

# How to create Naruto in Infinite Craft, a character in the Naruto universe

Infinite Craft is not limited to creating general things, such as objects in nature. You also have the ability to combine objects to create specific names of famous characters, here's how to create Naruto in Infinite Craft.

To create Naruto in Infinite Craft, all you need to do is have a Ninja and Anime block. To create those two blocks, you must combine many different elements and objects. As you discover more objects, you open yourself up to new creations.

## *How to create Naruto in Infinite Craft*

To create a Naruto block in Infinite Craft, you first need to create Ninja and Anime blocks.

### *1. How to make Ninja blocks*

There are many methods you can use to make Ninja blocks. One method is to combine the Samurai block and the Ronin block. To get these blocks will require a series of steps as follows:

#### **- First you need to create the Human block**

- + Combine **Earth** and **Wind** to form **Dust** .
- + Drag **Wind** into **the Dust** you just created to create **Sandstorm**
- + Set the **Sandstorm** block aside. Combining **Dust** and **Earth** creates **Planet** .
- + Combine **Planet** and **Sandstorm** to create **Mars** blocks .
- + Combine the **Mars** block with **Earth** again to form the **Life** block .
- + Drag a **Dust** block into **Life** and you will create a **Human** block .

First Block	Second Block	Result
Earth	Wind	Dust
Dust	Wind	Sandstorm
Dust	Earth	Planet
Planet	Sandstorm	Mars
Earth	Mars	Life
Life	Dust	Human

#### **- Next you need to create the Warrior block**

- + Combine the **Earth** and **Fire** blocks to form **Lava** . + Drag a **Water**

block into **Lava** to form a **Stone** block . + Get another **Lava** block , then drag a **Stone** into it to create **Obsidian** . + Drag another **Stone** block to your **Obsidian** to form a **Blade** block . + Combining the **Human** and **Blade** blocks will create the **Warrior** block .

First Block	Second Block	Result
Earth	Fire	<b>Lava</b>
Lava	Water	<b>Stone</b>
Lava	Stone	<b>Obsidian</b>
Obsidian	Stone	<b>Blade</b>
Human	Blade	<b>Warrior</b>

- Next, you will need to create a **Japan** block

+ Combine two **Water** blocks to create a **Lake** block .

+ Drag another **Water** block to the **Lake** block to create an **Ocean** block .

+ Combine the **Ocean** block with the **Earth** block to form an **Island** . + Drag another **Earth**

block onto your **Island** to create a **Continent** block . + Combine the **Continent** block with an **Island** to form an

**Archipelago** . + Combine two **Earth** blocks to create a **Mountain** block . + Combine the **Mountain** and

**Continent** blocks to form the **Asia** block . + Combining the **Asia** and **Archipelago** blocks will create the **Japan** block .

First Block	Second Block	Result
Water	Water	<b>Lake</b>
Lake	Water	<b>Ocean</b>
Ocean	Earth	<b>Island</b>
Island	Earth	<b>Continent</b>
Continent	Island	<b>Archipelago</b>
Earth	Earth	<b>Mountain</b>
Continent	Mountain	<b>Asia</b>
Asia	Archipelago	<b>Japan</b>

- Combining the **Japan** block and the **Warrior** block will create the **Samurai** block . At this point, all you need to do is combine the **Samurai** block with the **Warrior** block to form the **Ronin** block .

First Block	Second Block	Result
Japan	Warrior	Samurai
Samurai	Warrior	Ronin

- Then you can create **Ninja** block by combining **Samurai** block and **Ronin** block together.

First Block	Second Block	Result
Samurai	Ronin	Ninja

## 2. How to make Anime blocks

Your next task is to create an Anime block. To create this block, you simply combine a **Japan** block and a **Manga** block .

- To create a **Manga** block , you will need to combine a **Book** block and a **Japan** block . You will need to use the **Earth** and **Water** blocks to create the **Book** block . + Combine **Earth** and **Water** blocks to form a **Plant** block . + Combine two **Plant** blocks to form a **Tree** block . + Combine two **Tree** blocks to form a **Forest** block . + Drag a new **Tree** block into your **Forest** and you will see the **Wood** block . + Drag another **Tree** into the **Wood** block to create a **Paper** block . + You will need to combine two **Paper** blocks to form a **Book** block . + Combining the **Book** and **Japan** blocks will create the **Manga** block . + Combining the **Manga** block with the **Japan** block will create the **Anime** block .

First Block	Second Block	Result
Earth	Water	Plant
Plant	Plant	Tree
Tree	Tree	Forest
Forest	Tree	Wood
Wood	Tree	Paper
Paper	Paper	Book
Book	Japan	Manga
Japan	Manga	Anime

### 3. How to make Naruto blocks

Finally, you have all the blocks needed to craft Naruto blocks. To create this block, you need to take the **Ninja** block and combine it with the **Anime** block .

First Block	Second Block	Result
Ninja	Anime	Naruto

## *How to create characters in Naruto on Infinite Craft*

Once you have the Naruto block, you'll open up your crafting menu with all sorts of new possible creations. One fun thing you can do is use Naruto blocks to craft every Naruto related block you can think of.

- Discovering what you can do with Naruto blocks is just a matter of being creative with what you combine with Naruto blocks. You can create characters, different items in the game and can even create the author of the series.

- + **Fire** combined with **Naruto** creates **Sasuke**
- + **Water** combined with **Naruto** creates **Kakashi**
- + **Ocean** combined with **Naruto** creates **Kisame**
- + **Ghost** combined with **Naruto** creates **Itachi**
- + **Stone** combined with **Naruto** creates **Rock Lee**
- + **Love** combined with **Naruto** creates **Hinata**
- + **Hinata** combined with **Naruto** creates **Boruto**
- + **King** combined with **Naruto** creates **Hokage**
- + **Talk** combined with **Naruto** creates **No Jutsu**
- + **Writer** combined with **Naruto** creates **Kishimoto**

First Block	Second Block	Result
Fire	Naruto	Sasuke
Water	Naruto	Kakashi
Ocean	Naruto	Kisame
Ghost	Naruto	Itachi
Stone	Naruto	Rock Lee
Love	Naruto	Hinata
Hinata	Naruto	Boruto
King	Naruto	Hokage
Talk	Naruto	No Jutsu
Writer	Naruto	Kishimoto

- You can even go a step further and use whatever you create with the Naruto block to find a way to craft all the other possible blocks in the Naruto universe.

- + **Sasuke** combined with **Slave** created **Sasori**
- + **Naruto** combined with **World War III** created **Naruto Shippuden**
- + **Naruto** combined with **Hybrid** created **Naruhina**
- + **Sasuke** combined with **Plant** created **Chidori**
- + **Sasuke** combined with **Wind** created **Susanoo**
- + **Kakashi** combined with **Brain** to create **Sharingan**

First Block	Second Block	Result
Sasuke	Slave	Sasori
Naruto	World War III	Naruto Shippuden
Naruto	Hybrid	Naruhina
Sasuke	Plant	Chidori
Sasuke	Wind	Susanoo
Kakashi	Brain	Sharingan
