

# How to create a Truth Social account, a new social network.

Former US President Donald Trump recently announced a new social media platform called Truth Social, with a beta version set to launch in November 2021. In this article, we'll show you how to register for a Truth Social account to access the platform when the beta version is released.

According to a press release circulating online, Trump Media and other companies such as Digital World Acquisition Group and Technology Group have launched a new social media platform called Truth Social, which will be led by former US President Donald Trump. This could be a challenge to social media platforms like Facebook and Twitter.

**The simplest and fastest way to create a Truth Social account.**

**Article contents:**

- 2. How to create a Truth Social account on iOS/iPhone .**
- 3. How to register a Truth Social account on Android .**

## ***1. How to create a Truth Social account on a computer***

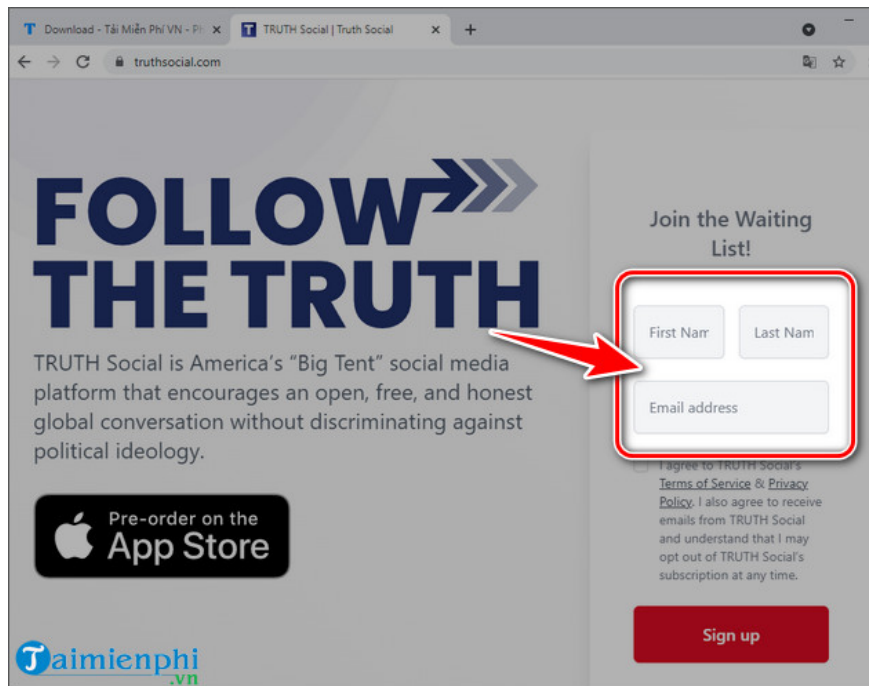

*Step 1:* Access the Truth Social homepage via the link **HERE**.

*Step 2:* On the initial screen, enter **your full name** and **email address** in the blank fields:

- **First Name:** Enter your first name

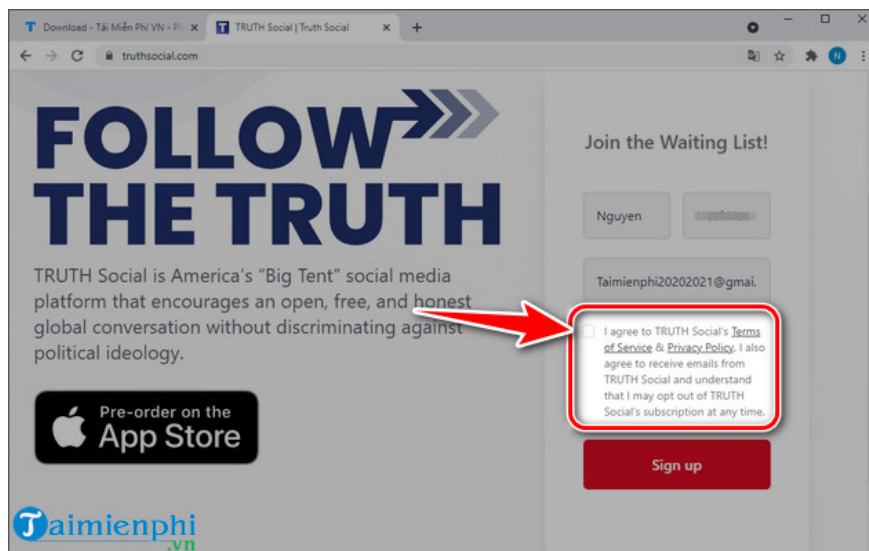

- **Last Name:** Enter your last name

- **Email Address:** Enter the email address you used to register your Truth Social account (use this to log in to the Truth Social social networking platform later).

