

How to create an avatar chibi Facebook with Unnie doll

To create a Facebook chibi avatar, we can use the app on the phone.

If we used to create Facebook avatars, we only have the option to use still images. Now, however, you have many options to refresh your Facebook avatar, such as using a video to make a Facebook avatar, creating a Facebook avatar frame, or using applications to style Facebook avatar.

Unnie doll is a chibi-style Facebook profile application. Especially the application also divided into male and female users, to provide various chibi design options. The following article will show you how to create a chibi avatar image for Facebook.

1. Manually create a Facebook Avatar image with 5 online applications
2. How to protect your Facebook profile picture
3. How to create an avatar image and Facebook cover photo match

Guide to creating a chibi Facebook profile photo

Step 1:

The application will have 2 versions of Oppa doll for men and Unnie doll for women. You choose to download according to the operating system used.

1. Oppa doll (Male) Android
2. Unnie doll (Female) Android
3. Oppa doll (Male) iOS
4. Unnie doll (Female) iOS

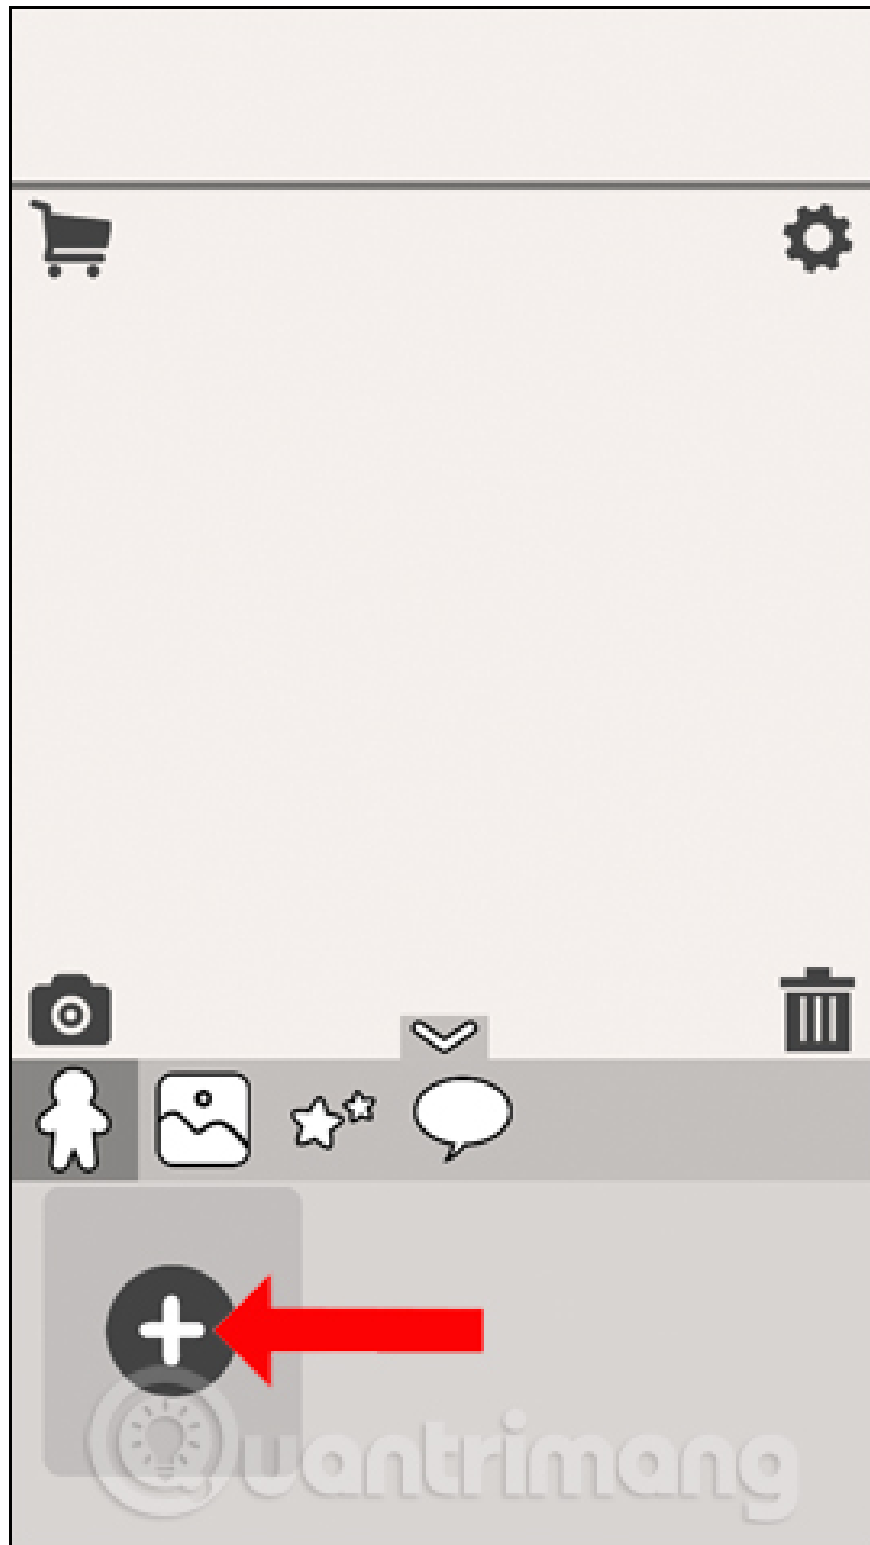

Step 2:

After downloading the application and proceeding to start, press **the Start button** to start. In the main interface click **the plus button** to proceed with chibi character design.

