

How to download PUBG Mobile International version when not found on App store and Google Play Store

How can I download PUBG Mobile International version when not found on App Store and CH Play?

PUBG Mobile Vietnamese has been officially launched by VNG on both game versions for iOS and Android. And during the game, some errors are inevitable with this new version of PUBG Mobile from VNG.

However, currently some gamers cannot find PUBG Mobile Global (international version) on App Store and Google Play in Vietnam, after PUBG Mobile VN launched. So how to reload PUBG Mobile International?

1. How to download and install PUBG Mobile VNG on Tencent Gaming Buddy
2. How to play Night Mode on PUBG Mobile?
3. Ambush tips on PUBG Mobile

Instructions for downloading PUBG Mobile International

Method 1: Download on intermediate website

If users cannot find the PUBG Mobile International version on 2 popular app stores, you can visit some download game sites like Download.com.vn, or go directly from the game's home page.

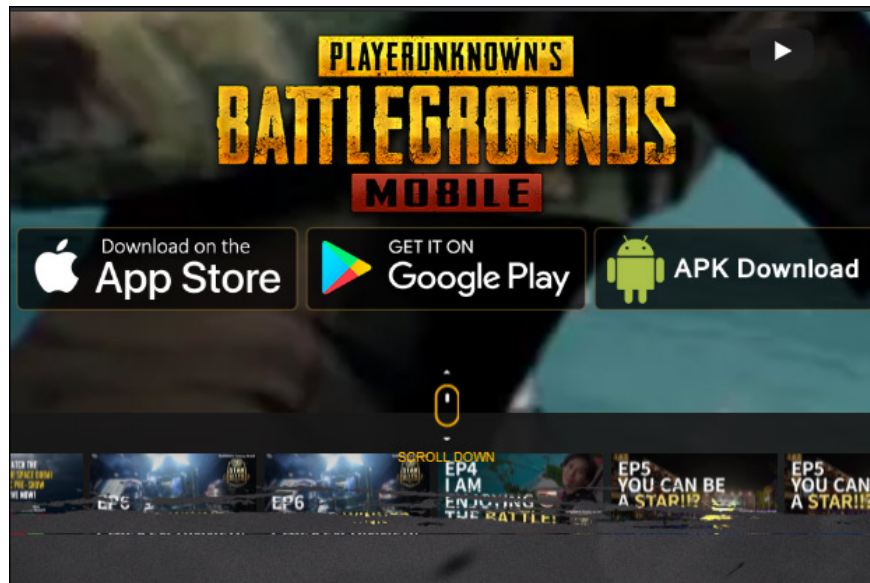

With Download.com.vn you can access the link below.

1. Download PUBG Mobile for PC
2. Download PUBG Mobile for iOS
3. Download PUBG Mobile for Android

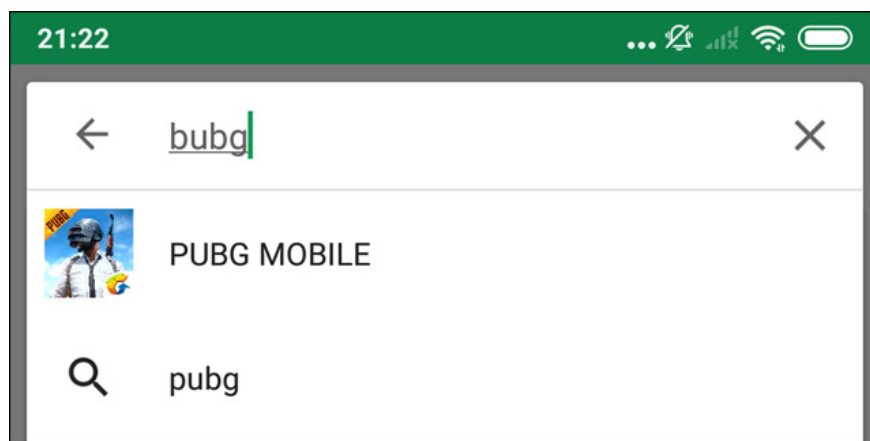

Or you can go directly to PUBG Mobile's homepage.

1. <https://www.pubgmobile.com/en-US/>

Here will link to App Store or Google Play for you to choose to reload the international version game. In addition, the game home page also provides fille APK to install on Android devices.

