How to find friends on facebook

1. Quick search for friends on the computer

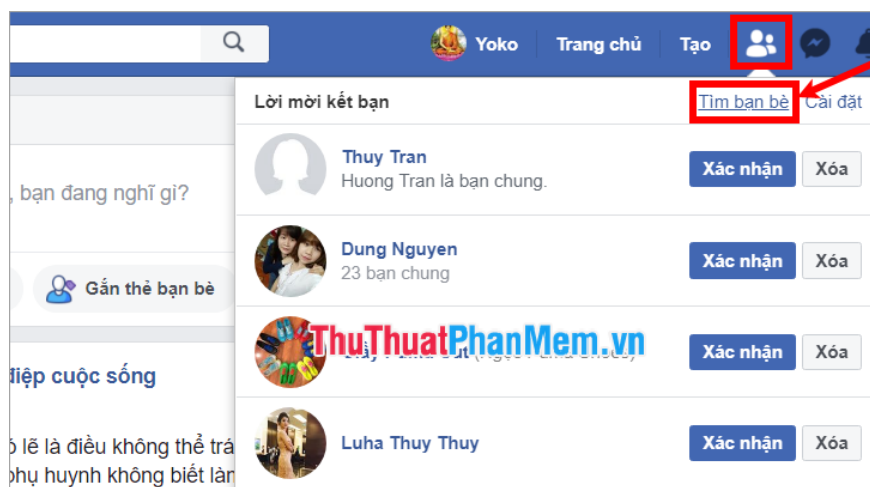

You enter the name of a friend, phone number or email of friends in the search box above the facebook interface and press **Enter** (or search icon) to search.

A list of facebook that matches your search term will be displayed.

You can also search for friends by viewing suggestions you may know by selecting the friends icon -> Find friends.

