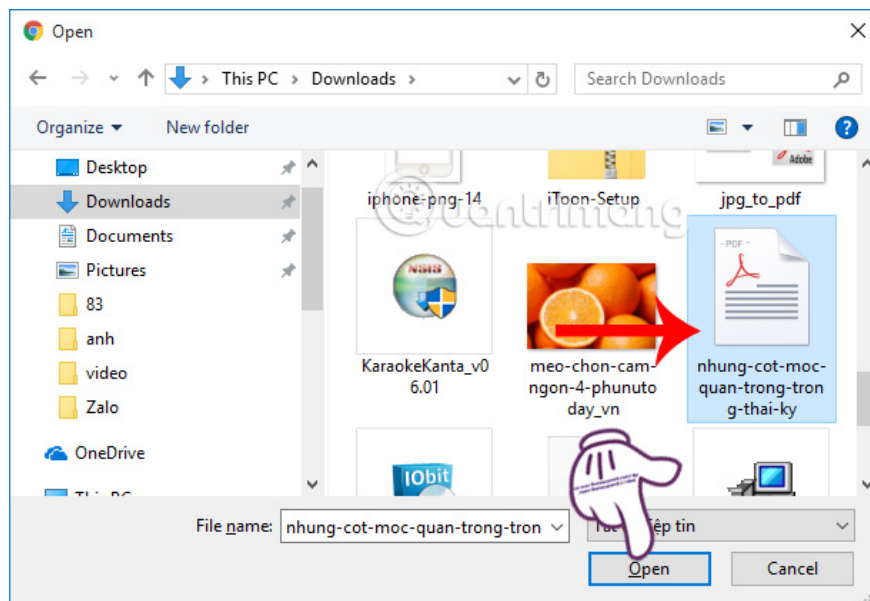

1. Zamzar converts PDF files online

Step 2:

At Zamzar's home page interface, we will see an application that supports users to download files in two ways, download files directly from the computer Convert Files, or via the URL link of the file. Here, I will choose how to use the file already available in the computer. Click on **Choose Files**.

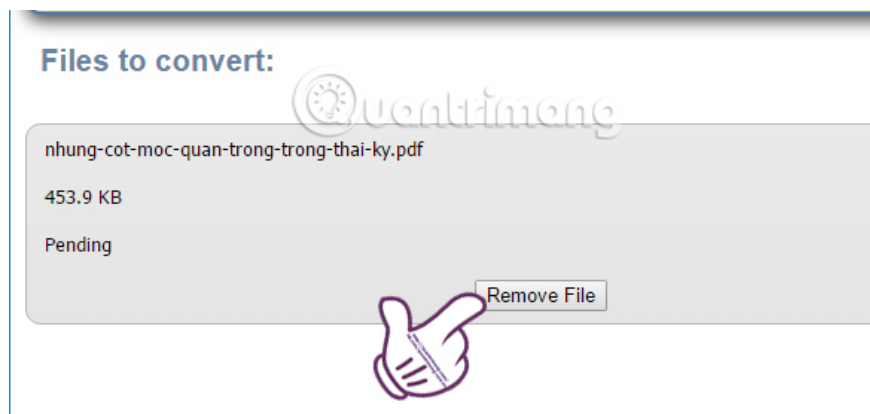

Next comes the folder interface on the computer. Click on the PDF file you want to convert, and click **Open**.

