Santa Claus or reindeer, flashing Christmas trees. are extremely familiar things every time Christmas is coming. The article below will guide you how to draw a cute Santa Claus to decorate Christmas cards to send to relatives and friends. You can do it with your children to have happy, warm moments and beautiful memories when together creating unique images during Christmas.

Instructions on how to draw Santa Claus

Very simple tools include drawing paper, pencils, colored pencils.

1. Draw an oval to outline Santa's head.
2. Draw a smaller oval within the first round to form Santa's nose.

3. Draw 4 curved lines as shown below to form Santa's mustache. Then, erase any extra lines and curves under the sides of the mustache.
4. Draw Santa's beard.
5. Draw two vertical curved lines extending from the beard downwards and connect these two vertical curves with a horizontal curve to outline the snowman's body.
6. Draw a long, curved line from the shoulder to the torso and add a shorter curved line, finally erasing the extra lines to form the arm.

1. Draw the hands and the shirt belt.
2. Draw a large curved line from the arm to the bottom of the body to create a gift bag.
3. Draw Santa's legs and boots.
4. Draw a hat for Santa Claus.
5. Finally, add eyes, nose, and mouth for Santa Claus to complete the drawing. Remember to color Santa Claus more vividly.
