

# How to delete Firefox account

Mozilla Firefox uses a Firefox account to synchronize passwords, bookmarks and browsing data, among your devices. Suppose for some reason, for example, you do not want to use Firefox browser anymore and want to delete your account to delete all personal data from Firefox servers.

**Mozilla Firefox** uses a Firefox account to synchronize passwords, bookmarks and browsing data, among your devices. Suppose for some reason, for example, you do not want to use Firefox browser anymore and want to delete your account to delete all personal data from Firefox servers.

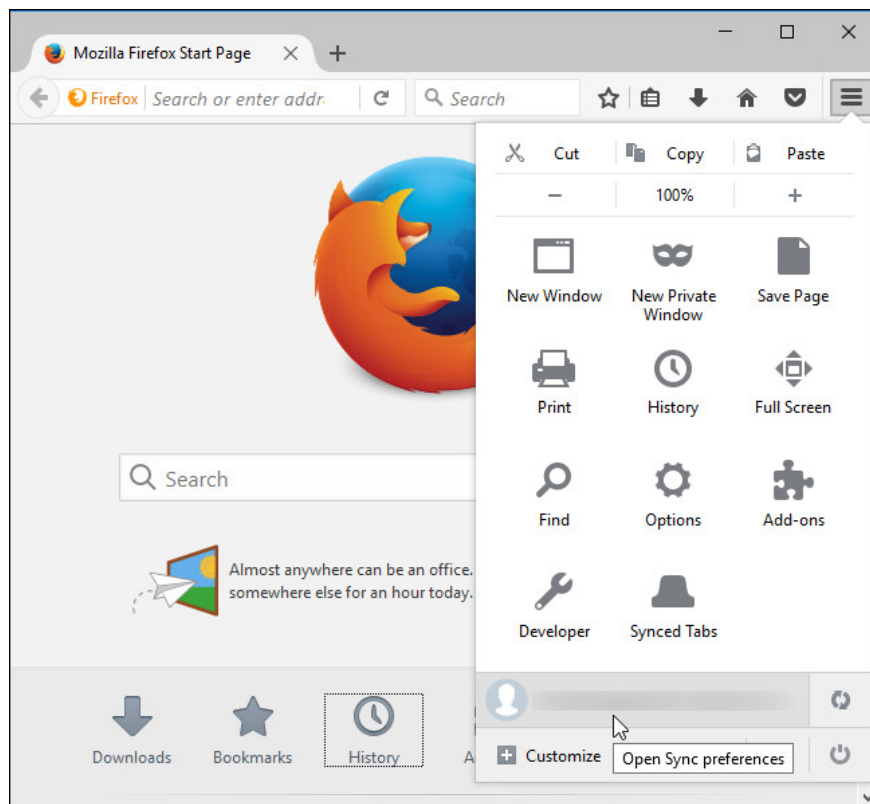

## Warning:

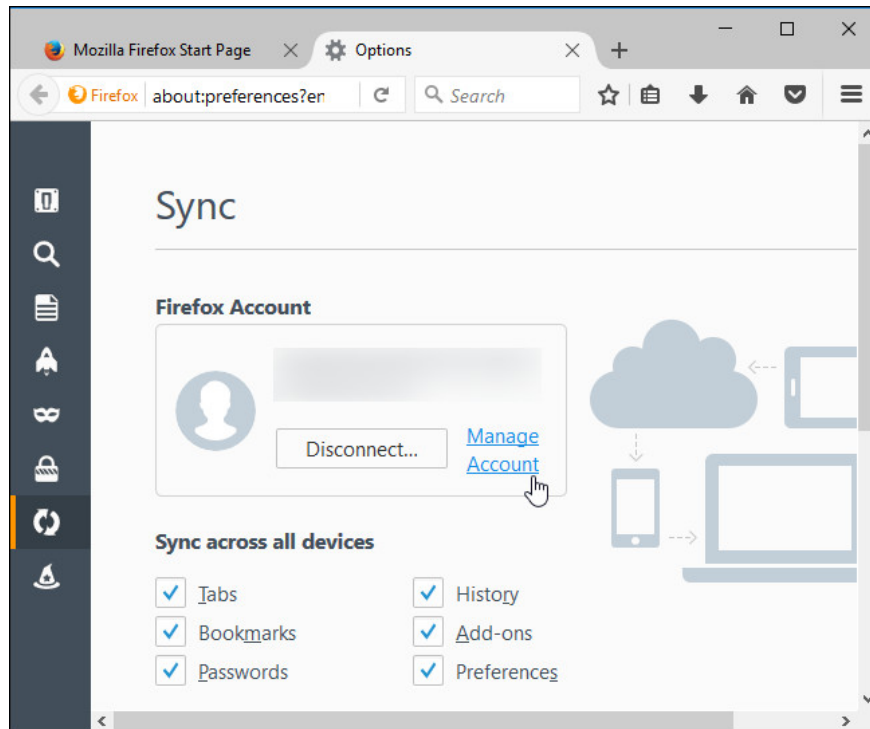

This will delete any data you save online on Firefox browser. Any data stored in the Firefox browser on your computer will still exist, but these data are not synchronized with your other devices only.