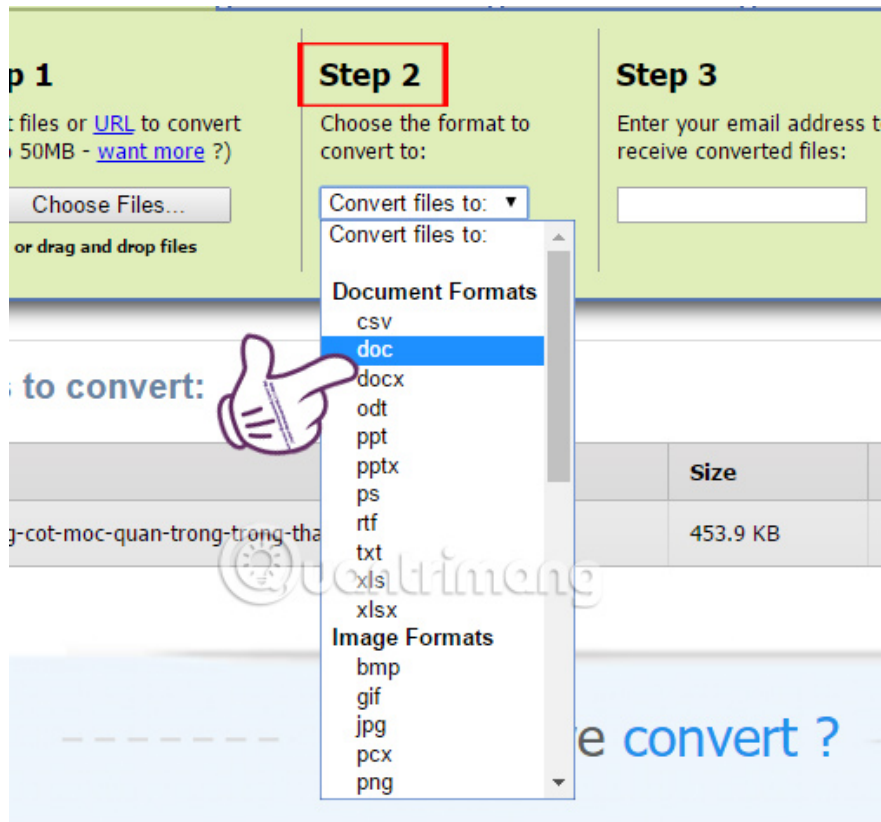

Step 3:

Zamzar will upload the file to the homepage. If you want to convert another PDF file, click **Remove file** to remove the selected file.

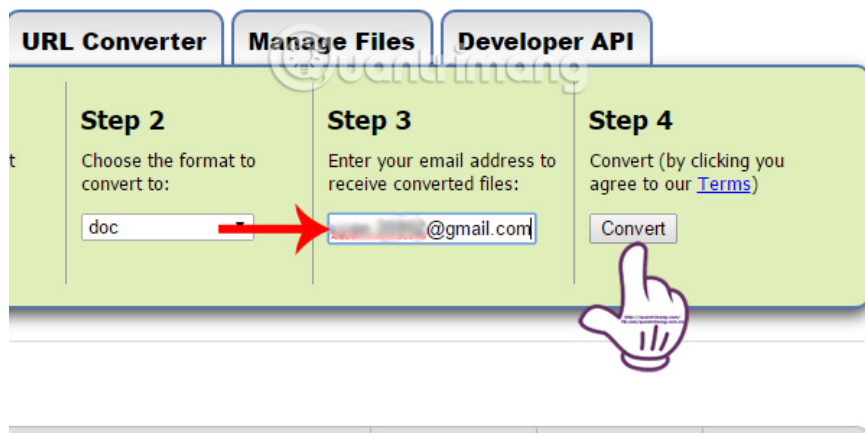

We return to Step 2 on Zamzar's interface. Next, users will **select the file format to convert from PDF file**. Here will be the doc or docx text format.

Step 4:

After that, the user will **enter the email address** to Zamzar will send the link to download the PDF file after converting to a doc file or a successful docx. Finally click the **Convert** button in Step 4 to proceed to convert the PDF file.

Step 5:

Users need to wait for the PDF file conversion process to complete the Zamzar application online. Then, open the registered email before to receive the text file download link.

Files uploading:

33% complete. About 4 seconds left.

Like 52K

File	Size
nhung-cot-moc-quan-trong-trong-thai-ky.pdf	453.9 KB

In the email interface sent from Zamzar, the reader click on **the green link** to download the text file. Note to users, the conversion file will exist within 24 hours, from the time the user clicks on the email sent from Zamzar.

In less than a minute and you'll get:

- Faster conversions (usually delivered in less than 5 minutes)
- Larger conversions - up to 2GB in size
- Personal inbox to manage and store up to 100GB of your files
- Your files will no longer expire after 24 hours
- No intrusive adverts
- And much more ...

Now you just need to use the text file reader tool and you can edit the content freely.

A screenshot of a web-based text editor interface. The top bar includes a "Writer" logo, a "Sign in" button, and various utility icons. Below this is a ribbon menu with tabs for "Home", "Insert", "Page Layout", "References", "Review", "View", "Section", and "Special Features". The "Home" tab is active, showing options for "Paste", "Copy", "Format Painter", and text formatting tools like bold, italic, underline, and font color. The main editing area contains Vietnamese text with a "Quantrimang" watermark. The text discusses pregnancy and fetal development. Below the text is a section titled "1. Lần đầu mẹ được biết về con" followed by an image of a fetus in a womb. The bottom of the interface shows a page number "Page Num: 1" and "Page: 1/3", along with a zoom level of "100%".

With extremely simple and completely free operations, users now have a doc or docx text file converted from a PDF file using the Zamzar application online. Also, you can convert any format on the free Zamzar service.