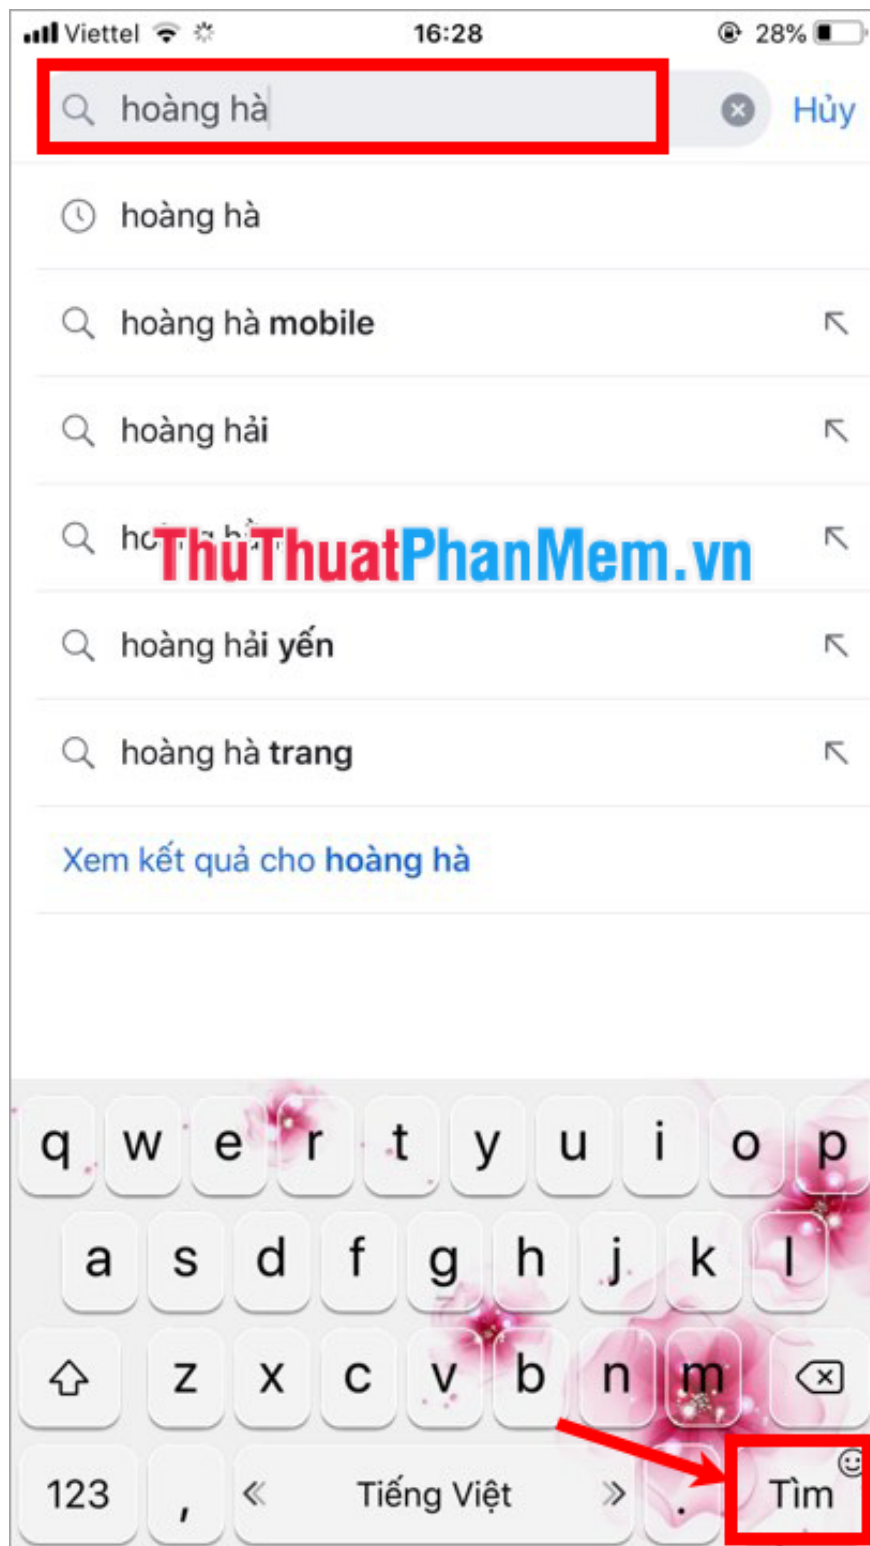

Here will be the invitation of other people to request you, you drag the slider along the bottom will have the **Friends you can know** and find the friends you want.

