The content of the new Tournament mode:

The two teams will be divided into 3 pairs, each pair being two people traveling together in a pre-selected vehicle. One of them will be driving (can use weapons) and the other will take on the task of shooting, the goal is to destroy the enemy team for enough lives (TDM mode), or pick up enough boxes to complete. For enough points required (PickUP mode) will win.

Currently, the test version of PUBG Mobile 0.16 should be incompatible with some models and you may experience more heat than the official PUBG Mobile version.
