## How to create a representative image of Facebook World Cup 2018

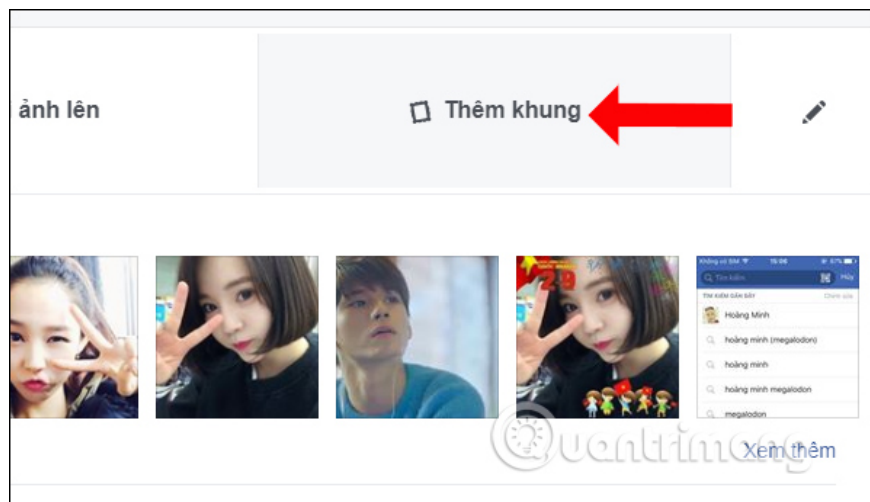

### Step 1:

Log in to your personal Facebook account on your computer and then hover your mouse on the current avatar and select **Update avatars** .

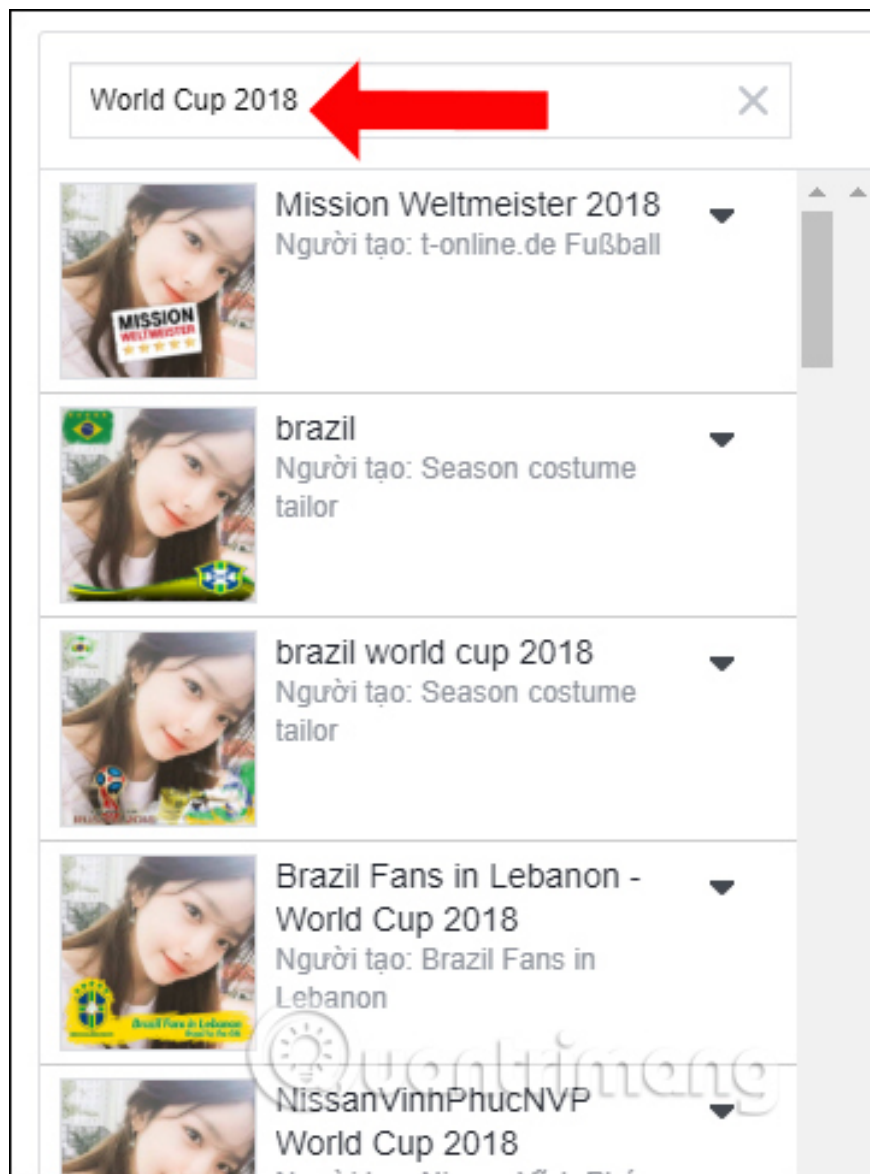

### Step 2:

Next in interface Update your avatar, click on the **Add frame** item.

