

# How to download icons according to the Fluent design on icons8

Icons8 website will synthesize icons according to the beautiful Fluent design style for users to download and use for the website they are designing.

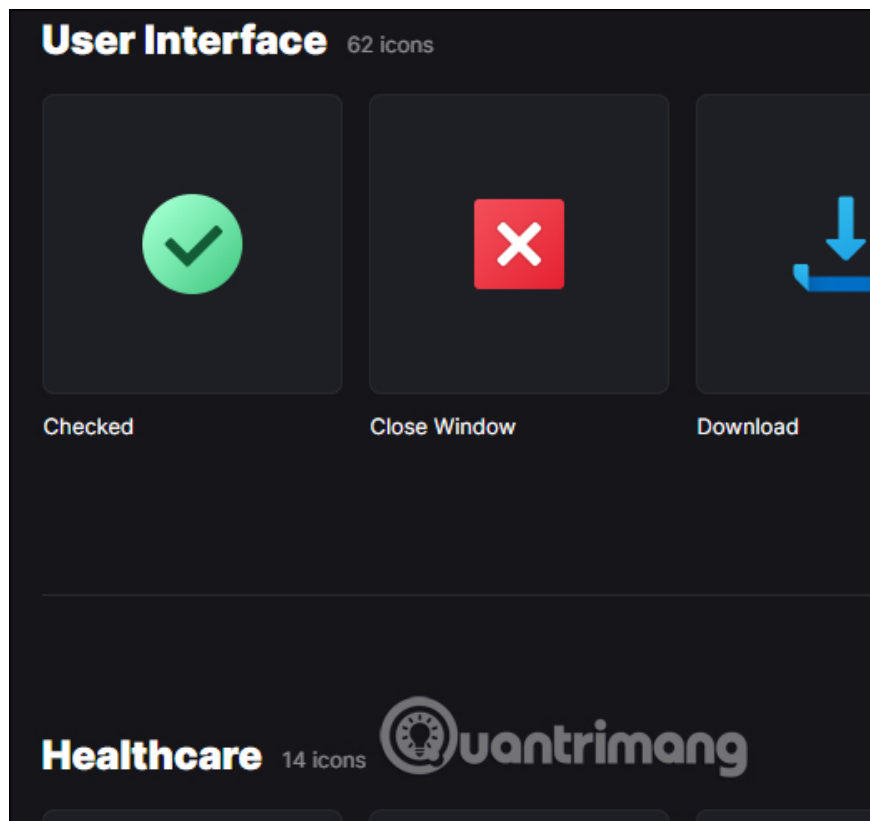

**icons8** owns a lot of website icons or different icons for us to download for free and embed them into our personal website or blog. For website designers, the use of stylish icons will create a highlight for your website. Fluent design creates depth for images and uses blur for images. The following article will guide you how to **download logos on icons8**.

## Instructions for downloading logos on icons8

### Step 1:

You access the link [Here](#) to go to the homepage of icons8.

Scroll down below and you will see there are many **icons divided into many** different **topics** , such as User Interface, Healthcare, Food . In each topic there will be a total number of icons.

