

How to dress Senna DTCL season 2

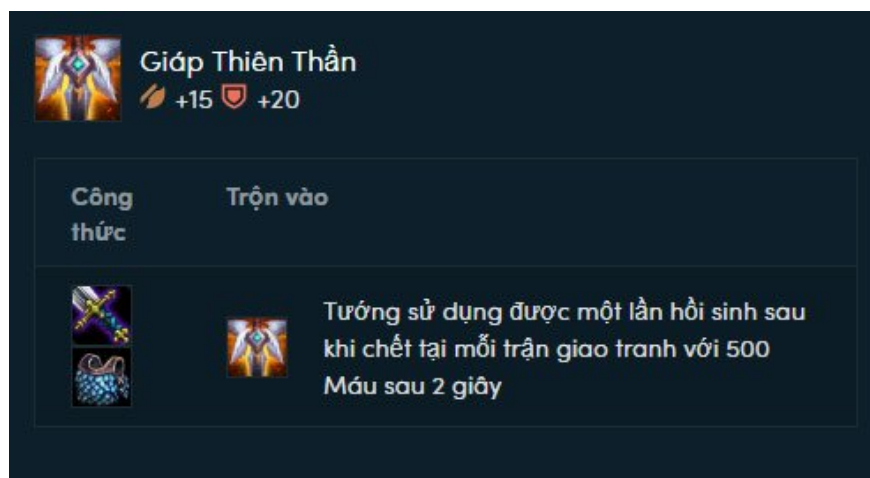

This is how to build Senna DTCL season 2, because her role is only the main support, so it will include equipment to help support teammates and better combine the Tribe.

The most suitable equipment for Senna?, Which is a question many people still ask when they intend to bring her to the ring. Ever since she appeared with her husband - Lucian, Dark or Light teams have been picked more in the meta game and are currently the strongest teams in the Arena of Truth.

Senna appeared on the field more as a supporter than an attacker, she didn't resist as well so the team needed a good tanker. The equipment is not suitable, so please focus on pairing her with the equipment to support the teammates and combine with other races, here are the best equipment for Senna DTCL.

Dressing guide for Senna Arena of Truth season 2

Angel Armor

Together with Demon Book Morello, this is a must-have item for Senna for two reasons. The first is because of the Spirit's buff to her husband - Lucian. If Senna is destroyed, then with Angel Armor, she will return and Lucian will continue to shoot, whether alive or dead. This allows her to maximize her and Lucian's damage.

Even without Lucian, Angel Armor is still very useful for Senna because she often stands in the back row and if she meets the Assassin team, the chance of being slashed is quite high. Angel Armor will help her revive and not be noticed anymore, so Senna can then return to buff for allies when they fight.

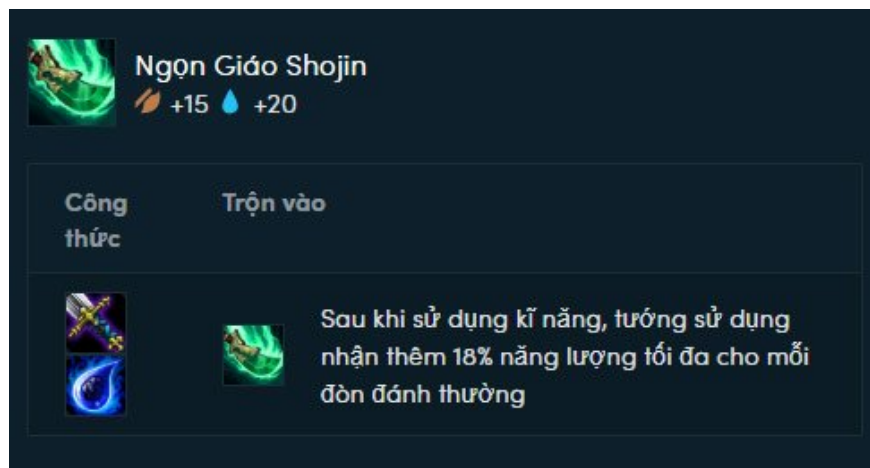

Devil Letter Morello

This is not just one of the best meta game items at the moment. It is also a must for Senna, because with her skill, Senna can attack a large area and this is one of the best ways to use Morello in the game.

In addition, the fact that she often shoots at the tanker in front or the assassins in the backline will maximize her damage. A very important thing when equipping Senna Morello is Senna's position, it will be completely useless if you do not put her in the right position. In case Senna only shoots at allies for support, she doesn't need any items on her.

Loving Shojin

Senna was able to initiate her shot quite easily, which indicates that this equipment will help her perform the skill immediately as it supports mana regeneration after each skill. It can allow Senna to constantly buff her allies.

If Senna can use her skill multiple times in a round, not only will she cause some serious damage to the enemy team. Also all of her teammates, each Senna's buff will give teammates 30 - 55 magic damage on the attack. Although not much, it is possible to completely change the outcome of the match.

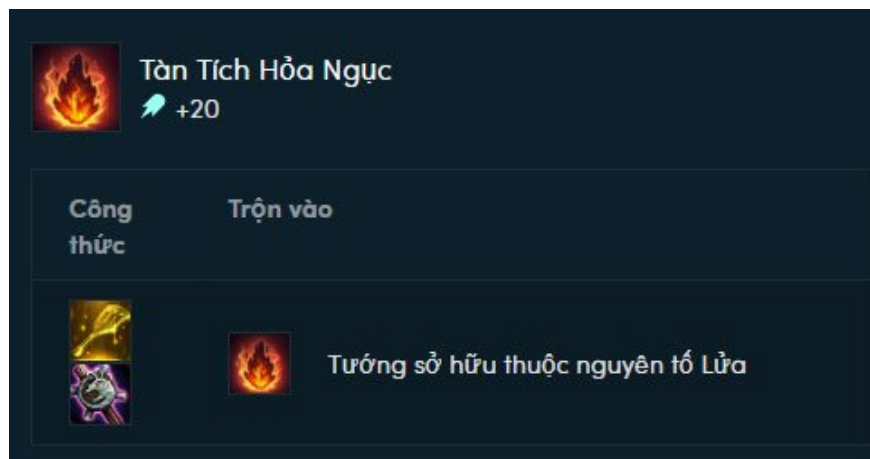

Light Amulet

For Lucian as Light, this is also very obvious. The reason this item is not a mandatory item is that it is not a threat to the enemy like the three mentioned above.

It might be the 3rd item in the last box after you've got the Demon Letter, Angel Armor, and Thuong Shojin. In a Light team, Senna will also receive Light buffs like other Light champions if equipped with this equipment. In addition, she also gives teammates more damage. The problem is that you have to get all the items and champions you need to have a strong synergy buff.

The Ruins of Hell

This equipment is not often talked about and seems uncommon if used in a team with Senna. But imagine what a seemingly innocuous shot but then the stage will have a series of lava burning blood at the feet of the enemy.

Senna can do this early in the game, as her skills can affect a lot of champions on the stage, including her own and the enemy's champion. So buffs from Fire can easily destroy enemy teams when Senna has Ruins of Hell.

Combine with Diana while Senna is aiming at the Demon Lord Morello and she can easily become the top damage dealer in your team. Although this is not Senna's ideal equipment, if you intend to build the DTCL Fire team, do not ignore this option.

Those are the most suitable equipment for Senna, it seems that Senna's way of dressing is not the same as Lucian's. But they both have a common equipment which is the Angel Armor so they can stand together.
