

# How to create a free online Christmas card

One of the familiar images in every Christmas season is Santa Claus with a long white beard and red clothes that carry away the gift bags for the children. It will be meaningful if you make a card with the picture of the person you love in the costume of Santa Claus to give it in lieu of a happy Christmas to that person. Please refer to our way below.

Making an online Christmas card is a way to show your love to those who love. One of the familiar images in every Christmas season is Santa Claus with a long white beard and red clothes that carry away the gift bags for the children. It will be meaningful if you make a card with a picture of the person you love in Santa's costume to give in lieu of a happy Christmas to that person. Please refer to our online Christmas card maker below.

Before you start creating Christmas cards, you need to prepare the pictures you want to put on your card.

**Step 1 :** Visit the **Santa Yourself** website and press **Start** to get started

**Step 2 :** When the **Select your photo** interface appears, select the picture you want the most (maximum size of 2MB) by clicking **Choose** . Then click **Next** to move to the next step.

**step 1** ..... step 2 ..... step 3

**Select Your Photo**

Choose a photo with your face (JPG type) from your PC and click NEXT. Wait until it uploads (it may take some time). Max file size is 2MB. Your photo will resized if the height is over 640px.

**Step 3** : In the next window, align the face of the photo by dragging the slider and writing the greeting as instructed below. Then, click **Next** to continue.

1. Photo stretch
2. Rotate photos
3. Move photos
4. Write wishes

**Step 4** : You will be given a preview of your card. If you want to edit, click **Edit** and if you are fine, click **Send card to your friends** .

Preview your dancing Santa card!

**Step 5 :** Copy the link below to send to friends or share on Facebook, Twitter.

Thus, in just 5 simple steps, you have created a personalized Christmas card to give to your loved ones.

1. Create Christmas cards in Photoshop
2. Make a Christmas card with Fotojet
3. How does Christmas snowman animation effect?
