

How to edit photo captions on WhatsApp

When forwarding photos on WhatsApp, there is also an option to caption so that the recipient of the photo knows the content of the photo, or the message you want to send in the image.

Images when sent in WhatsApp will have an additional forwarding option for us to share this image with others or send it to the WhatsApp chat group. This saves you from having to re-select images to send. And when forwarding photos on WhatsApp, there is also an additional option of captions so that the recipient of the photo knows the content of the photo, or the message you want to send in the image. The following article will guide you to edit transition photo captions in WhatsApp.

Instructions for editing WhatsApp forwarding photo captions

Step 1:

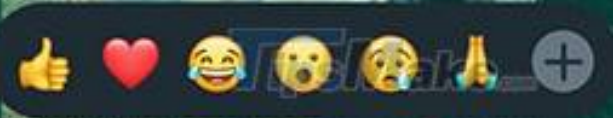

First you send the image in the chat on WhatsApp as usual. Or you open the chat with the image we want to forward. Next, **press and hold on the image** you want to forward and then select **the arrow icon** in the right corner as shown below.
