

How to delete avatar on Facebook

How to delete avatar on Facebook. For some reason we don't want to have avatars on Facebook anymore, so many of you try to delete avatars. This is actually quite a simple operation, but maybe many new users of Facebook will be smart

For some reason we don't want to have avatars on Facebook anymore, so many of you try to delete avatars. This is actually quite a simple operation, but maybe many new users of Facebook will not know how to do it. So in the following article TipsMake.com will guide you how to delete avatar on Facebook, please refer.

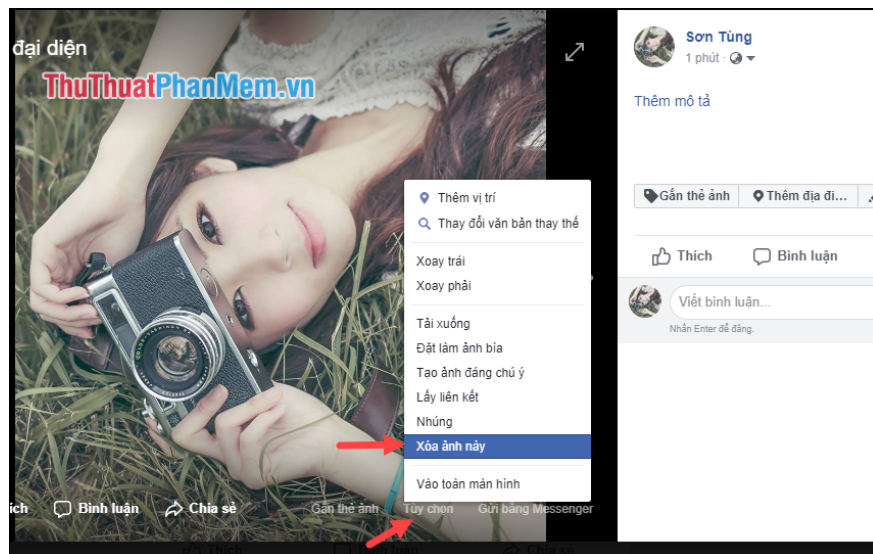

1. Delete the Facebook image on your computer

Step 1: Go to your profile page then click on the avatar image:

Note : do not click on the word Update.

Step 2 : When the avatar appears, click the **Options** button below and then click **Delete this item** .

When a message appears, click **Delete** .

