

# How to create a Booyah! Live account

How to register and create a BOOYAH! account allows users to follow idol livestreams, tournament matches, and eSports news. By registering a Booyah! account to watch livestreams, you also receive many in-game gifts.

**Booyah! Live**, a platform for sharing game videos and clips, along with exciting game live streams from top game idols, officially launched on July 1st, 2021, under the umbrella of Garena International I Private Limited. This multi-platform gaming application allows gamers to find content from leading games like **Arena of Valor**, **League of Legends**, **FIFA Online 4**, and more, receive gifts from watching idol live streams, and have the opportunity to become streamers, share their own game clips, and earn money.

If this is your first time discovering the Booyah! live platform, you should quickly download it, create a Booyah! live account, and experience the amazing features this app offers.

**Instructions on how to register a Booyah! Live account and livestream Garena games.**

## *How to create a Booyah! Live account*

Currently, you can create a Booyah account using two methods: registering via phone or computer. Here are the details for each method:

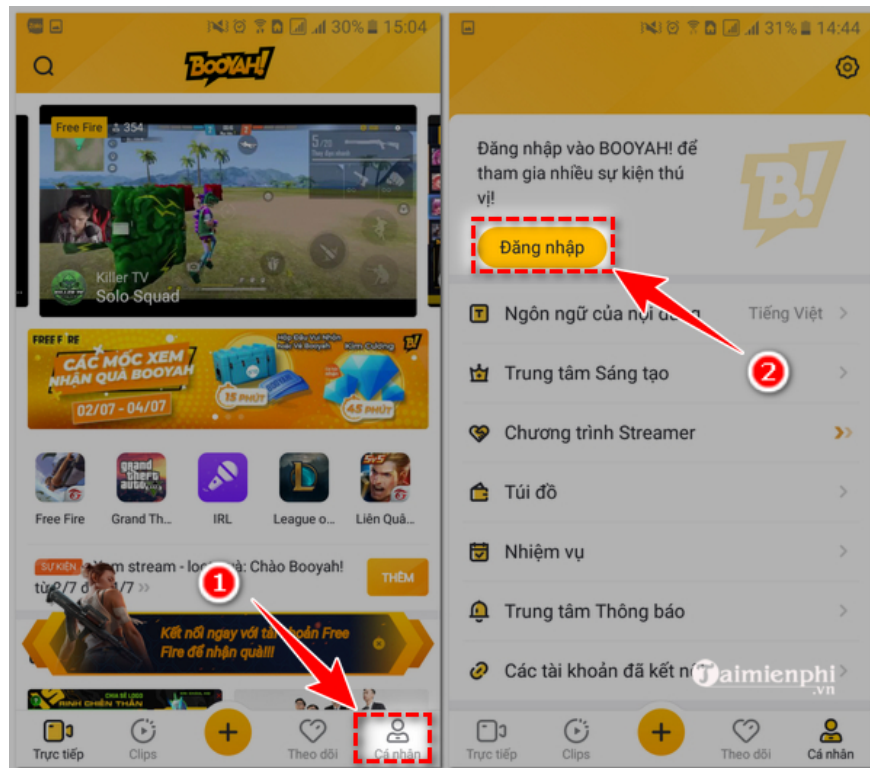

### *1. How to create a Booyah! account on your phone*

**Step 1 :** Download and install the Booyah! app on your phone

- Download link for Booyah for Android