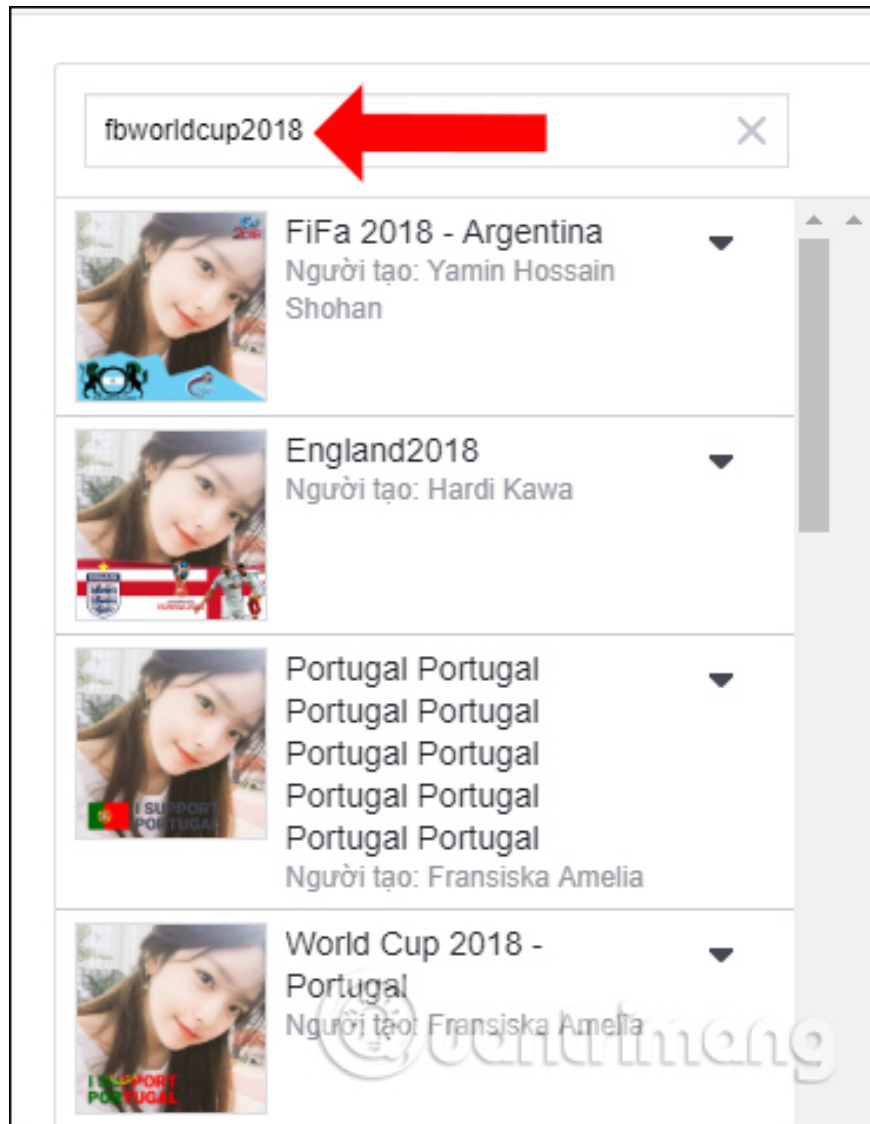

### Step 3:

Appear the interface to select a representative frame for Facebook. Here you will enter World Cup related keywords into the search bar like World Cup, World Cup 2018, fbworldcup2018, . Facebook will automatically filter the frames in accordance with the keywords entered.