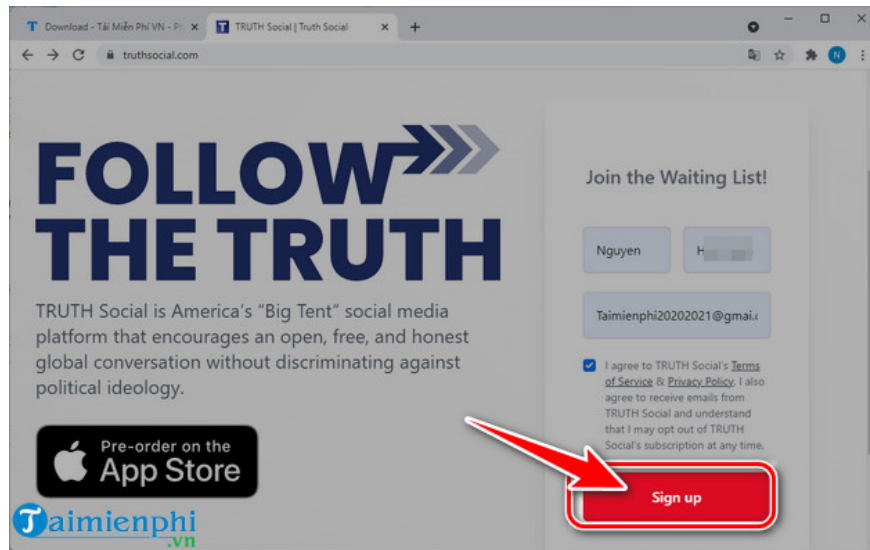

The screenshot shows the Truth Social website's registration page. On the left, there is a large heading "FOLLOW THE TRUTH" with a red arrow pointing to the right. Below it, a paragraph describes the platform as America's "Big Tent" social media platform. A "Pre-order on the App Store" button is visible. On the right, under the heading "Join the Waiting List!", there is a registration form. The form has three input fields: "First Name", "Last Name", and "Email address". A red box highlights these three fields, and a red arrow points from the "FOLLOW THE TRUTH" heading towards the form. Below the form, there is a checkbox for "I agree to TRUTH Social's Terms of Service & Privacy Policy. I also agree to receive emails from TRUTH Social and understand that I may opt out of TRUTH Social's subscription at any time." and a red "Sign up" button.

*Step 3:* After entering the information, check **the box "I agree to TRUTH Social's Terms of Service & Privacy Policy."** to agree to the terms and policies of the publisher.

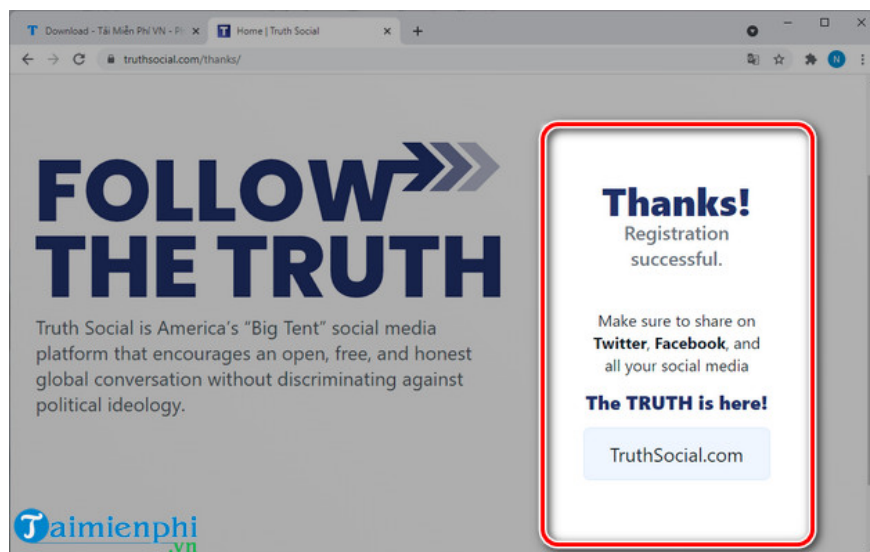

This screenshot shows the same registration page as the previous one, but with the registration form filled out. The "First Name" field contains "Nguyen" and the "Email address" field contains "Taimienphi20202021@gmail.". The checkbox for "I agree to TRUTH Social's Terms of Service & Privacy Policy. I also agree to receive emails from TRUTH Social and understand that I may opt out of TRUTH Social's subscription at any time." is now checked. A red box highlights the checked checkbox, and a red arrow points from the "FOLLOW THE TRUTH" heading towards the checkbox. The "Sign up" button remains visible at the bottom.

*Step 4:* Click the red **Sign Up** button located below.

*Step 5:* A "**Thanks! Registration successful**" message will appear, meaning you have successfully created a Truth Social account. Now, just wait for Truth Social to send you a notification with a link to join the Beta version.

*Step 6:* Once you receive a confirmation **email from Truth Social**, click **the link inside the email** and create a **password** for the Truth Social account you created in the previous steps.  
**- Note:** The Truth Social email may take longer to arrive than expected, possibly due to system congestion caused by a high volume of registrations or time zone differences. Please be patient and wait.

## ***II. How to create a Truth Social account on iOS/iPhone***

Currently, Truth Social is only available to users in the US. Therefore, if you want to download and install Truth Social on iOS, you need to change your App Store region to the US. The specific steps are as follows:

*Step 1:* Change your **App Store region to the US** (see link below).

*Step 2:* Click the link below, **download and install Truth Social** on your iOS phone.

- iOS download link: Truth Social for iPhone

*Step 3:* Open the **Truth Social** app on your phone and tap **Get Started** .

*Step 4:* Enter **your full name and email** address in the blank fields => tap **Next** .

*Step 5:* A **verification code** will be sent to **the email address** you entered above. Enter the code here to begin the password creation process.

*Step 6:* Enter your **Truth Social** account **password** that you will use each time you log into the app => tap **Next** to complete your Truth Social account registration.

### ***III. How to register a Truth Social account on Android***

Currently, the Truth Social app **is only available on the App Store** for iOS users. Android users will have to wait for an announcement from the publisher; there is no information yet on when Truth Social will be released for the Android platform. Taimienphi will update information and registration instructions for Truth Social as soon as it becomes available on Android.

Registering for a Truth Social account is much simpler than for Facebook or Instagram. Users don't need to provide a lot of personal information when creating an account, and it's not as strict as Facebook, even though Truth Social is still in the testing phase.
