

How to find events, activities, festivals on Facebook

With big events, festivals, fun activities, we can absolutely search on Facebook to be able to recognize the time of participation, as well as the most detailed information about the event.

Facebook is not simply a place where we socialize, chat and make friends with people all over the world, but you can also get the fastest information possible about every aspect of life. Hot news, promotional information, special event programs, . are all easily searchable on Facebook.

And at the end of the year, events will be held more often and you can search them through event suggestions, community activities on Facebook. Thanks to this information, you can quickly update the exciting events that are accompanied by the time and place of the event, especially on this 2017 Year of the Rooster.

How to hunt events on Facebook 2017 Year of the Rooster

Step 1:

First of all, you log in to your personal Facebook account. At the main interface, the menu item on the left we find and **click on the Events section** .

Step 2:

Switch to the New Events interface. Here you will find a lot of entries for different Events, including events that you have previously participated and subscribed to, events that are popular over time and in your Facebook friends network.

For example, we look to the **recent Popular Events** section and click on **View more** to know more about different events.
