2. Summary of commands in the game MineCraft
3. How to create a playroom with friends in Mini World Block Art

## Guide to download football mode on Mini World: Block Art

### Step 1:

At the main interface on the game, click on **Multiplayer** ( **Interconnection** Hall).

### Step 2:

Switch to the new interface and click **Fight** in the list on the left side of the screen.

### Step 3:

This will display the maps in the Battle mode. Click on the **Hot Map** section above and look to the right to see the football mode for us to choose. Current maps that can be played will be displayed on the right side of the interface for gamers to choose. To select the football map, select the names like Soccer or Football.

The maximum number of members for the room and the number of existing people in the room will also be displayed. If the room has enough people, you cannot participate. If the room owner has closed the room, the player cannot participate. The room names will change and can click **Refresh** to reload the game map.

**Step 4:**

When selecting a map, we will have detailed information of the map, click Go to join the map.

Creating many themes to play on Mini World: Block Art will bring many new challenges for gamers. Each topic will have different content, test players. If you are familiar with basic modes such as Adventure, Creative, you can try other modes.