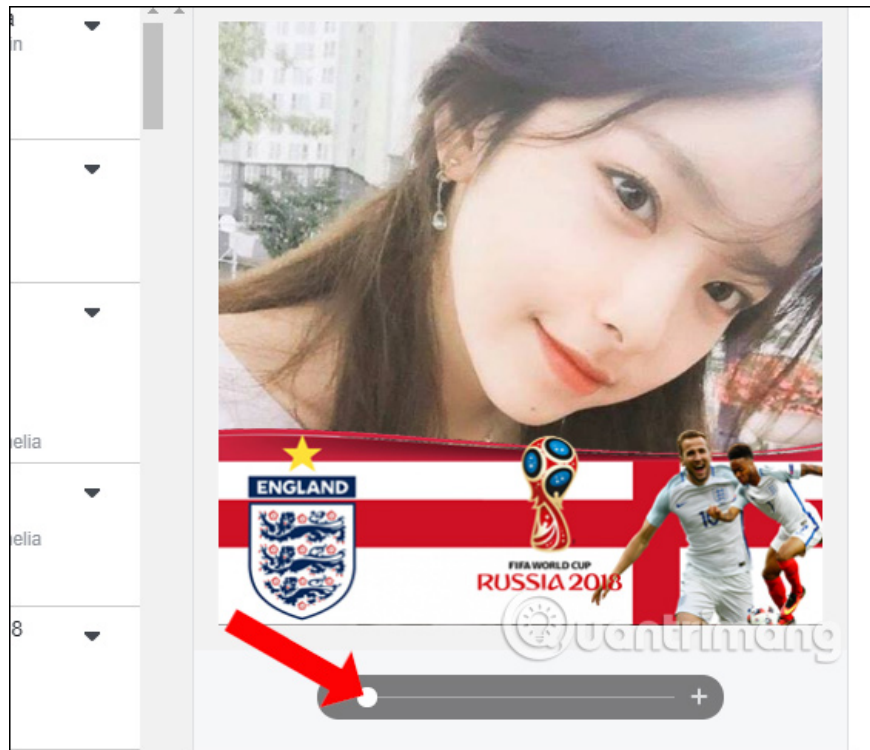

Depending on the entry keyword, Facebook frames will be different, so you can change it to find the best World Cup frame.

**Step 4:**

Click on the picture frame of Facebook you want to use and you can see the frame applied to the profile picture right next to you. Here the user can zoom in or zoom out the avatar to match the frame.

### Step 5:

Next you will select the time you want to use this new avatar, after you've finished editing the image.

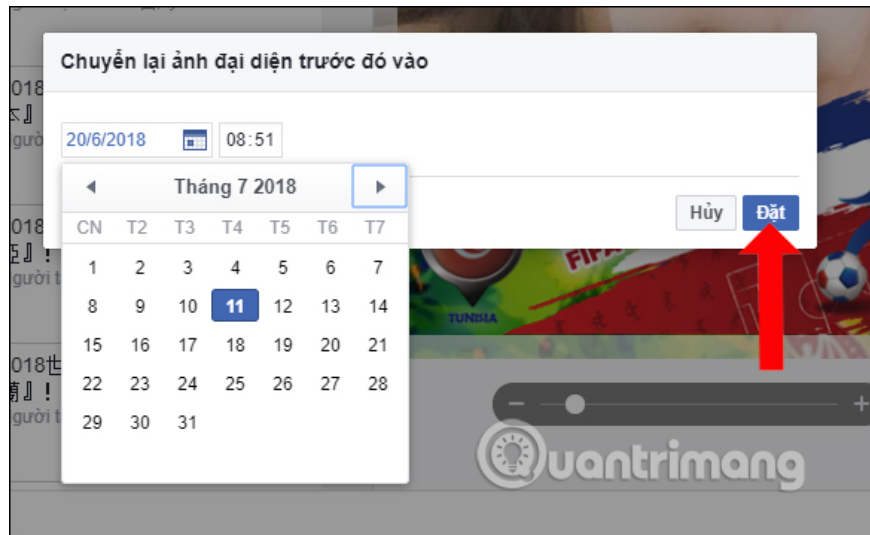

At the option **Back to the previous avatar** , click on the timeline to select the time. Facebook will give you a minimum of 1 hour and a maximum of 1 week, can choose Never to use this avatar does not set the time to change.

If you want to use another time, click on **the Customize button** .

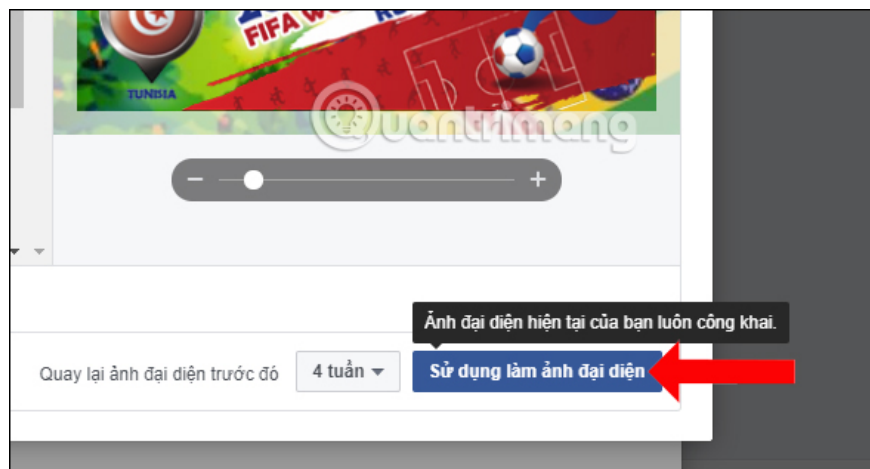

### Step 6:

Choose the time you want to return to your Facebook profile before and click **the Set button** to schedule it.

### Step 7:

When all settings have been completed for the World Cup avatar on Facebook, we press the **Use** button as **the avatar** . The avatar image will be immediately changed to the new image, along with the time to switch back to the old avatar image if the user has previously set it.

Going back to the Facebook account interface when clicking on the avatar, we will see a new photo with the scheduled time. If you want to change your avatar or time, you can do it right here.

A fun way to mingle with the planet's biggest football festival right on Facebook. You can choose the Facebook avatar frame according to your favorite national team to cheer the team. In addition, Facebook also provides a self-designed feature for creating avatar for Facebook as well as photo effects on Facebook.