## 1. Delete Firefox account in Mozilla Firefox

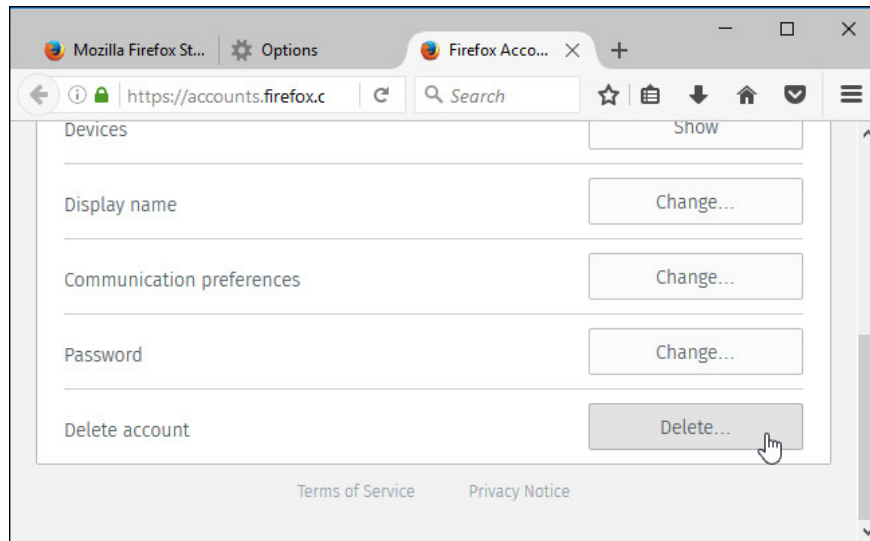

If you log in to your account on Firefox, click **the 3 dash line icon** in the top right corner of the screen, then select your account name in the bottom corner of Firefox's menu.

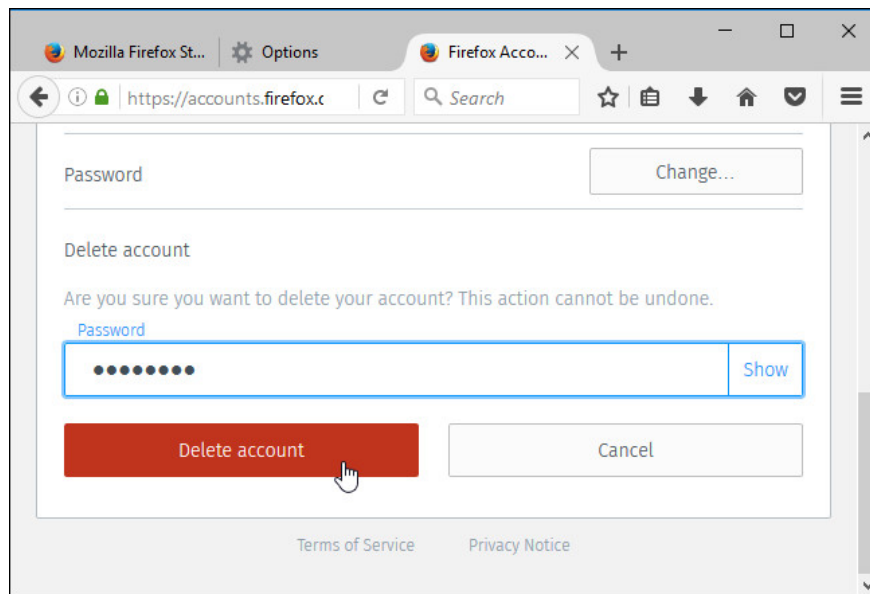

Next on the Sync options page, click the **Manage Account** link to open your account management page on Firefox browser.

Here click the **Delete** button in the lower right corner of the item **Delete account** .

