

# How to create an Instagram Threads account, register a new Threads account using Instagram.

Experience Meta's new Threads social networking platform today by downloading it from the Google Play Store and App Store. With simple and easy-to-understand instructions, you can quickly create a Threads Instagram account, sign up for a new Threads account using Instagram, and explore a range of features of this open social network.

Similar to **Twitter**, Threads Instagram shares many similarities, and some features are even significantly improved. However, to explore and use this emerging social network, readers need to create a Threads Instagram account on Android and iOS devices.

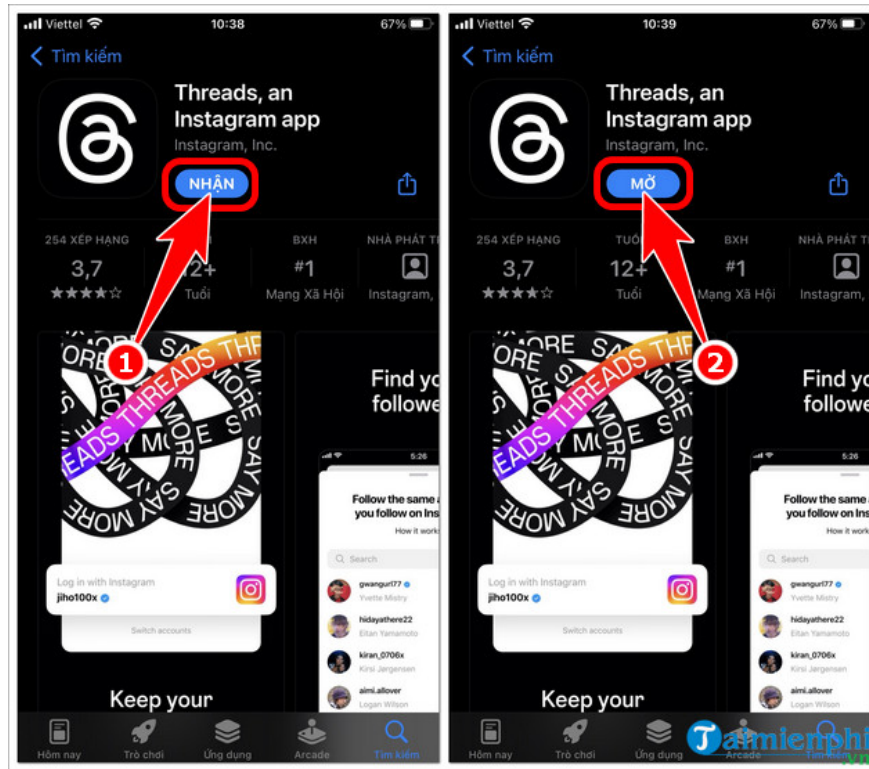

**Instructions on how to register for Threads and create a new Threads Instagram account.**

## *I. How to create an Instagram Threads account on Android and iPhone*

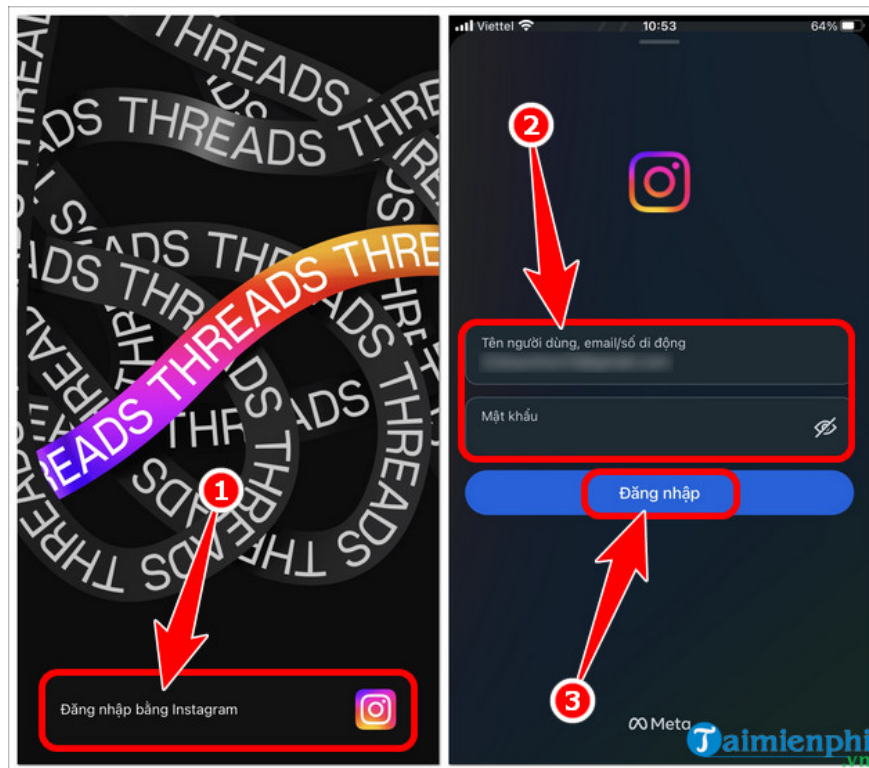

*Step 1:* Download and install the latest version of Instagram Threads

- Download **Threads for Android** here.
- Download **Threads for iPhone** here.

