

How to create a vote on the chat group Zalo phone

Zalo on Android, iOS has the ability to create polls to survey opinions of people in the same chat group.

In order to help the chat group Zalo easily exchange information, comments, features to create voting tables, survey opinions have been updated on Android Zalo, Zalo.

Creating a poll on the phone **Zalo** is the same as when you create a poll on the Zalo PC, we also need to enter the content of the question and the answer options for the members to choose. With this way, the team members will easily follow the comments when discussing a certain issue, without spending time chatting on Zalo. The following article will guide you how to create a vote for the chat group on Zalo.

1. Instructions to delete and revoke messages on Zalo
2. Instructions to cancel your friend Zalo on your phone, computer
3. How to call video call on Zalo PC

Instructions to create a vote on the Zalo chat group

1. Download Android Zalo
2. Download Zalo for iOS

Step 1:

You open the chat group interface on Zalo to create a poll survey, then click **the plus icon** in the chat frame. Next click on the **voting chart icon** as shown in the picture.