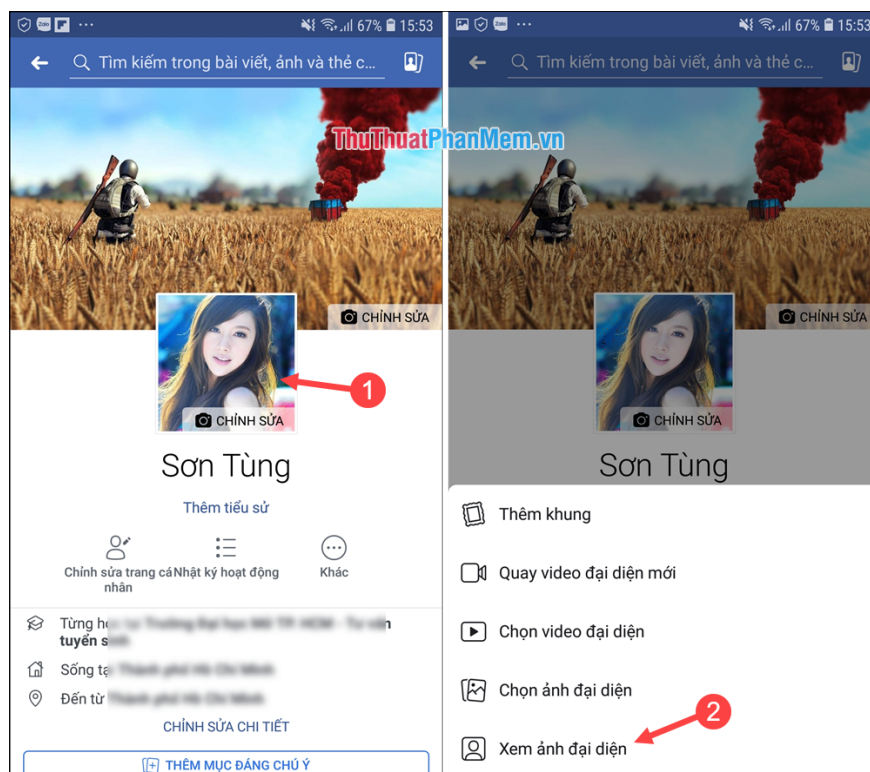

Step 3 : After the removal is complete, reload the page to see the avatar image has been deleted.