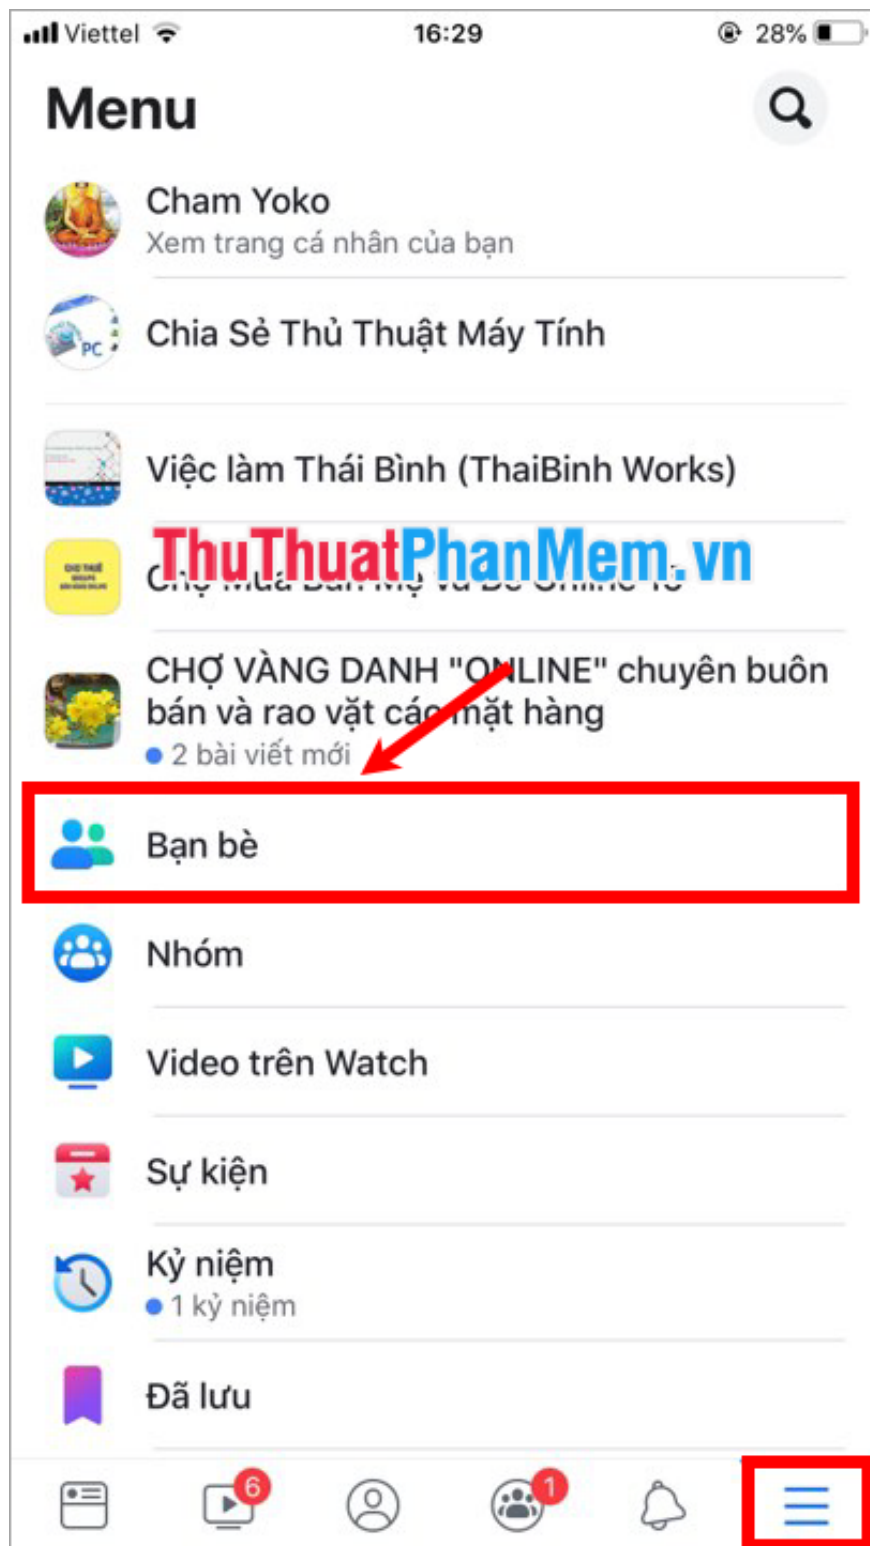

2. How to find friends from your mobile phone or email account

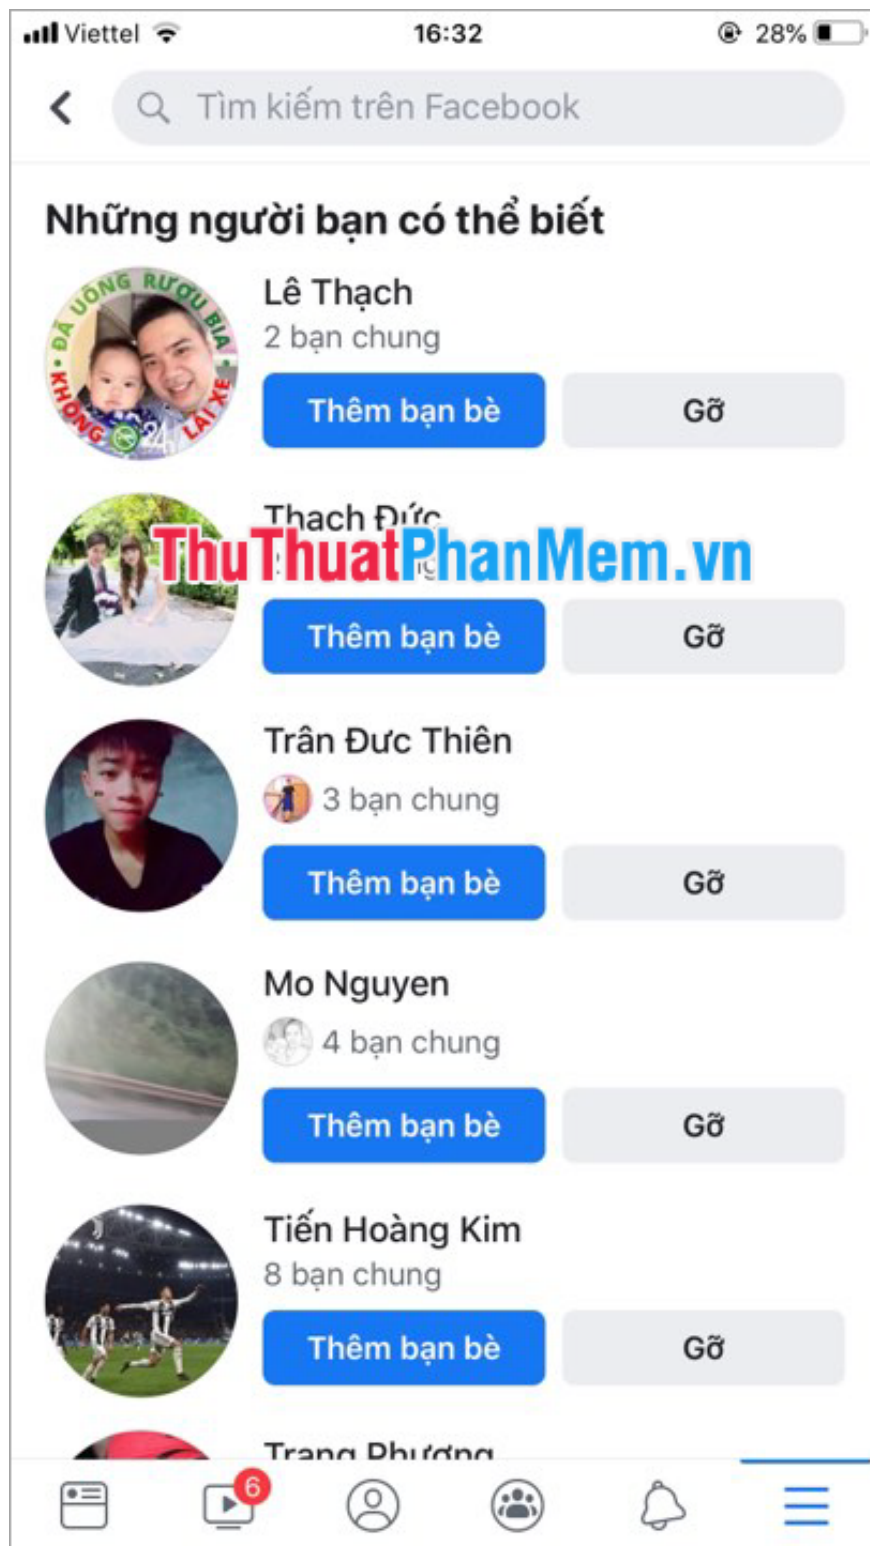

On your facebook home page, enter the name of the friend to search in the search box and click **search** to search for friends.

Or you can search for friends by selecting the **three dash** menu icon -> **Friends**.

