## How to change your Facebook profile to celebrate New Year 2019

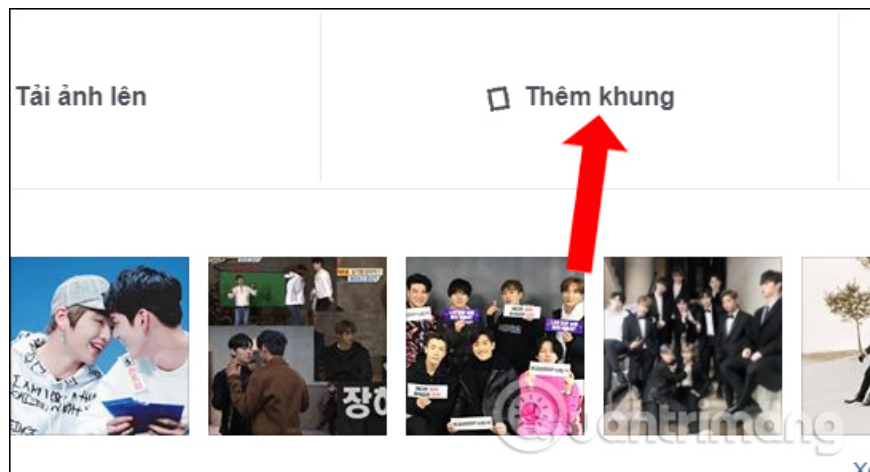

### Step 1:

Log in to your Facebook account. At the profile page of your personal Facebook account, we hover your mouse on the current avatar and select **Update avatars** .

### Step 2:

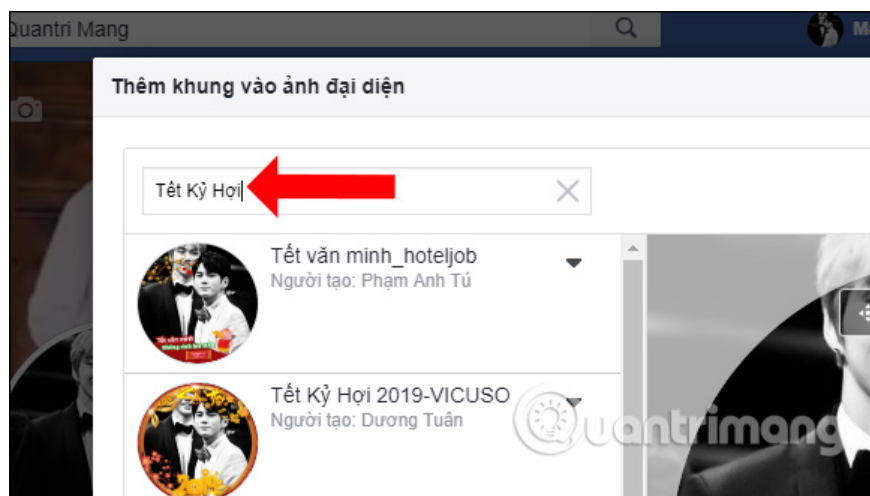

In the new interface click on the **Add frame** section.

### Step 3:

A list of representative photo frames appears on Facebook. Here you enter keywords related to the Lunar New Year 2019 such as Tet., Ky Hoi, Nguyen Dan, Xuan. Immediately below will appear the correct theme-based avatar frames that you need to search.

You can change your search keywords to find more frames that you like. Then click on the picture frame you want to use. Looking to the right will see the frame applied to the current Facebook avatar.

#### Step 4:

Here you can customize the location of your Facebook profile picture, zoom in or zoom out your personal avatar with a **horizontal bar below** , so that it matches the selected frame.

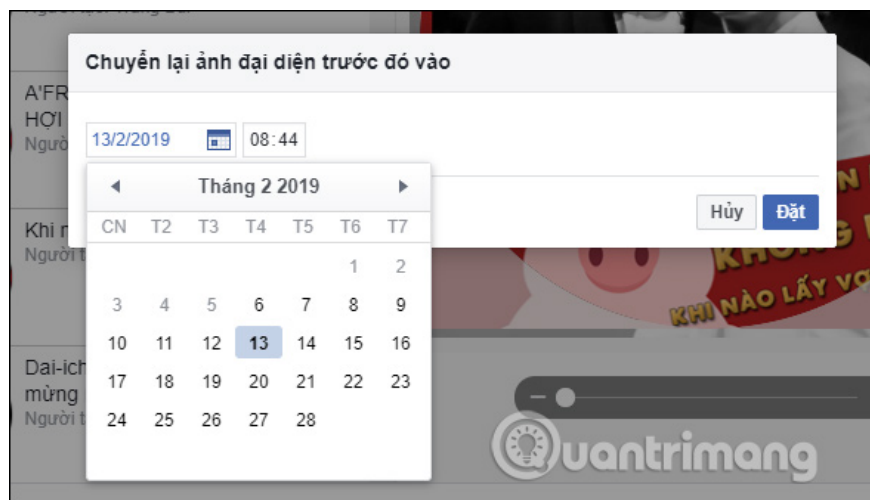

#### Step 5:

Once you have finished adjusting the traditional New Year theme avatar on Facebook, users can edit the time to use the avatar image. The section Back to the previous avatar can choose the time to return to the old avatar.

Facebook will give you a minimum time to switch back to the old profile picture of 1 hour and up to 1 week, possibly Never to use this new avatar image. In case you want to choose another time, press **Custom** .

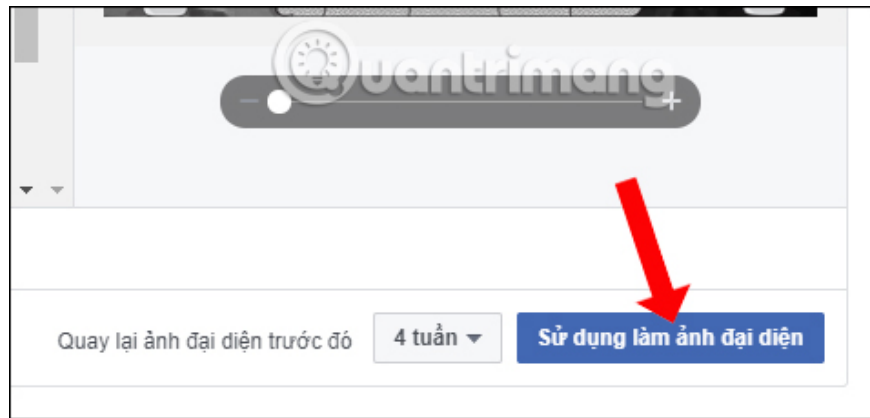

Time frame appears for you to choose a specific time to switch back to your avatar no Ky Hoi Tet frame. Click **Set** to select the time.

### Step 6:

Finally, when you have finished putting a new avatar for Tet 2019 on Facebook, press **Use as your avatar** . The image will be changed soon and automatically return to the old Facebook profile picture for the time you set up earlier.

The Facebook atmosphere will be more bustling for a new spring season of 2019 with the traditional New Year's avatar. The color details, the new spring wishes will make the personal Facebook profile more meaningful. If you create a Facebook photo frame yourself, please share it with many people to use.