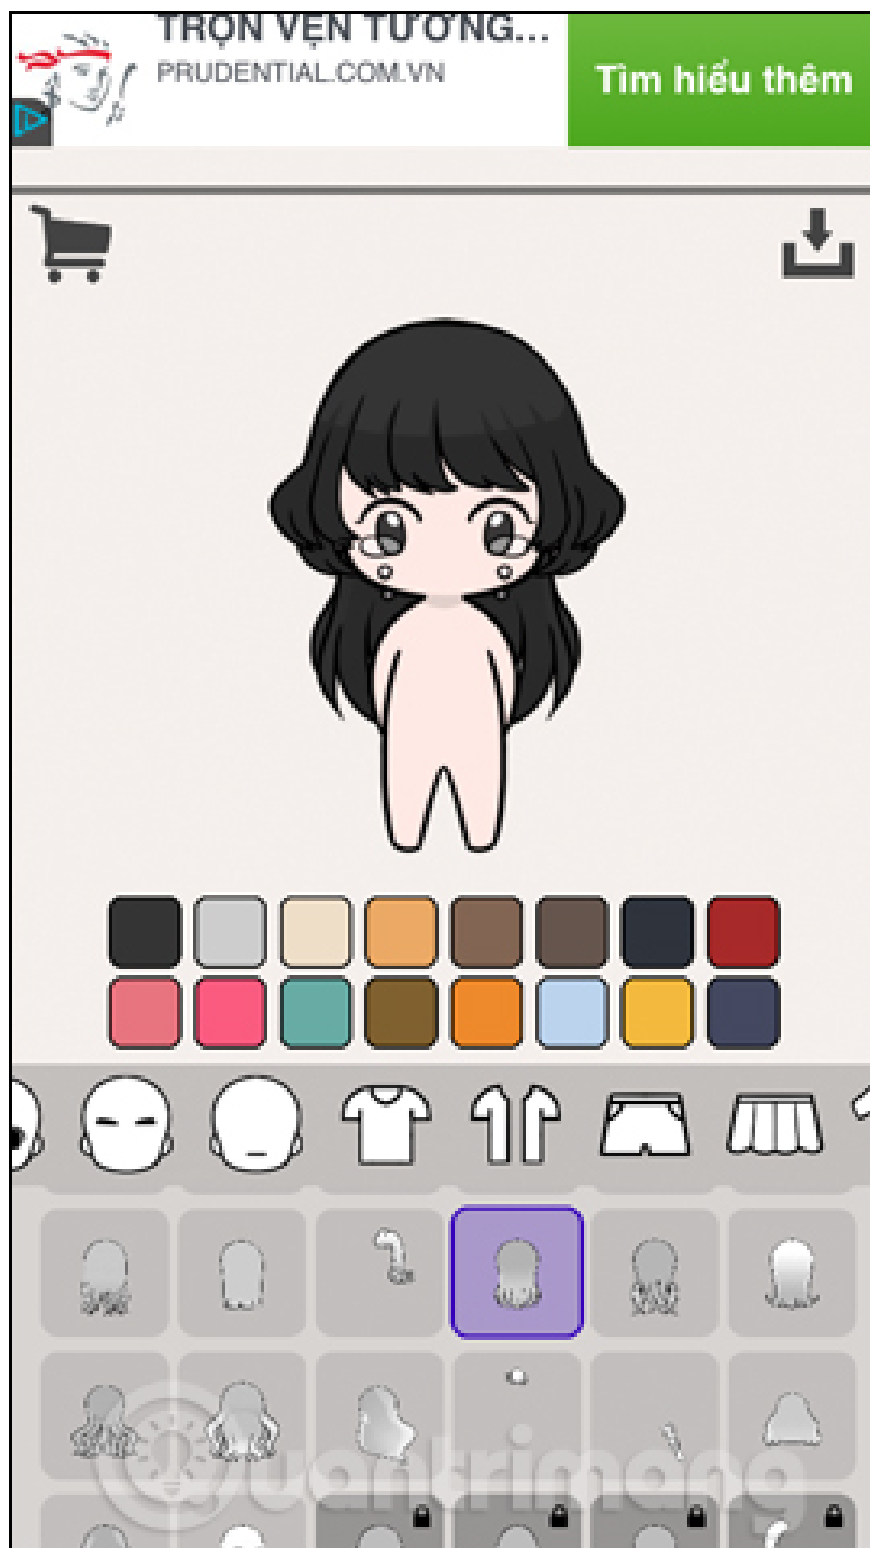

UNNIE DOLL

START ← **UNNIE DOLL**

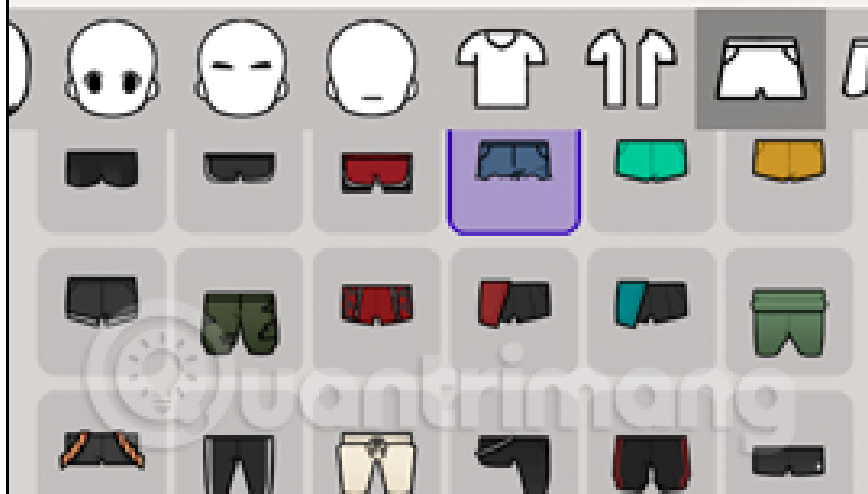

