

How to enter the practice mode PUBG Mobile

Training mode in PUBG Mobile will provide you with everything to practice weapons and work in the game.

The gym in PUBG Mobile is where gamers can practice after each failure to learn from the experience, or simply where you can "juggle" jubilantly with weapons and vehicles available. But when updating this feature for gamers, there are quite a few players looking into this Training mode map.

Maybe the player did not pay attention or did not care about this mode and only focused on the map and then spent TOP 1 in normal battle mode, but even when entering Training mode to practice or stress, this is still a The mode is quite interesting in PUBG Mobile. Here's what is available in Training mode.

1. Download PUBG Mobile for iOS
2. Download PUBG Mobile for Android
3. Download PUBG Mobile for Windows

PUBG Mobile: How to enter Training Mode

Step 1: Start PUBG Mobile, select the training icon as shown below to enter practice mode.

In here, the first thing that you will see is a very complete list of weapons with each instruction sheet divided into different weapons using bullets. You can choose freely the number of weapons here without fear.

Enclosed is the number of infinite bullets displayed in front of the firing table, which has all the necessary ammunition for you to choose from.

In this area you can also see a few icons of the feet and the Fire Zone icon, which is the area where you stand and shoot targets on the map.

Next are protective items such as armor and hats. And the list of weapons accessories is also located nearby for you to choose from, of course, it is indispensable Balo.

And of course it is indispensable for the facilities, in Training Mode there will be all kinds of vehicles for gamers from road to waterway. The map is also designed specifically for driving practice.

You can also see other players in Training Mode, you will not be able to damage them and they will.

If you don't want to mess up, press ESC to go to the Settings screen, then select Lobby to exit the lobby.

This is obviously a pretty suitable place for newbie gamers when they are new to PUBG Mobile or gamers who want to practice their weapons use skills. Really Training Mode if you go in and practice regularly, you will be very quick to "hand up".