### Step 2:

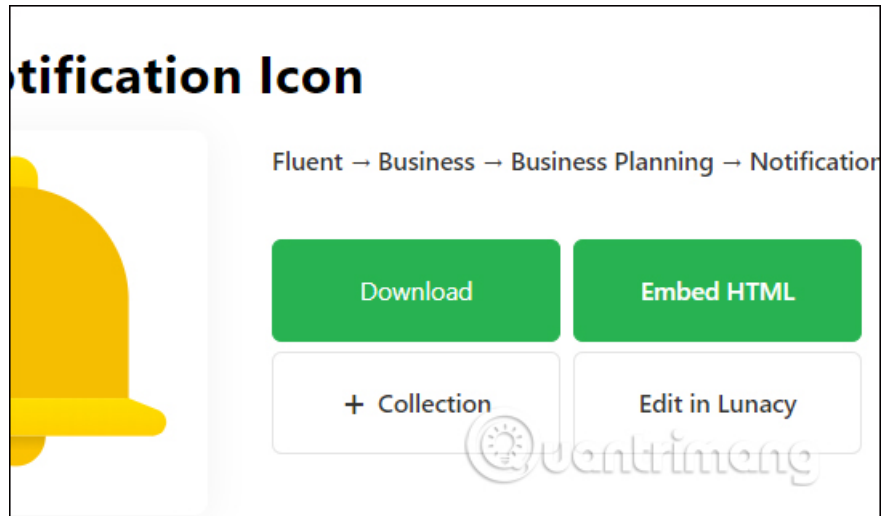

Click the icon you want to download. Here we can **change the look of the icon**, like changing colors, inserting text, adding effects if you want. Click on the content you want to change horizontally next to the icon. After changing, press Done to save

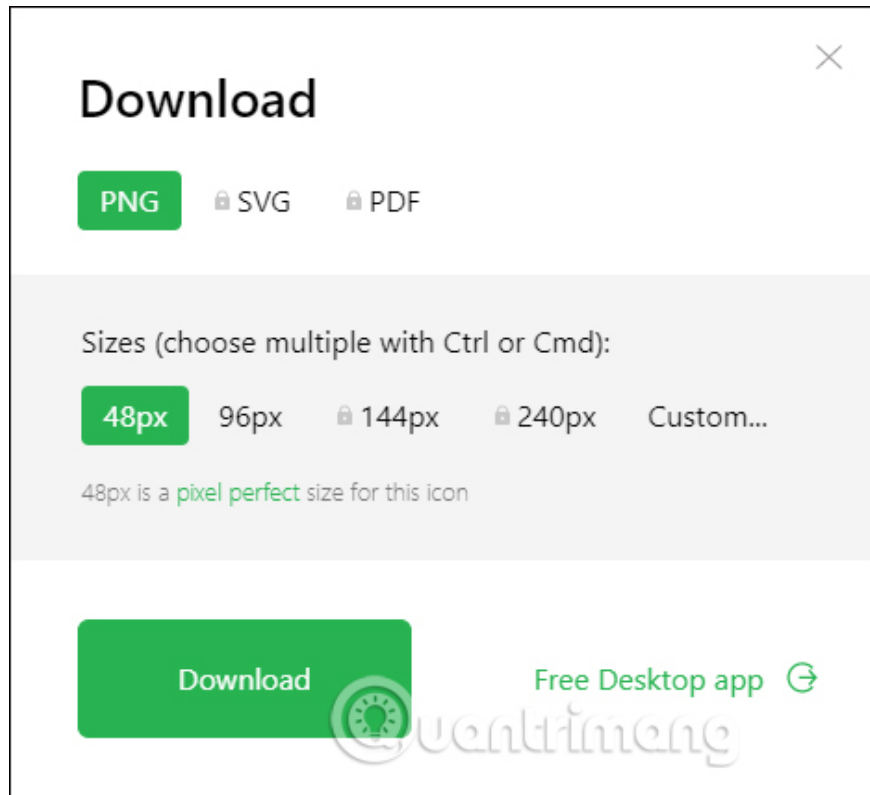

### Step 3:

After changing, **click Download** to download the icon, or click Embed HTML to get the embed code for the website or blog.

**Step 4:**

Now you will see there are many supported formats for images, and the size for us to download.

Finally click **Download for free** to download the icon. Note there will be download size limit and download format with free icons8 accounts.

The screenshot shows two columns. The left column is titled 'Premium Download' and lists categories: 'Required' with a link to 'Photos + Collages', 'Icons' with a link to 'Vector illustrations', and 'File format' with a link to 'Royalty-free music'. Below this is a button for 'Buy subscription for \$24'. The right column is titled 'Free Download' and includes the text 'Set link on pages where you use our icons.' Below this is a notification icon example: 'Notification icon icon by Icons8' with a copy icon. A link 'More about linking.' is also present. At the bottom of the right column is a large green button with a red arrow pointing right and the text 'Download for free'.
