

How to create Facebook meeting room?

The Facebook Meeting Room is a new feature, which helps you create a Messenger Rooms for up to 50 participants. This is the Messenger Rooms feature that TipsMake.com introduced to you.

The Facebook Meeting Room is a new feature, which helps you create a Messenger Rooms for up to 50 participants. This is the Messenger Rooms feature that TipsMake.com previously introduced to you. And from now on, we can create meeting rooms right in the Facebook interface without having to open directly from Messenger.

Basically, the feature of creating a Facebook room is similar to that of Messenger, but on the Facebook version, there is an option to set a meeting room. You can then choose any time to create the meeting room. The following article will guide you how to create a meeting room on Facebook.

1. Instructions to create meeting rooms Facebook Android, iOS

Step 1:

At the interface on Facebook application, click on **Create meeting room** with purple icon. Display the interface for you to set up the meeting room.

-  Tụ họp  Luôn có mặt
-  Tham gia nhé!  Họp mặt
-  Giờ vàng  Tiệc mừng tốt nghiệp
-  Tiệc nhảy nhót  Xem TV
-  TGIF  Hội ăn trưa

At that time the list of friends. If you want **everyone can participate via the link** thì **click Ignore** . At that time, you will see a message asking if the **link sharing feature** is **enabled or not**. Click **Enable** to use. So even those who do not have a Facebook account can join the meeting room as long as there is a link.

Khi bạn tham gia phòng họp mặt, những người có liên kết hoặc được mời (gồm cả những ai không phải là bạn bè của bạn trên Facebook) có thể nhìn thấy tên, ảnh đại diện của bạn và biết bạn đã có mặt.

Tham gia phòng họp mặt

Bạn bè phải chờ đến khi bạn tham gia.

Step 3:

We then wait for our friends to join. To **send the link**, click **Share link** to join. Then we wait for everyone to join the meeting room. The interface is now similar to Messenger Room.