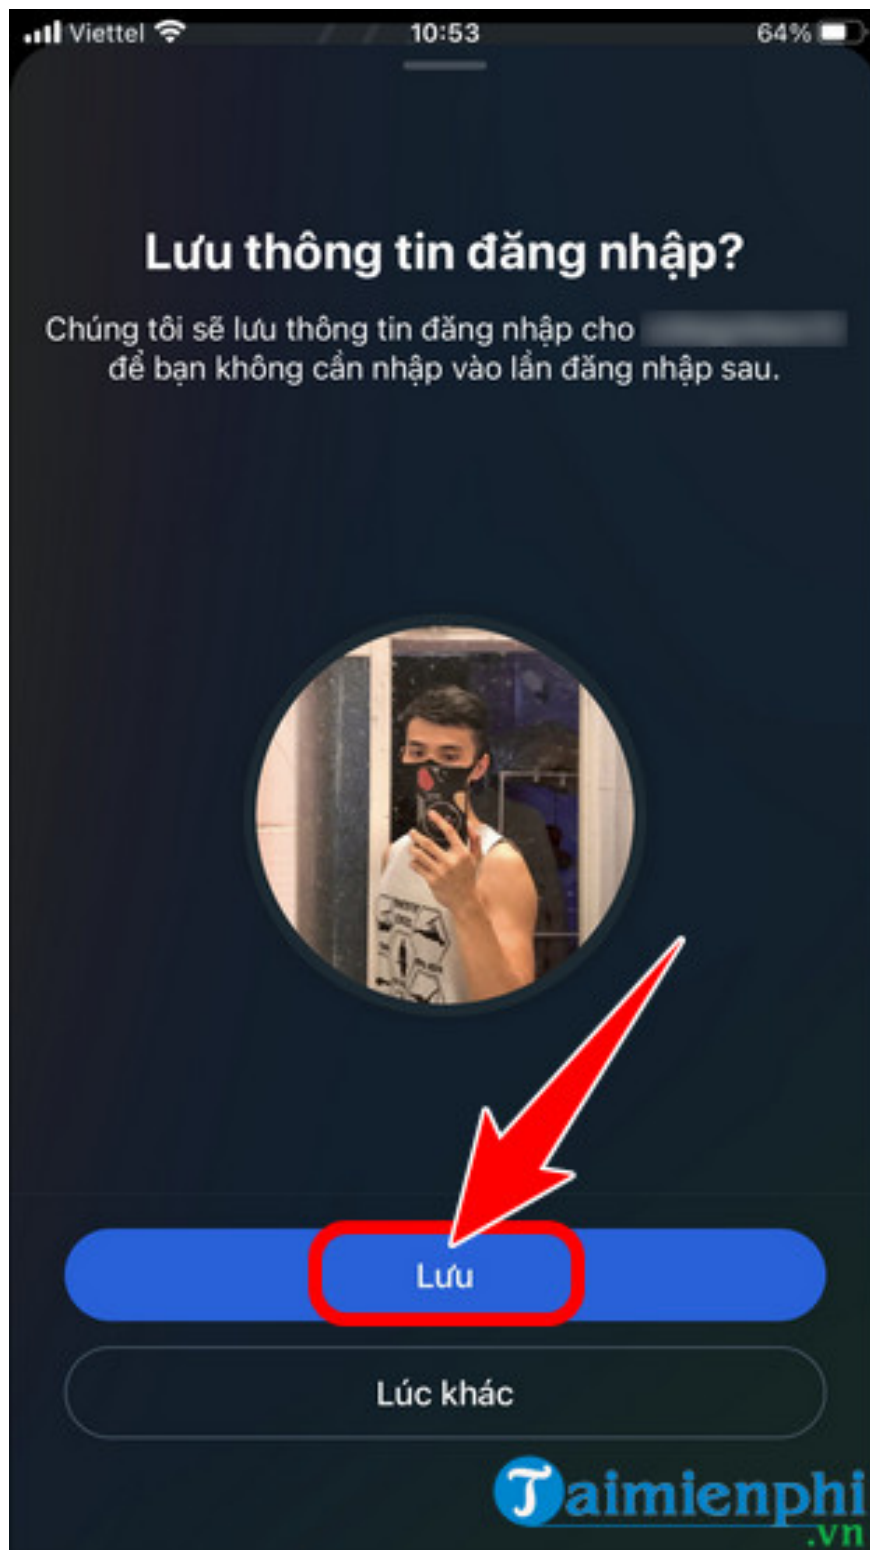

*Step 2:* Then **open** Instagram Threads.

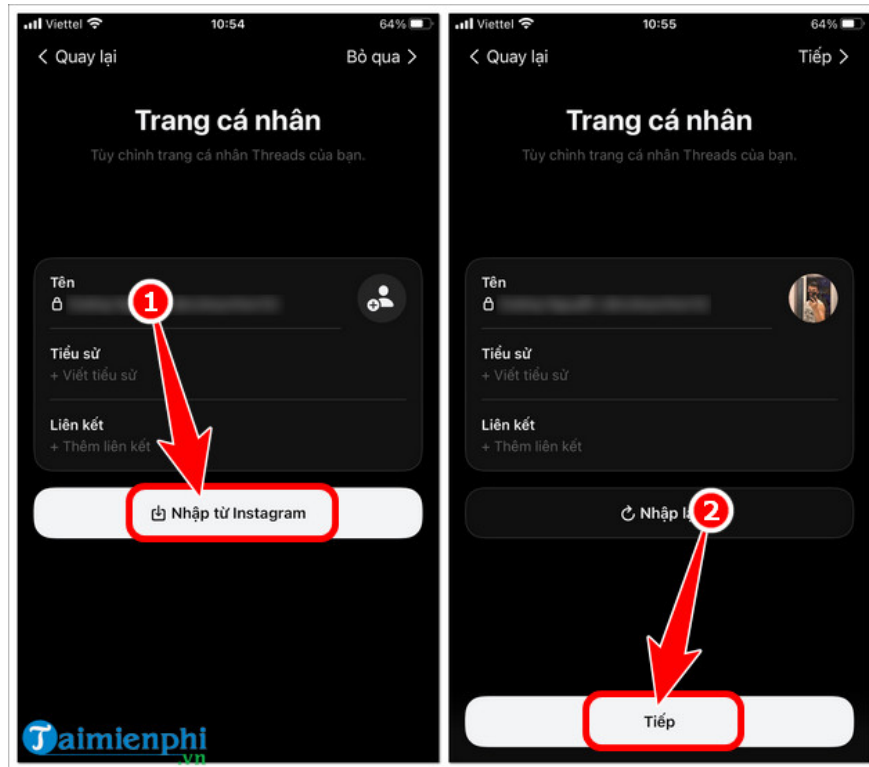

**Step 3:** Select **Sign in with Instagram** => Enter your Instagram account and password => **Sign in** .  
 - If you don't have an Instagram account, you need to create a new one.

