

How to craft chains in Minecraft 1.20

The Minecraft 1.20 update brought many new and exciting features to this blocky world. One of them is the Chain item, perfect for personal decoration. Let's explore with Taimienphi how to craft chains in Minecraft 1.20 and how to use them.

With chains, you can create hanging signs, hang bells, lanterns, or even walk on extended chains in Minecraft 1.20. To craft chains in **the Minecraft 1.20 update**, you can follow the simple steps below.

How to craft and use chains in Minecraft 1.20

I. Uses of Chains in Minecraft 1.20

To use Chains in Minecraft 1.20, you must hold the item in your hand and click where you want to place it. Chains can be placed vertically or horizontally and suspended in the air. With Chains, you can make hanging signs, hang decorative lanterns indoors, or place them horizontally to create bridges and walk on them.

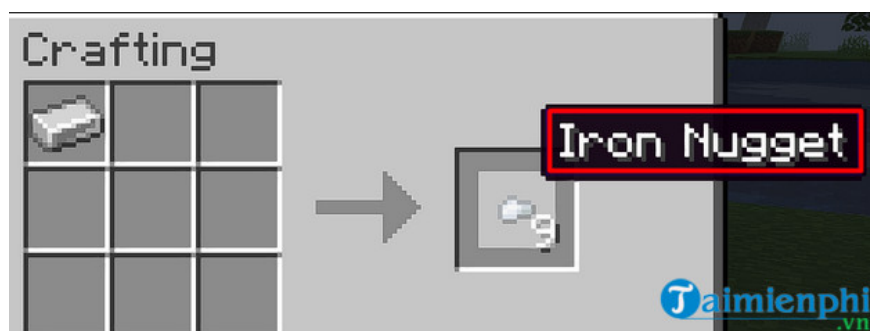

II. How to craft chains in Minecraft 1.20

To craft chains in Minecraft 1.20, you will need 2 Iron Grains and 1 Iron Ingot. To obtain these materials, you need to mine iron ore and melt it in a furnace to obtain iron ingots.

Next, to craft Iron Beads, you need to place 1 Iron Bar on the Crafting Table to craft 9 Iron Beads.

Step 1: Open the Crafting Table in Minecraft.

Step 2: Place 1 Iron Bar and 2 Iron Beads into the crafting slots. To craft a chain, you need to place the materials in the correct order. In the first row, place 1 Iron Bead in the middle slot. In the second row, place another Iron Bar in the middle slot. Finally, in the third row, place another Iron Bead in the middle slot. This is the recipe for crafting a chain in Minecraft.

Step 3: After successfully crafting the chain, you can pull the item back to your inventory to use it.

3. Finding Chains in Minecraft 1.20

You can also find chains in nature in several locations in the Minecraft world, such as in the Nether, around fortresses, and in mineshafts. Additionally, chains will appear in mines or near bridges. You can mine these items using a pickaxe in Minecraft 1.20.

In summary, TipsMake has introduced gamers to the simplest and easiest crafting methods in Minecraft 1.20. We hope you can create new and innovative decorations with this special item. We hope this information is helpful to our readers.