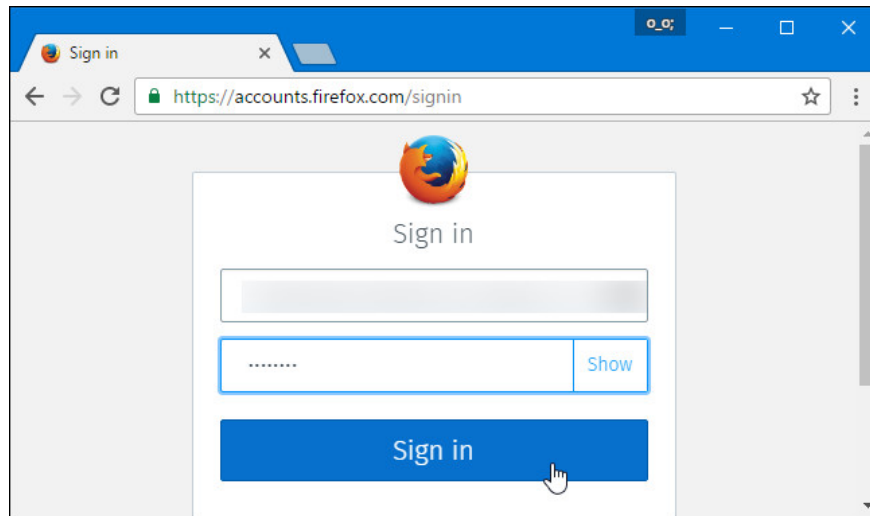

Enter your Firefox password then click **Delete account** . And your account will be deleted.

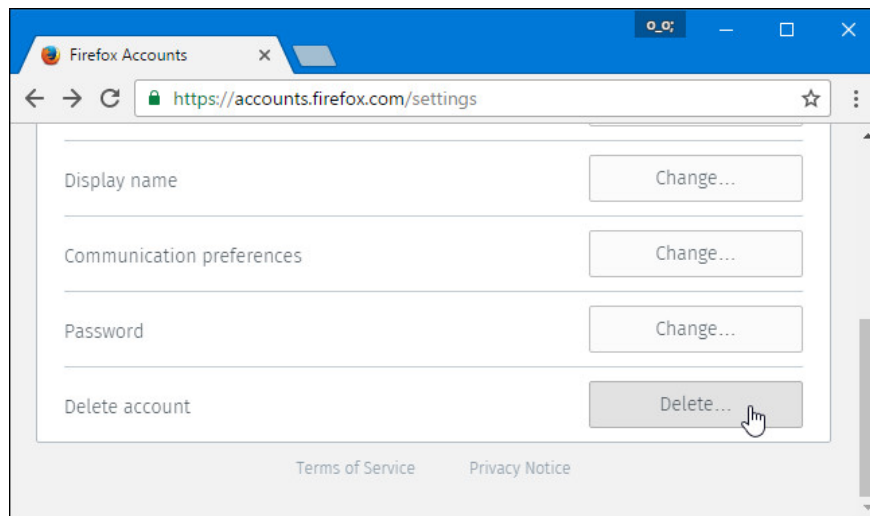

Also if you want you can create a new Firefox Sync account.

## 2. Delete your Facebook account from another browser

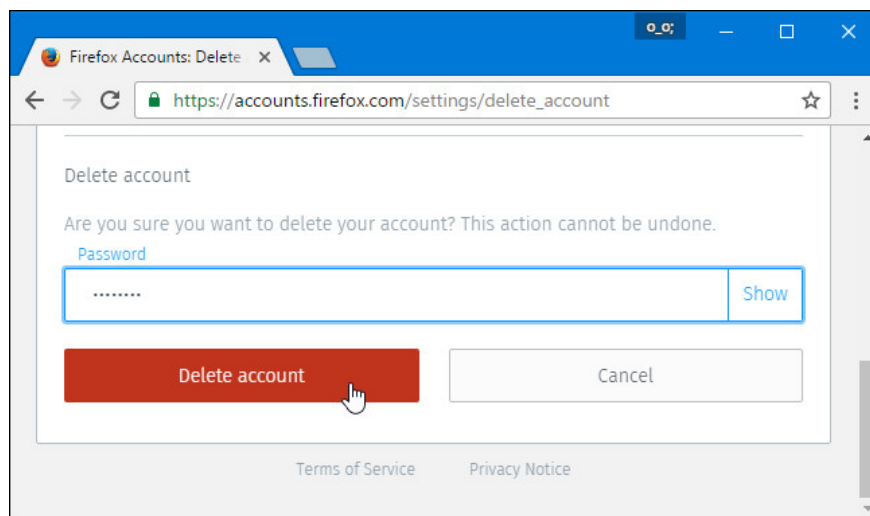

To delete your Facebook account from another browser, first access the **Firefox Account Sign-in page** on another browser (Chrome, Internet Explorer, .). Sign in with the email address and password you use on your Firefox account.

Next scroll down to find and click **Delete** in the bottom right corner of the **Delete Account** section .

**Enter your Firefox password** then click **Delete account** . And your account will be deleted.
