

How to drop airplane emoticons on Facebook

New aircraft emoticons on Facebook are now gaining the attention of the online community. So how to use plane emoticons on Facebook?

Recently some Facebook accounts after updating the app to the new version have seen the emoticon plane. Following the list of available emoticons on Facebook, users will see an additional icon for use in the article. However, if done in the usual way, click on the Like to select the icon will not see the plane icon. So how to drop airplane emoticons on Facebook?

Note: Facebook has confirmed that airplane emoticons are just a bug and not an official feature, Facebook can remove it at any time, if you can't do it, you probably know. This is too late !!!

1. Add emoticons when texting on iPhone
2. Install the Reactions Packs icon on Facebook for Chrome, Firefox
3. Instructions to add emoticons on Facebook

How to use the aircraft icon on Facebook

Note that only the latest Facebook Android version is available to update the aircraft emoticons. Please update Facebook to the latest version. The posts have friends dropping emoticons to use this emoticon emoticon.

1. Download the Android Android app
2. Download Facebook for iOS

Step 1:

In the article on Facebook, someone commented or expressed his feelings, click on **Comment** . Then click on **the Like icon** in the right corner of the screen.

👤 **Minh Hằng**

Step 2:

We will then see a display of emoticons and an angry icon at the end of the list. This is the plane emoticon you need to use.

When you click on **the second angry** emoticon, the aircraft emoticon has been used. Some Facebook accounts will always show an airplane icon.

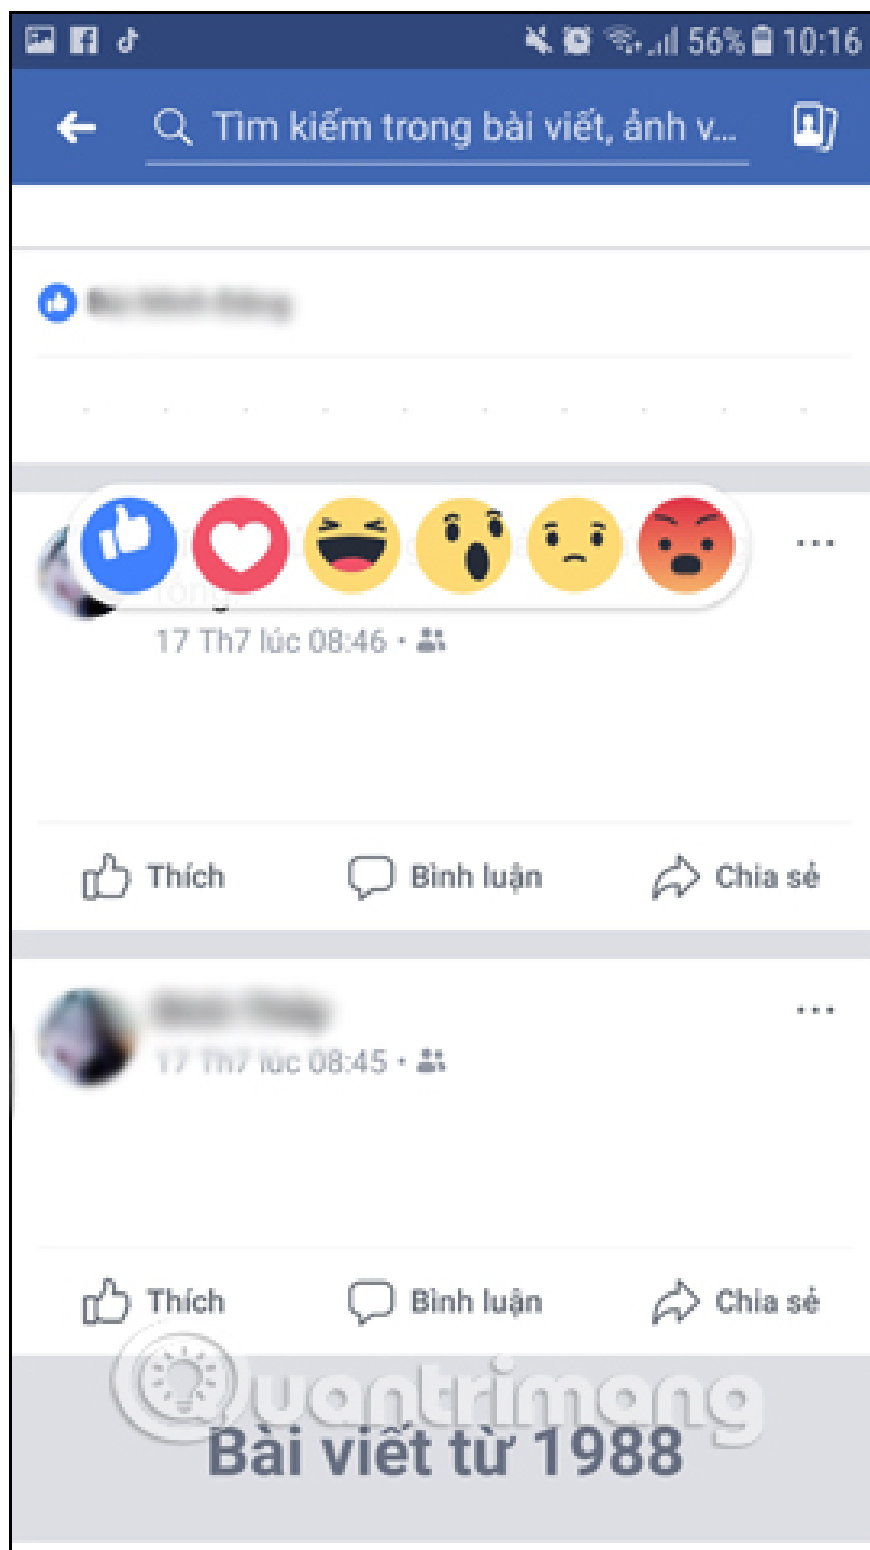

Back to the Facebook interface will also see the emoticons emoticons notification used.

If you follow the usual way, click on the icon Like right outside the interface will not have an airplane icon.

There is currently no known emoticon on Facebook just tested, or will update all Facebook versions in the future. But now the Facebook Android version has released the feeling of aircraft.