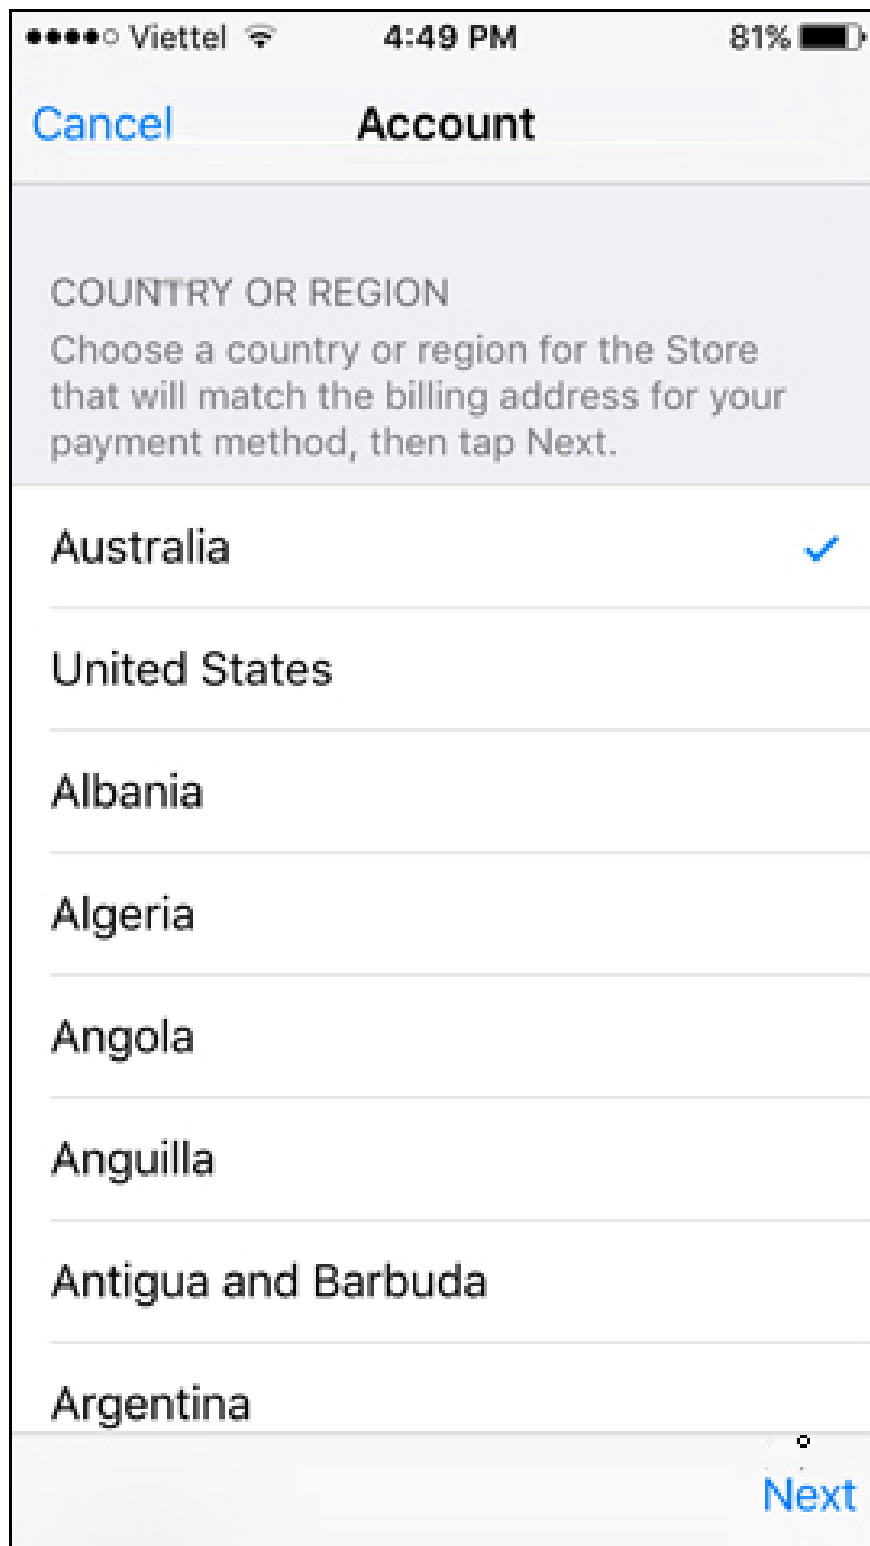

Also with Android devices when accessing Google Play can enter the **keyword bubg** to find the version of PUBG Mobile International.

Method 2: Move the country on iTunes

With iOS devices, you can transfer Apple ID account to the US area to download PUBG Mobile international version. How to roam the App Store country you read in the article How to change the Country of the App Store account area on iPhone.