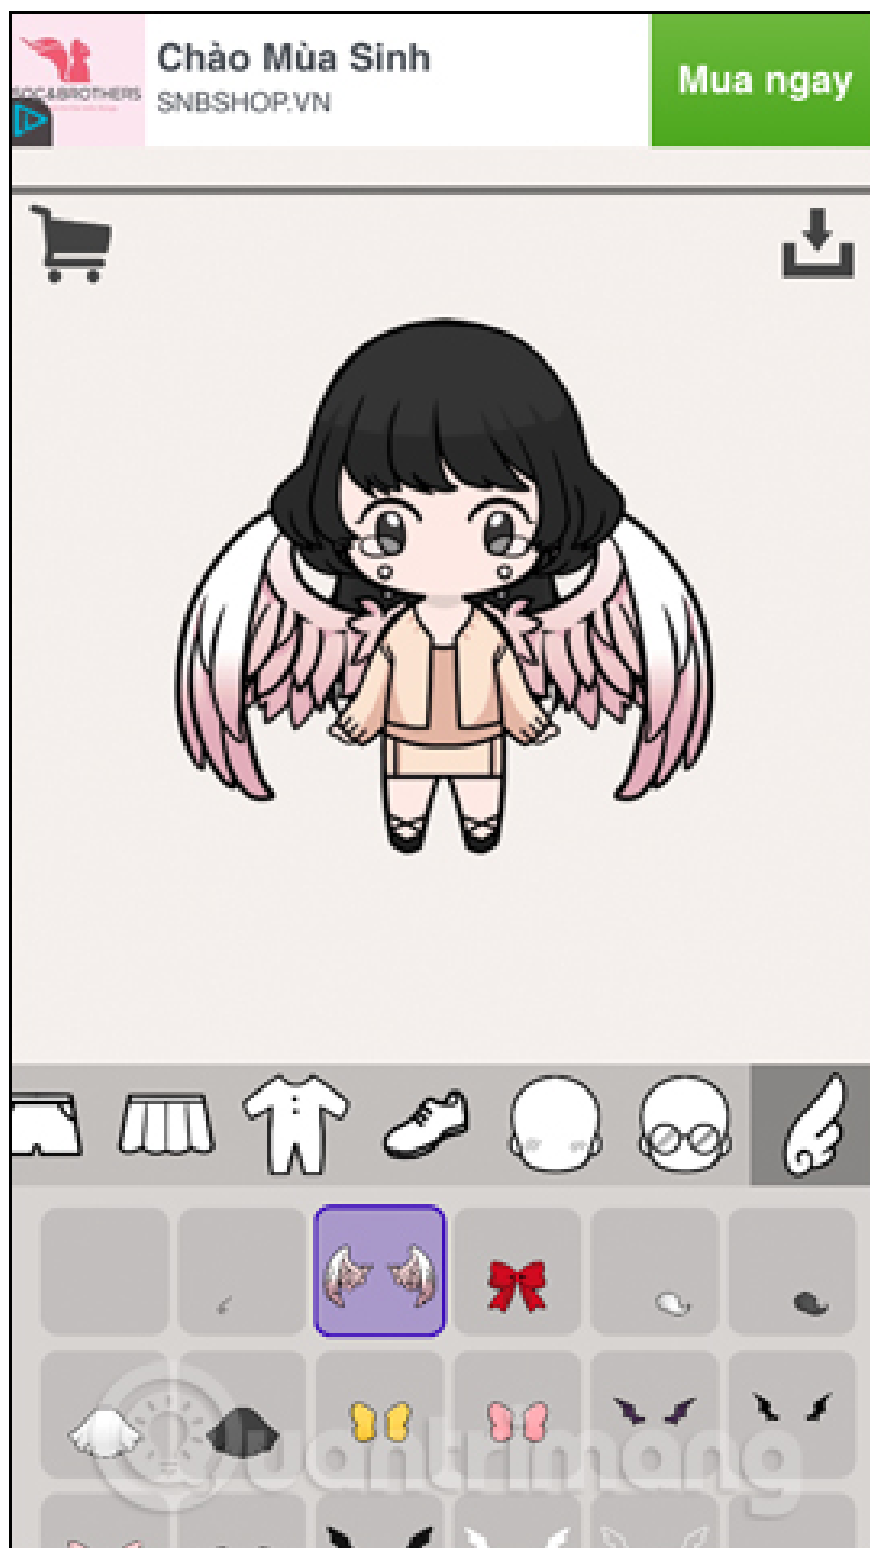

Users choose eyes, eyebrows, hairstyles, . facial parts for their chibi shape.

Next choose the outfit, add some other costume accessories for chibi characters like shoes, eyeglasses, . if you like.

Step 3:

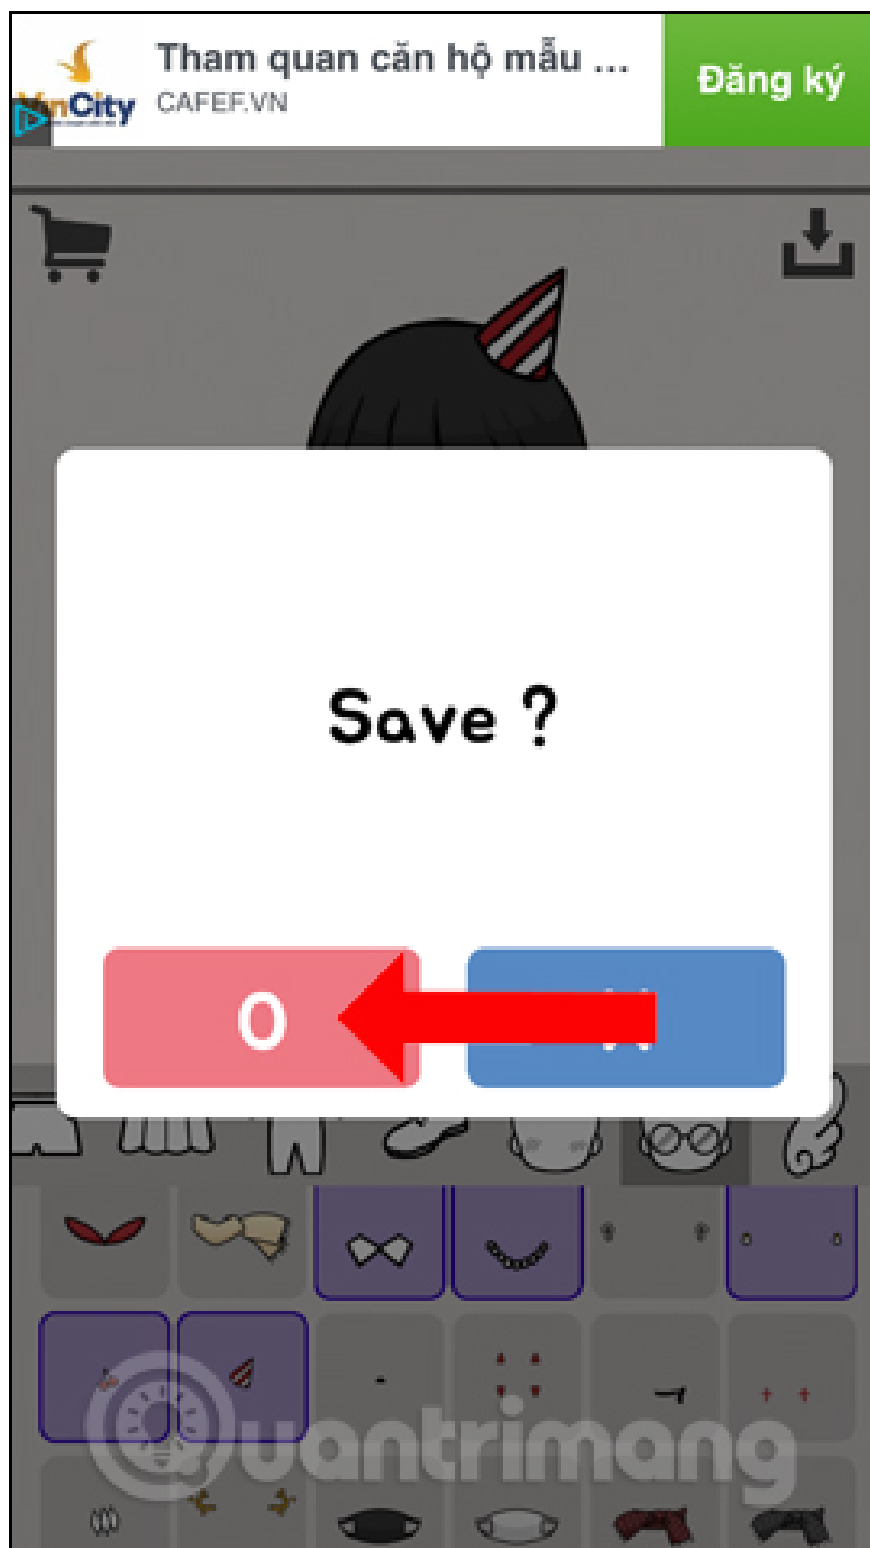

After designing, click on **the download icon** in the top right corner. The application then asks if you want to download the image, press **the O** to save the image.

Step 4:

We can then select the **background for the chibi image** by clicking on the image icon. Add other details to the image, or **insert words for the character with the conversation icon** . If you want to **delete any details**, just scroll down to **the trash can icon** .

You should choose the details to match the composition, do not choose much to avoid confusion.