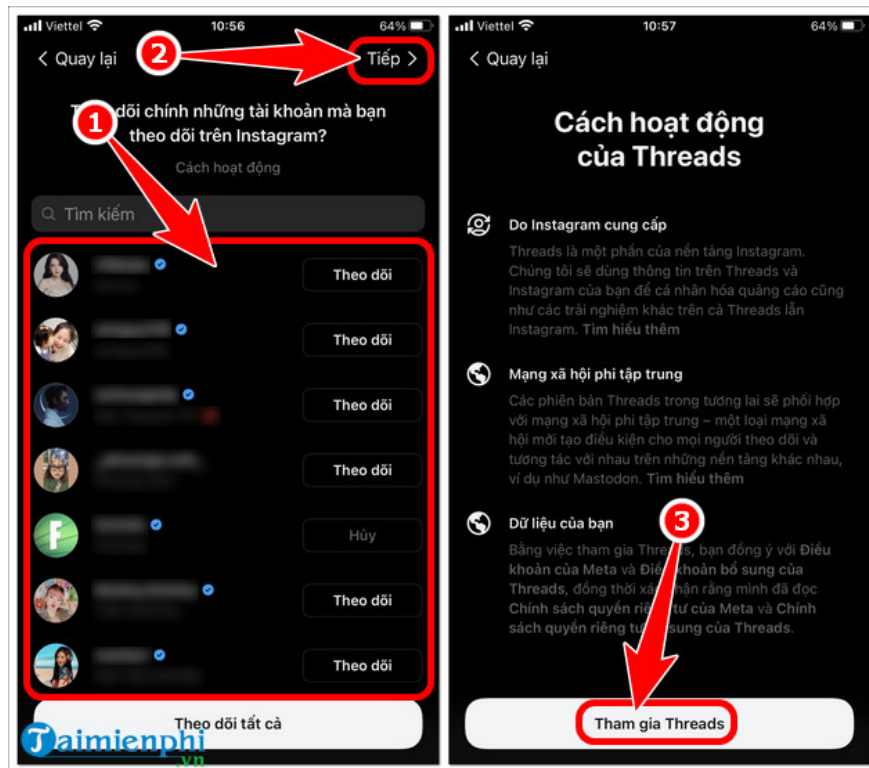

- Click **Save** login information.