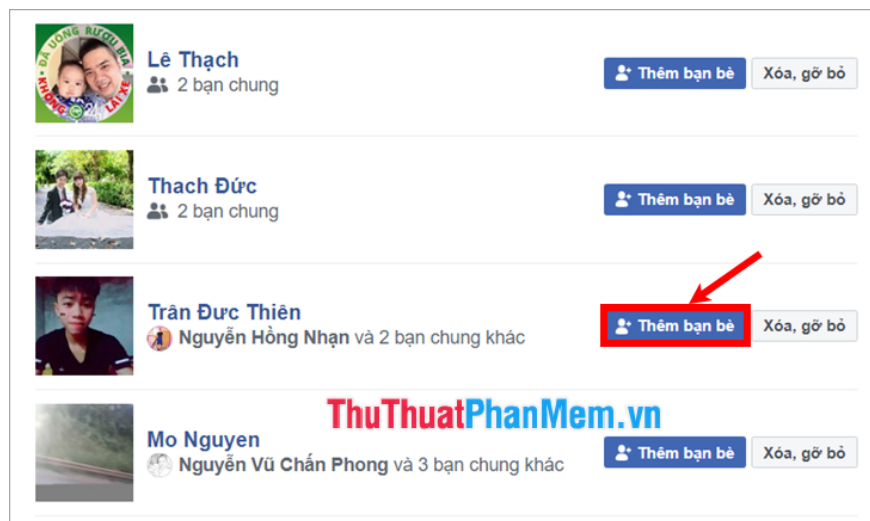

Select **Suggestions** for facebook to make friends you may know, here you can search for friends.

How to send friend requests on Facebook

After **finding friends** you can add friends by selecting **Add friends** to send friend requests on facebook.