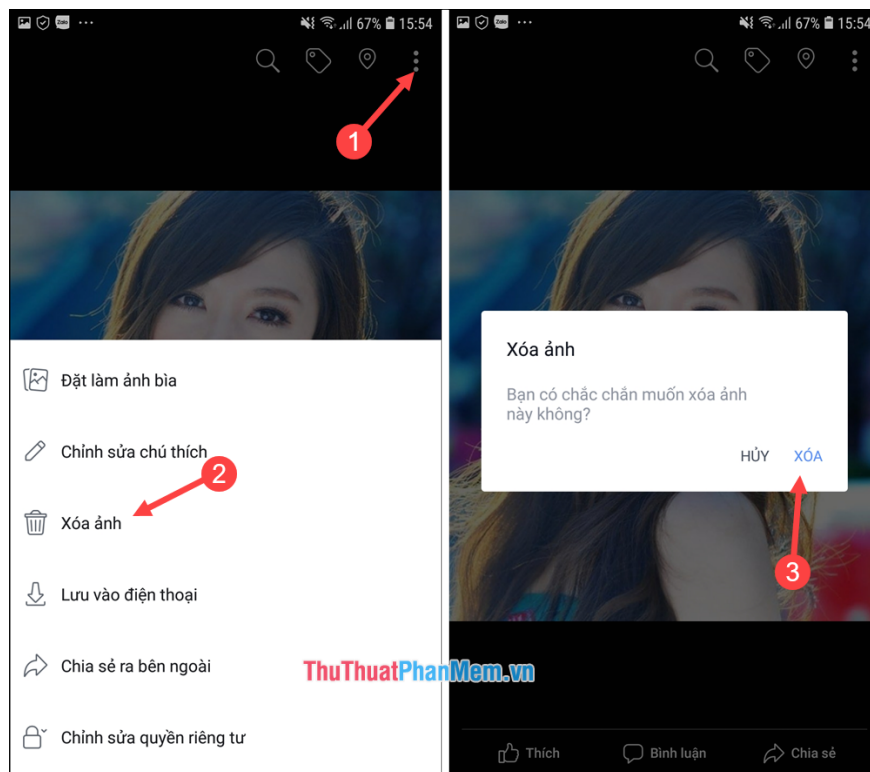

2. Delete the Facebook avatar on your phone

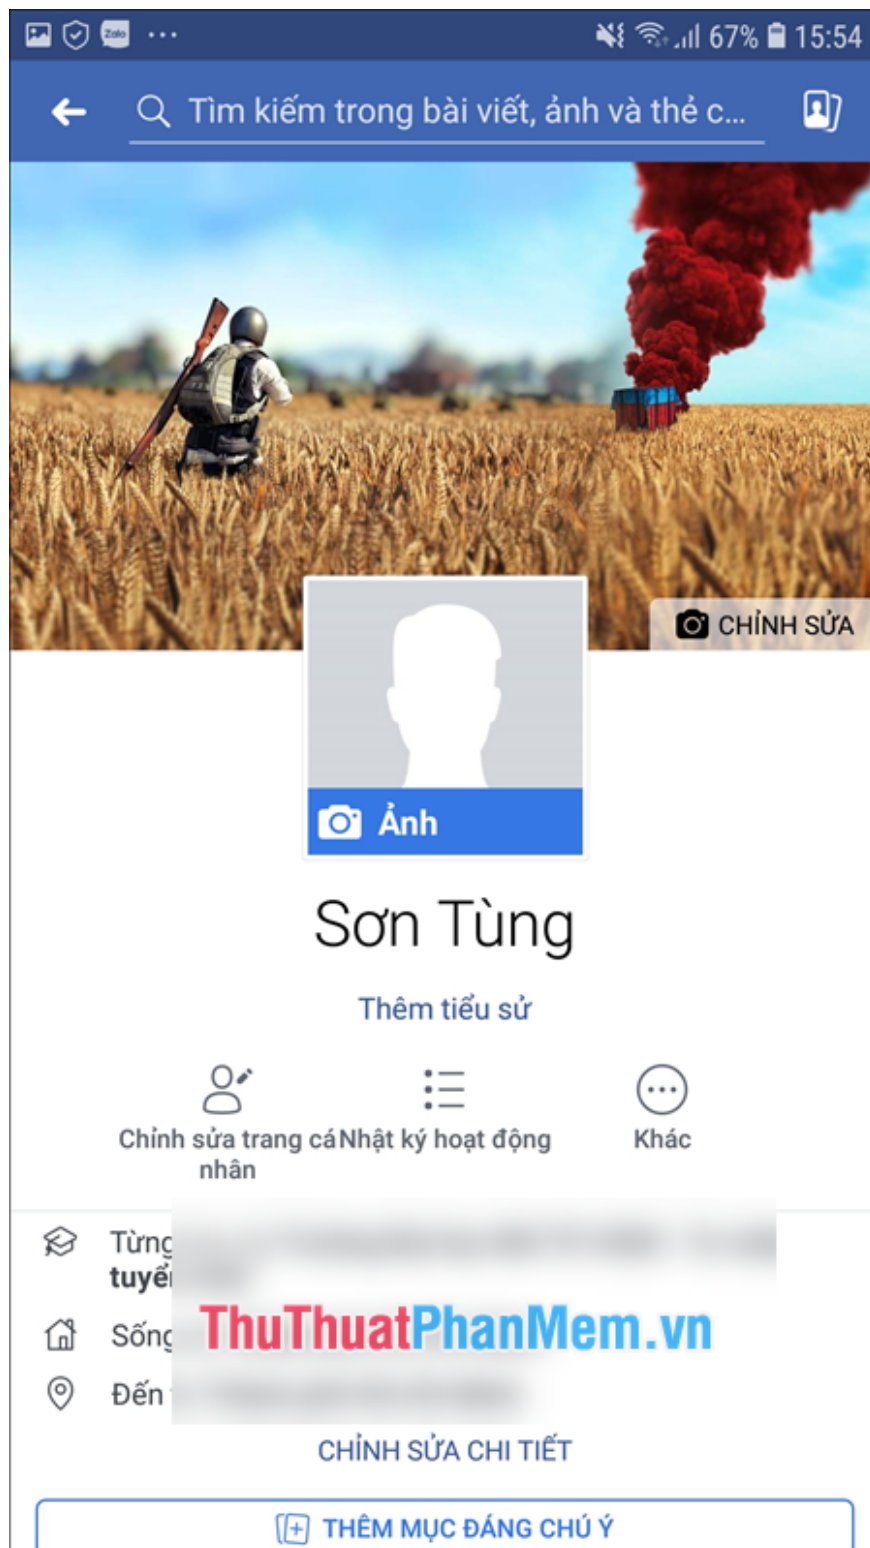

Step 1 : Go to your profile and then click on **the avatar** image, the options appear you select **View avatar** .

Step 2: When the avatar appears, click the menu button 3 dots in the upper corner of the screen and then select **Delete photo** , when a message appears, click **Delete** is finished.

Return to the profile you will see the avatar has been deleted.