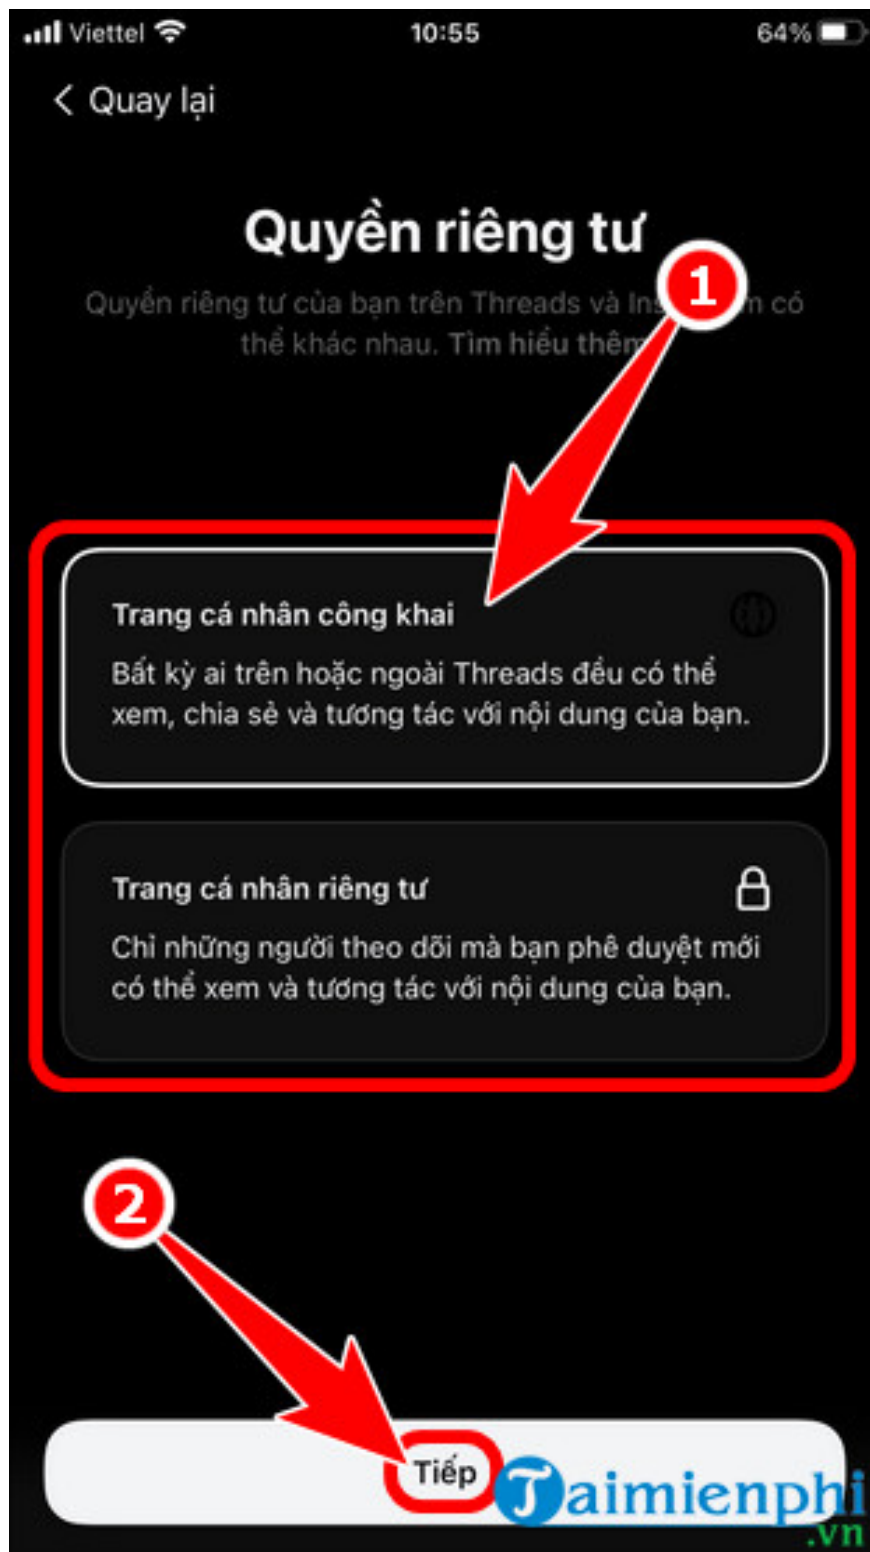

- Click **Import from Instagram** => **Next** .