- Download link for Booyah for iPhone

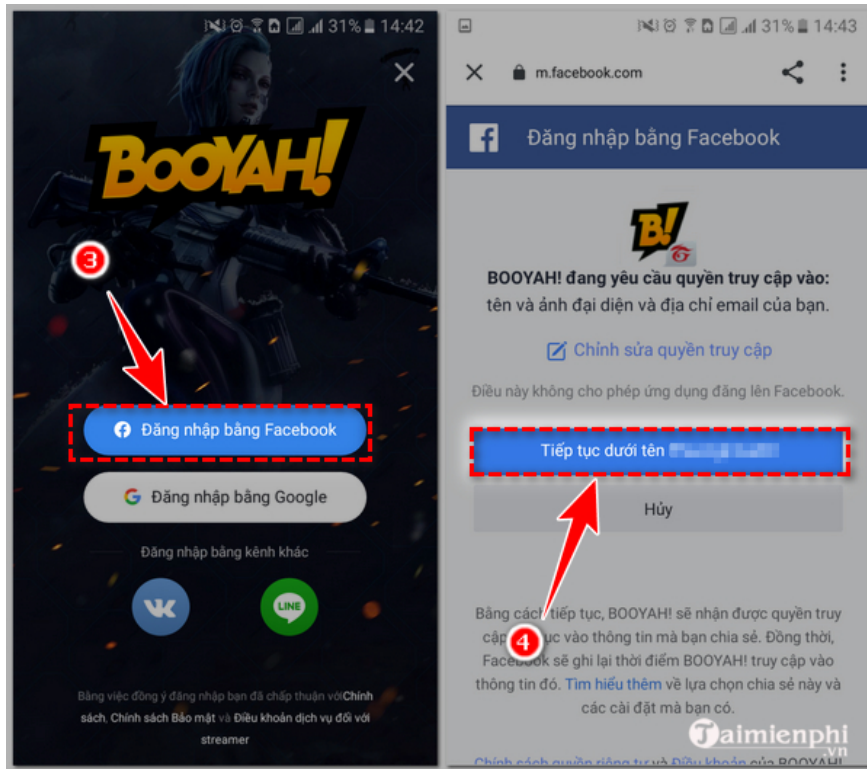

If you are unable to download Booyah using the two links above, it's likely you're on the publisher's restricted download list. In this case, you can download the Booyah APK for your phone. Detailed instructions on how to download the Booyah APK have been shared in the article "How to download and install Booyah APK," please refer to it.

**Step 2:** Open the Booyah! app on your phone, tap the " **Personal** " button, and then select " **Log In** " .

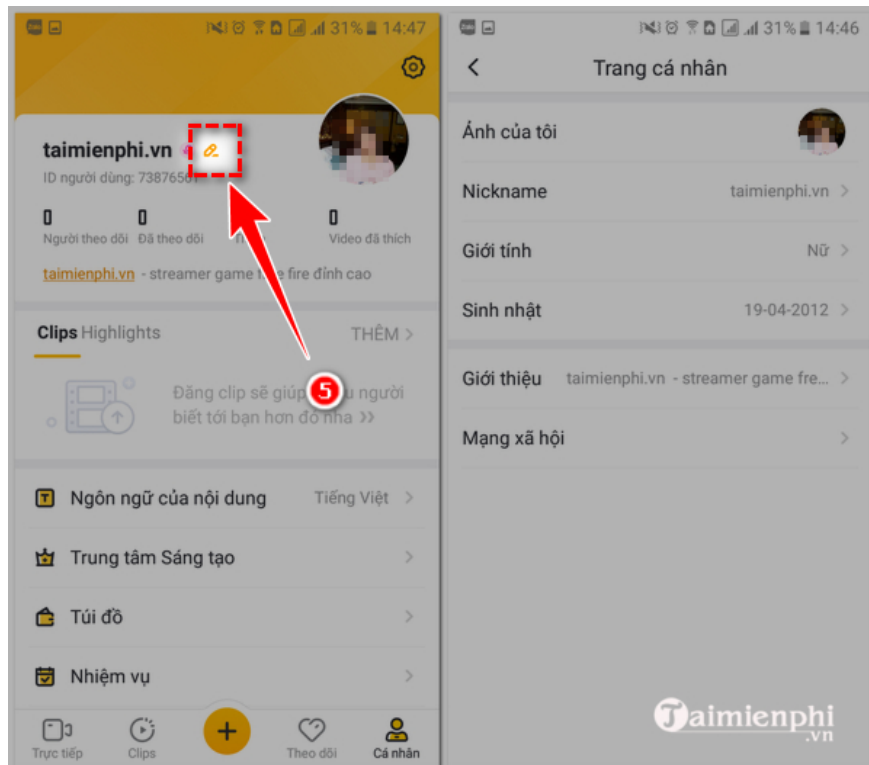

**Step 3 :** Booyah! allows you to log in using two main account types: Facebook or Google. Additionally, you can also choose to log in using your VK or personal Line account. Choose the login method that you most frequently use.

Here, TipsMake chooses to log into Booyah using your personal Facebook account. On the Facebook login screen, select " **Continue as ABC** ", where ABC is your personal Facebook name.

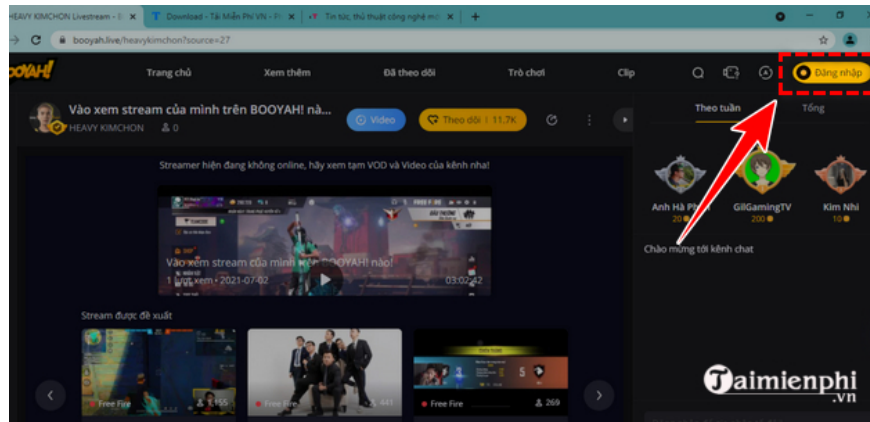

**Step 4:** Fill in your personal information on your profile page, including your nickname (your Booyah account name), gender, date of birth, profile description, and social media profiles (link your Facebook, Instagram, Twitter, and YouTube accounts).

