

# How to decorate the working corner to welcome Christmas to the office workers

Another Christmas season is coming soon, goodbye to the boring everyday office space with these beautiful corner decorating ideas.

Another Christmas season is coming soon, "goodbye" the boring everyday office space with these beautiful corner decorating ideas.

Some Christmas decorations not only make the office stand out but also create more inspiration for you and your colleagues.

## Pine - symbol for the Christmas season

Christmas is the ideal occasion to re-decorate the house as well as the working corner at the office and a Christmas tree is an indispensable symbol for this holiday. Renovate the office by decorating a Christmas tree so that everyone feels the Christmas atmosphere is everywhere.

A Christmas tree for Christmas is very beautiful and outstanding right?

For your desk space, you can find or buy mini Christmas tree models with green strings as a border for your desk.

Very simple decoration with pine needles and mini pine trees.

## **Christmas cards or small gifts**

Just a few Christmas cards or colorful small gift boxes are enough to make your working corner more cozy and vibrant. If you are smart, you can make unique cards to decorate, or you can buy them outside at your liking. To stand out and match the nature of this festive season, choose the main colors of red, white or vibrant colors.

Small lovely cards and gift boxes.

Paper gift boxes with large and small sizes neatly placed on the table are also an idea for you to decorate.

Just with these gift boxes, it's pretty eye-catching.

**Colorful flower baskets for a warm Christmas**

In addition to traditional Christmas decorations such as Santa Claus, Christmas ball, laurels, doorbells, . you can also decorate your desk with silk flowers. Depending on the size of the desk, place different big and small flowers accordingly.

Christmas atmosphere will be everywhere, including your own little corners. Flower baskets like this one are also very suitable for the environment in the office, bringing a warm feeling to the Christmas day.

Adorn the corner with a flower basket.

**Cute ribbons**

Colorful ribbons, with purl will also create highlights for Christmas. You can decorate the ribbon in the door, wrap it around the Christmas tree, especially the small working corner will be quite eye-catching with these cute, cute ribbons.

Decorate brilliant ribbons along the workbench compartments.

## **And unexpected creative ideas**

Human creativity is unlimited, especially for 'modest' offices. You can use cardboard to create pine trees, Christmas cover models, small snowmen, . very funny and beautiful right.

Reward yourself with a unique Christmas model to make the working corner more lively.

Using colored sprayers to paint on the door frames, glass surfaces with shapes related to Christmas are also a decorative way when the area does not allow more furniture to be displayed.

Please choose a picture and decorate it now.