Tiệc nhảy nhót

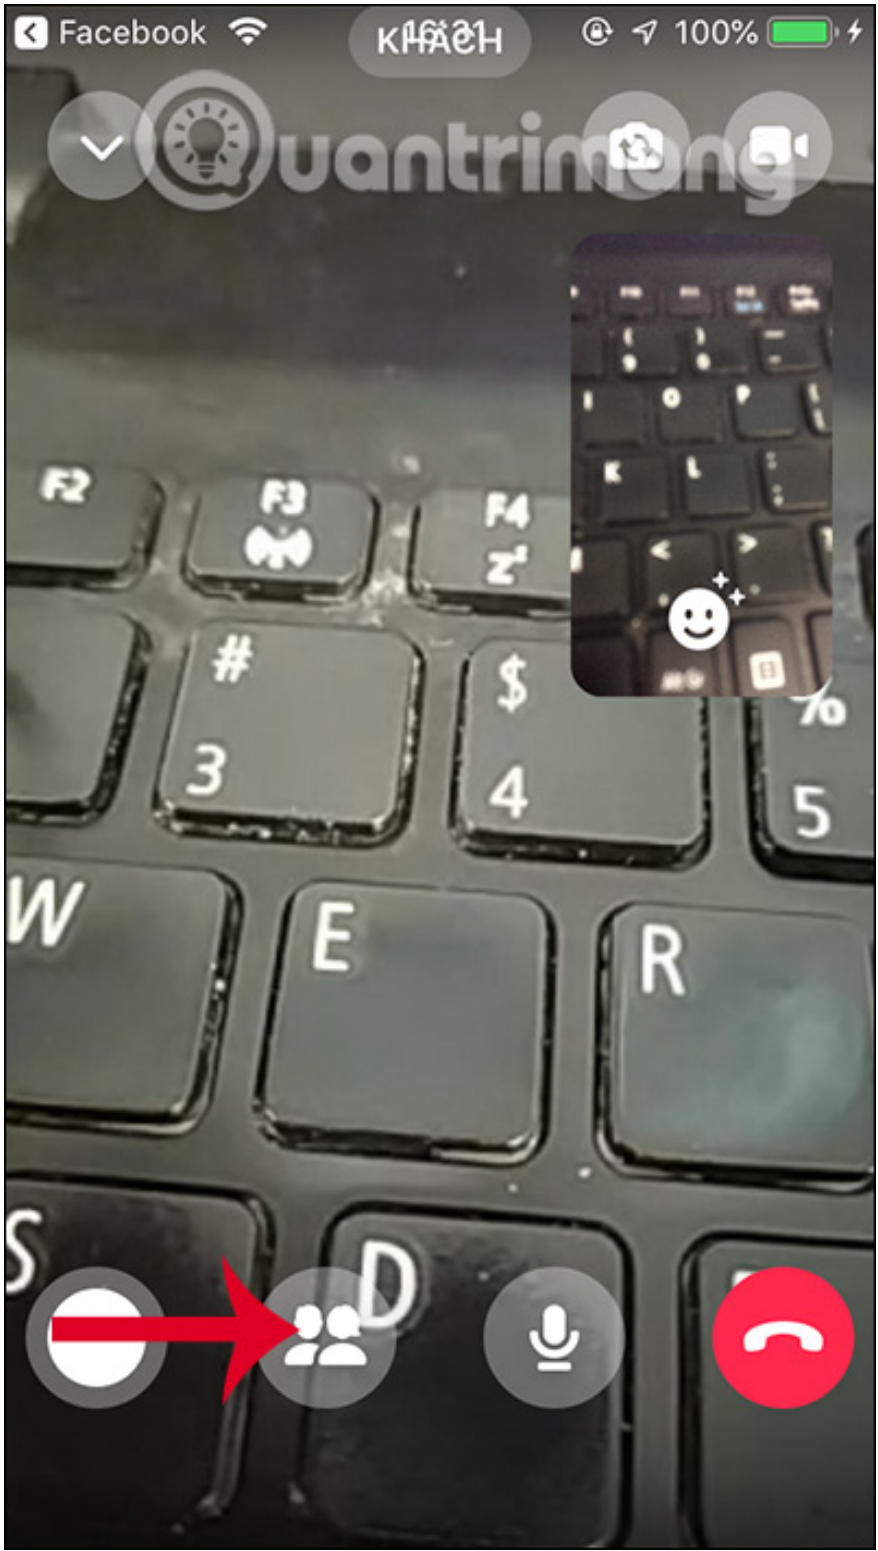

Vui lòng chờ ít phút để bạn bè tham gia...

2. How to create a Facebook PC meeting room

Step 1:

At the interface on Facebook you click **the Create button** as shown below.

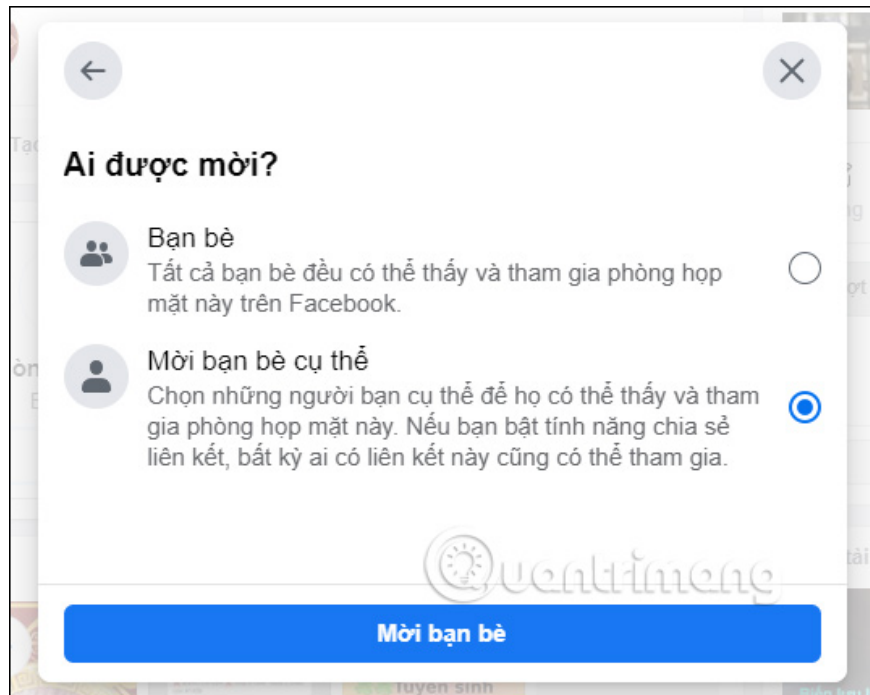

Step 2:

Then display the interface for users to **set up the meeting room** . First, you also choose what the meeting room activity is.

Next set up who can join the meeting room, only your friends, who designate or create links to share with anyone who has the link.

In the time selection section, you can create appointments for meeting rooms on Facebook, or for meetings. Finally **click Save** to create the meeting room.

Step 3:

Show interface before creating a room. Here you can change and edit the meeting room. Click **Join** to meet on Facebook.

Step 4:

Then we will switch to the web Messenger interface to make the meeting. Finally, you can wait for everyone to join the meeting room.
