

How to downgrade Google One AI Pro plan

If you want to downgrade your Google One AI Pro plan, or cancel your Google One AI Pro subscription, you'll find this option on the Google One app homepage.

If you want to downgrade your Google One AI Pro plan, or cancel your Google One AI Pro subscription, you will find this option on the Google One app homepage. After downgrading, the storage plan will take effect from the following month and you will receive an email notification about this. The process of downgrading your Google One AI Pro plan is simple and you can follow the instructions below.

Instructions for downgrading Google One AI Pro package

Step 1:

You go to the **Google One app** and scroll down to **the Google One membership section** . Under your active plan, you **tap the Manage button** .

Google One membership

Google AI Pro (2 TB)

Member since 26 Aug 2025