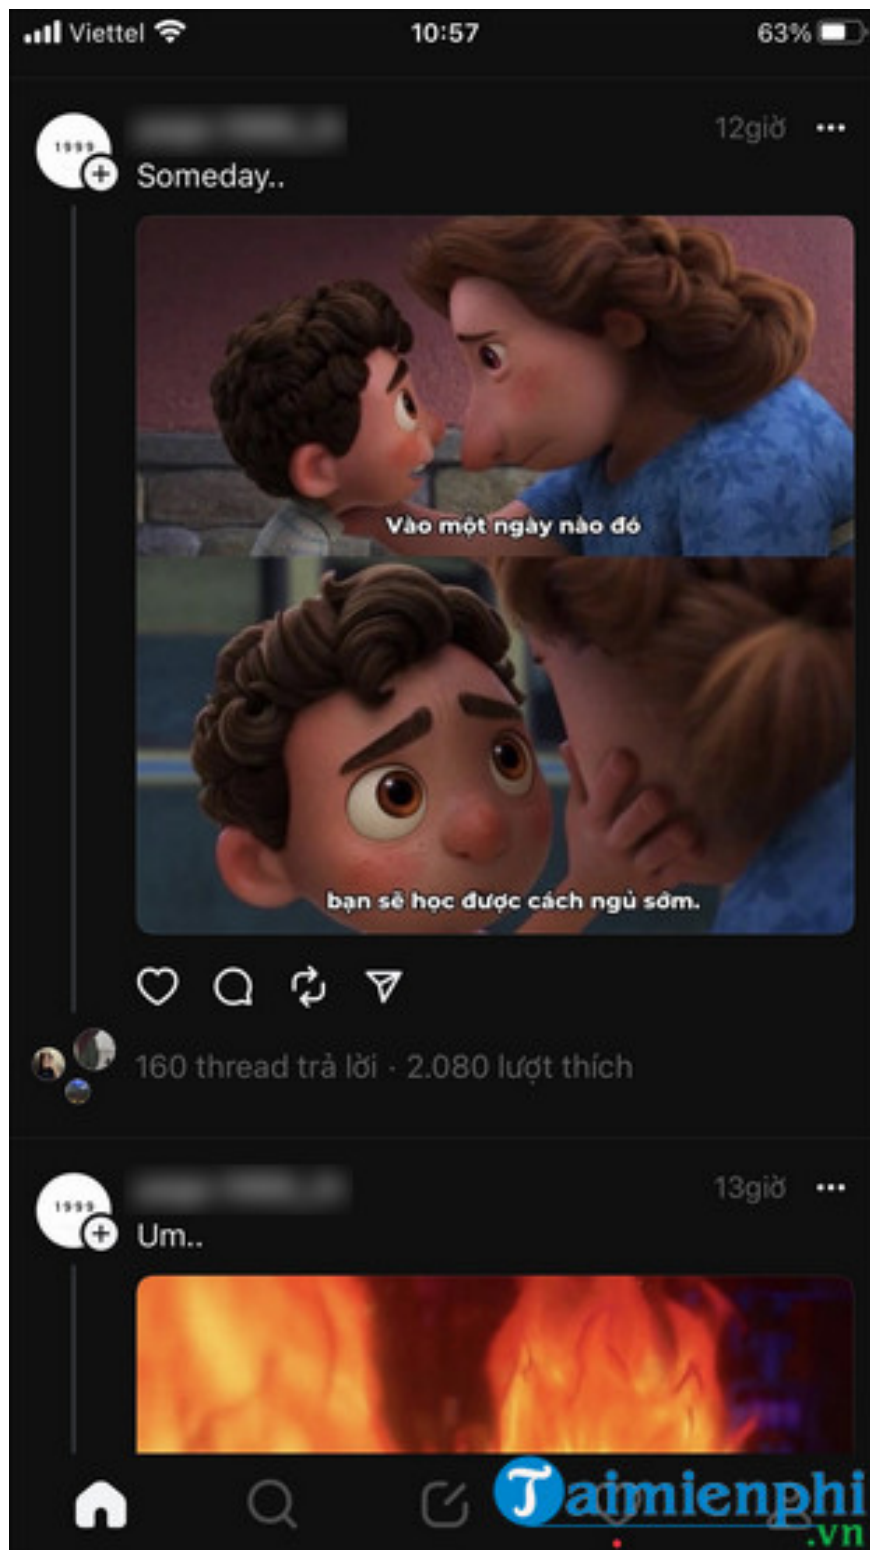

Step 4: Select the account to follow => press Next => Join Threads .

- Your Privacy Options are here => click Next .

Step 5: The main **Threads Instagram** interface after successful account registration will appear as shown below.

## *II. What are Instagram Threads?*

Instagram Threads is a newly emerging social network where you can share short content, post short articles up to 500 characters, or videos up to 5 minutes long. Similar to Twitter, Instagram Threads allows you to follow

close friends, like and share posts, or comment and participate in conversations with other users.

### *III. Key Features of Instagram Threads*

- Quickly send text messages, images, and videos to friends.
- Supports sharing status updates, taking photos, recording videos, or sharing current feelings.
- Suggests friends and family to follow based on their interactions on Instagram.
- Customize notifications as desired.
- Protects privacy and controls personal information to prevent leaks.

Thus, by creating an Instagram Threads account, you can enjoy the outstanding features of this emerging social network, focusing on staying connected and sharing interesting moments in life with everyone. Additionally, if you no longer use Threads and want to protect your information, you can temporarily **deactivate your Threads account**.