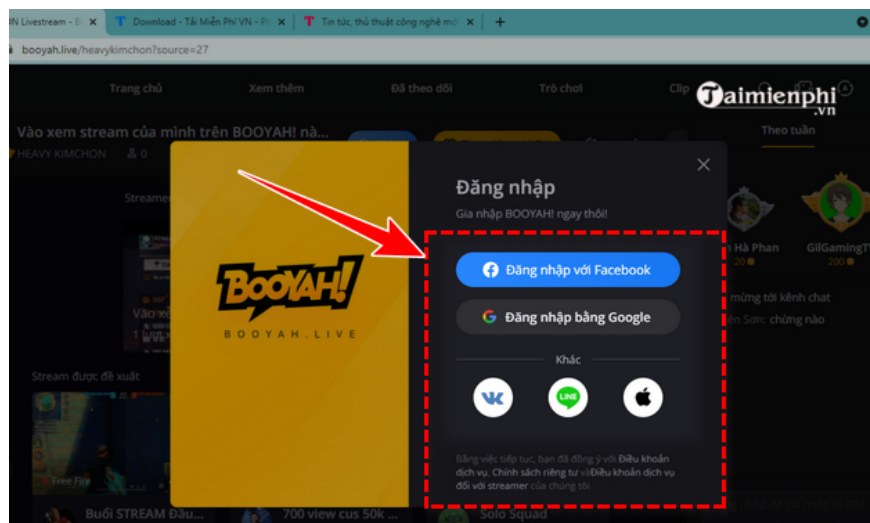

## 2. How to create a Booyah! account on a computer

To register a Booyah account on a computer, you need to follow these steps:

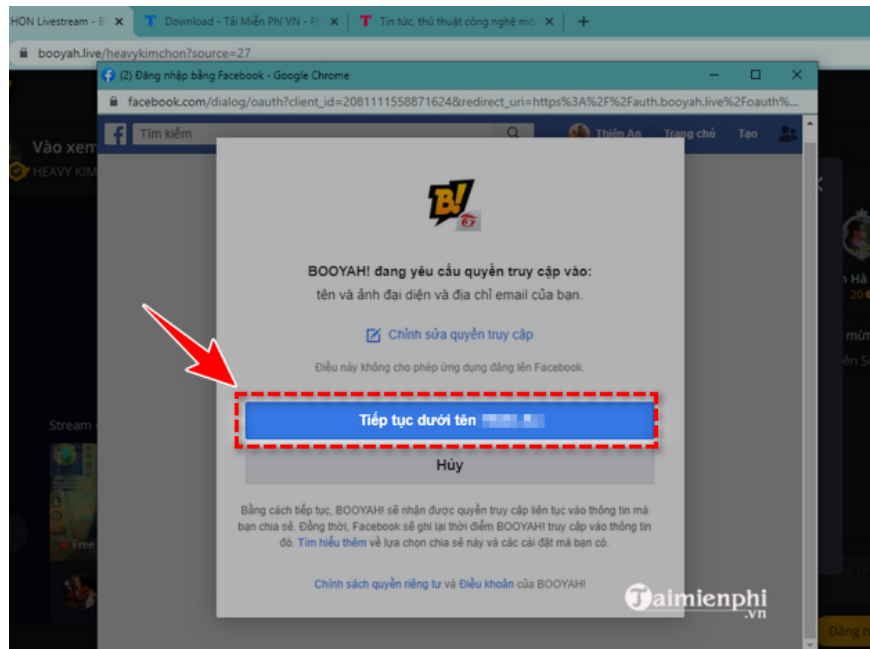

**Step 1:** Access the website booyah.live and click "login". Click here for quick access.

**Step 2:** Choose your frequently used Booyah! login channel: log in via Facebook/Gmail/VK/Line/Apple ID. Here, TipsMake continues to choose logging in with a Facebook account.

**Step 3 :** Enter your Facebook account and password, then click " Continue as ABC ", where ABC is your personal Facebook account name.

**Step 4** : After successfully logging into Booyah!, Booyah! will automatically use your Facebook/Gmail/VK/Line profile picture as your Booyah! profile picture. Now you can start experiencing the features Booyah offers!

In summary, TipsMake has just shown you how to register for Booyah!, how to create a Booyah account quickly and easily. You can use the instructions in this article to create a livestream account on Booyah and watch and update videos, top-tier game matches, and receive many free items from the live streams of your favorite game idols.

Free Fire is one of the most frequently livestreamed games on Booyah!, however, before you can livestream, you need to know how to connect your Free Fire account to BOOYAH! Live. Details can be found here:
