These Vieon profiles you can use to edit with information such as viewing age, profile picture, gender and pin... Here's how to create a separate Profile for Vieon users.

VieON is an application for you Live TV programs, Movies, Entertainment TV shows, movie shows for Vietnamese people. Currently, Vieon has many account packages for users to choose from to suit their usage needs.

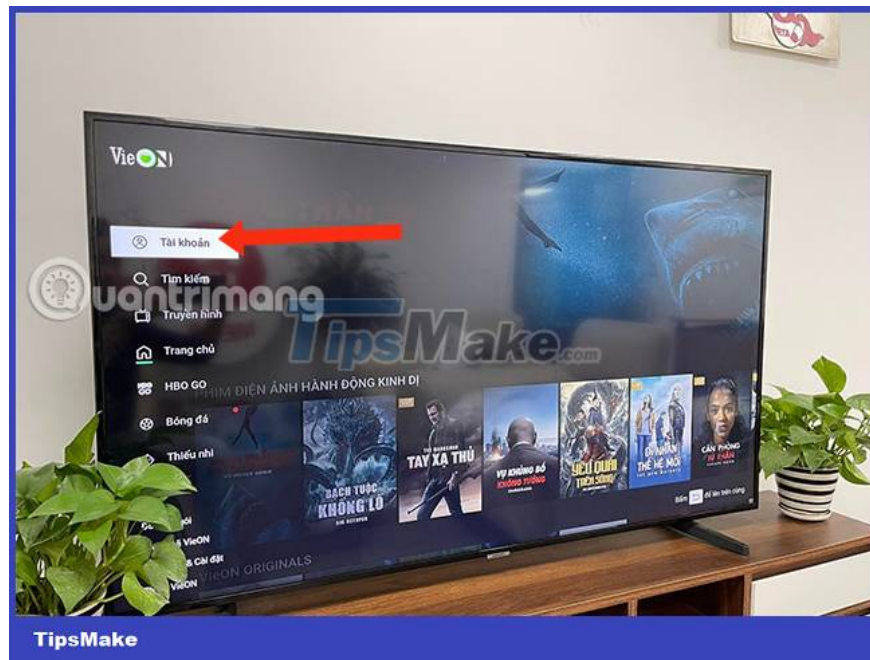

You can buy an account package that suits your needs, along with creating profiles for your family members. These profiles you can use to edit with information such as viewing age, profile picture, gender and pin. Here's how to create a separate Profile for Vieon users.

## How to create a Profile for Vieon users, share tk Vieon

**Step 1:** Select Vieon app in your app list.

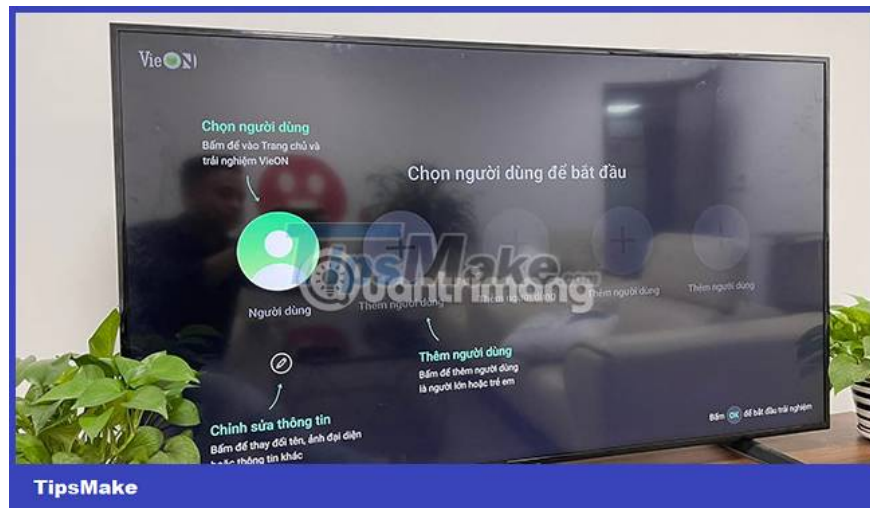

**Step 2:** Select Account in the feature list.

**Step 3:** Log in to your account that you have registered with Vieon.

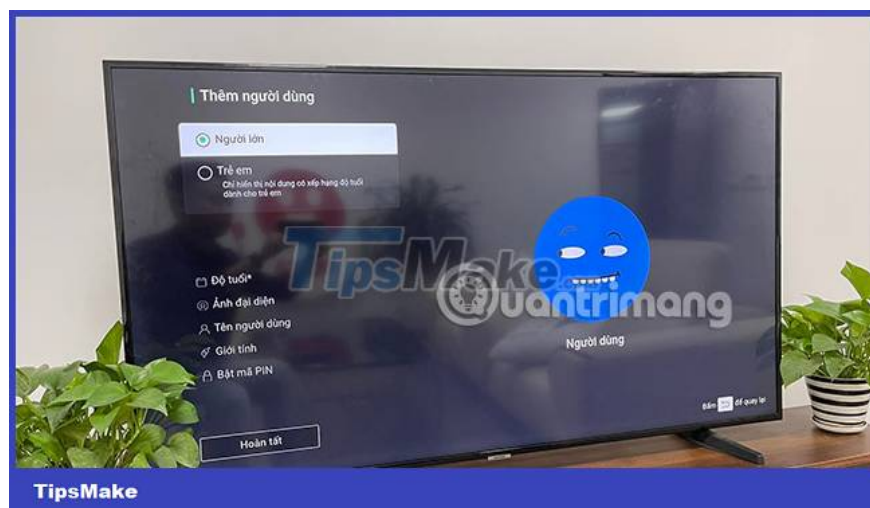

**Step 4:** After you have logged into your account, you will be prompted to create Profiles for the users in the house. Click Ok to create the profile.

Step 5: Select Add user.

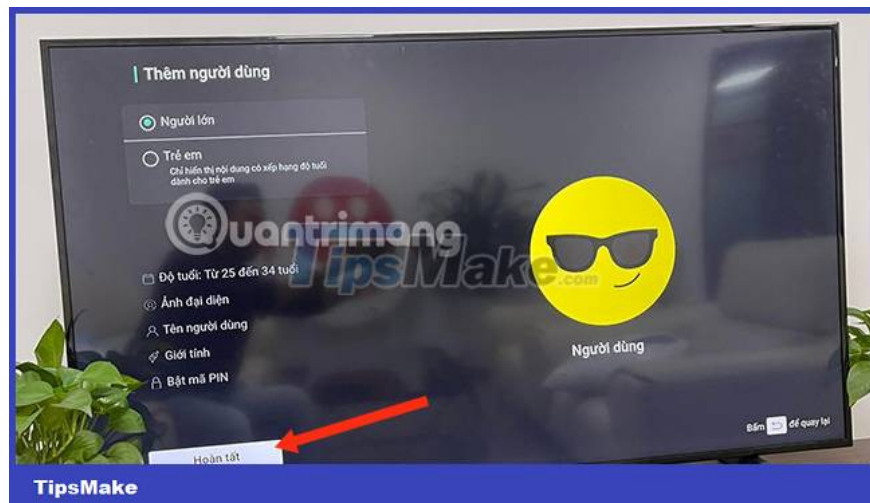

Step 6: Here you will create the user information in the next interface. Select Adult or Child in the first section, if you choose Children, the content viewed in this Profile will be exclusively for Children.

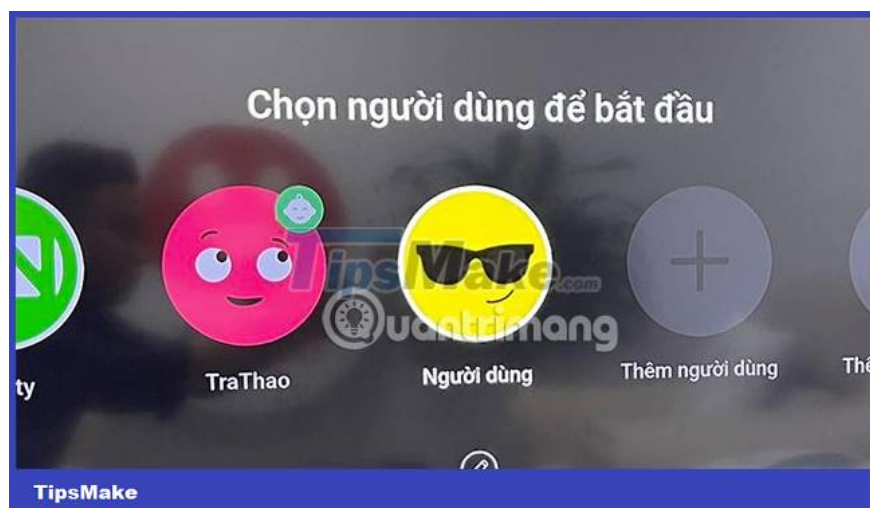

**Step 7:** Choosing a gender will also make the viewing content of the Profile different.

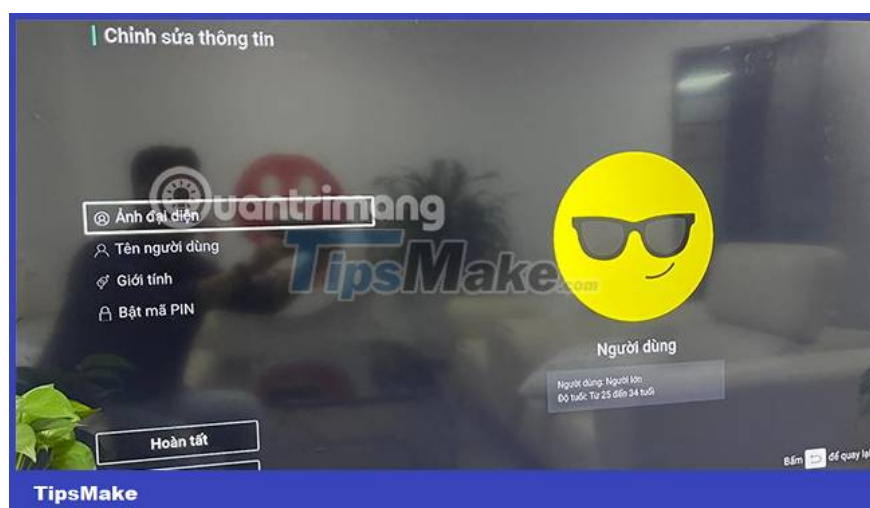

**Step 8:** When you have completed the content for the Profile, select Finish to complete the Profile creation.

**Step 9:** Return to the main screen interface, you will see the profile has been created with the avatar you selected. Select the pen icon below to edit the content if you want.

Each Profile will record the viewing habits of Vieon users' own movies and programs. For example, a house with TVs in the living room and bedroom, it will be very convenient for users to create a separate profile for each TV.