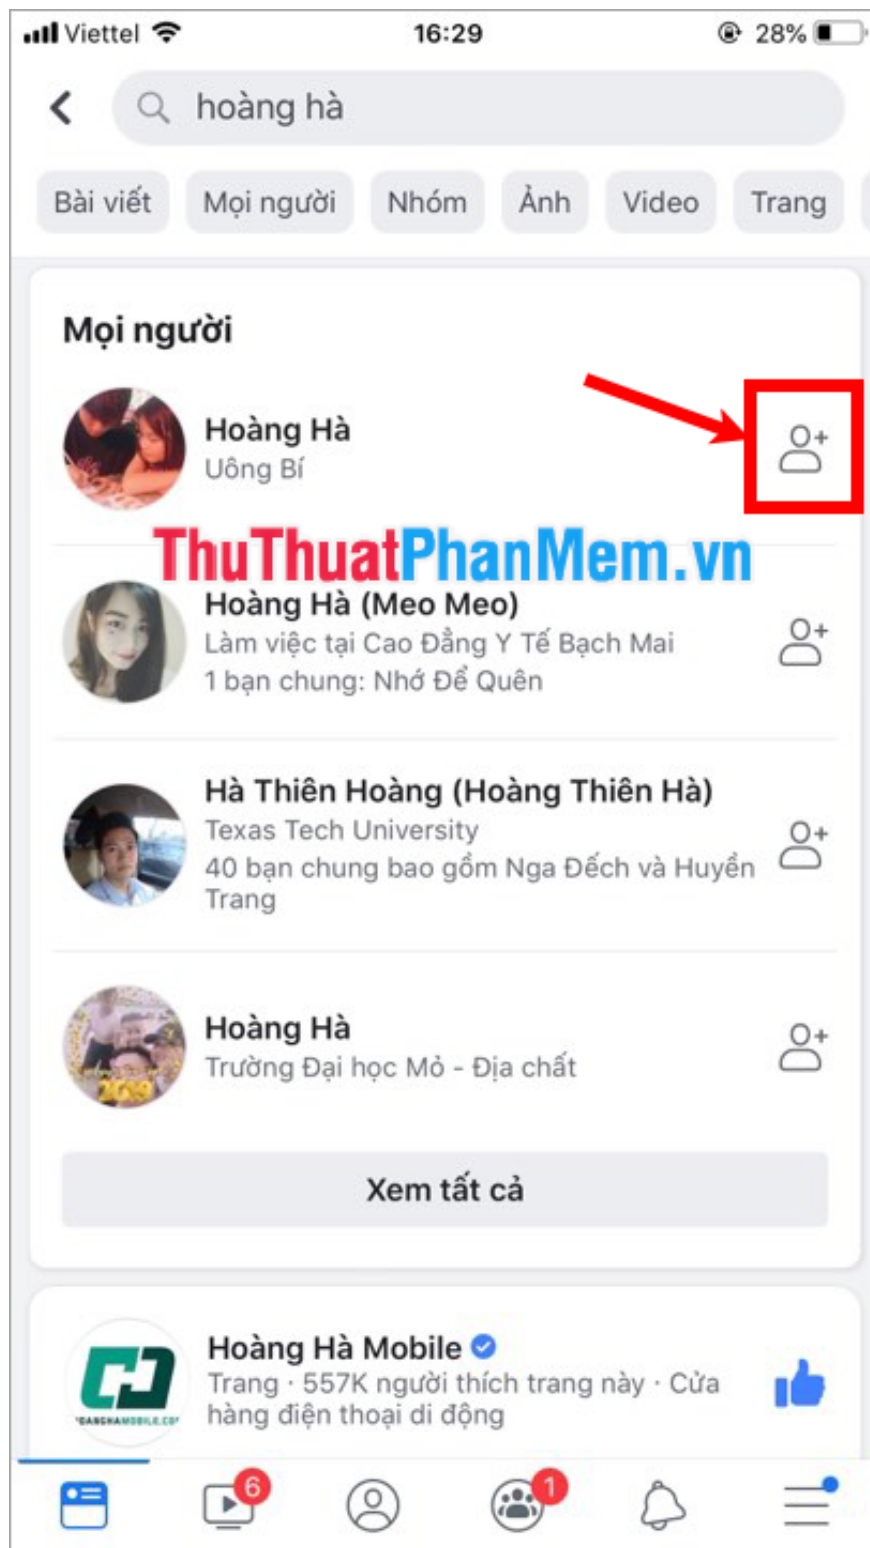

Or you can click on the person's name in his or her comment or post to open their profile.

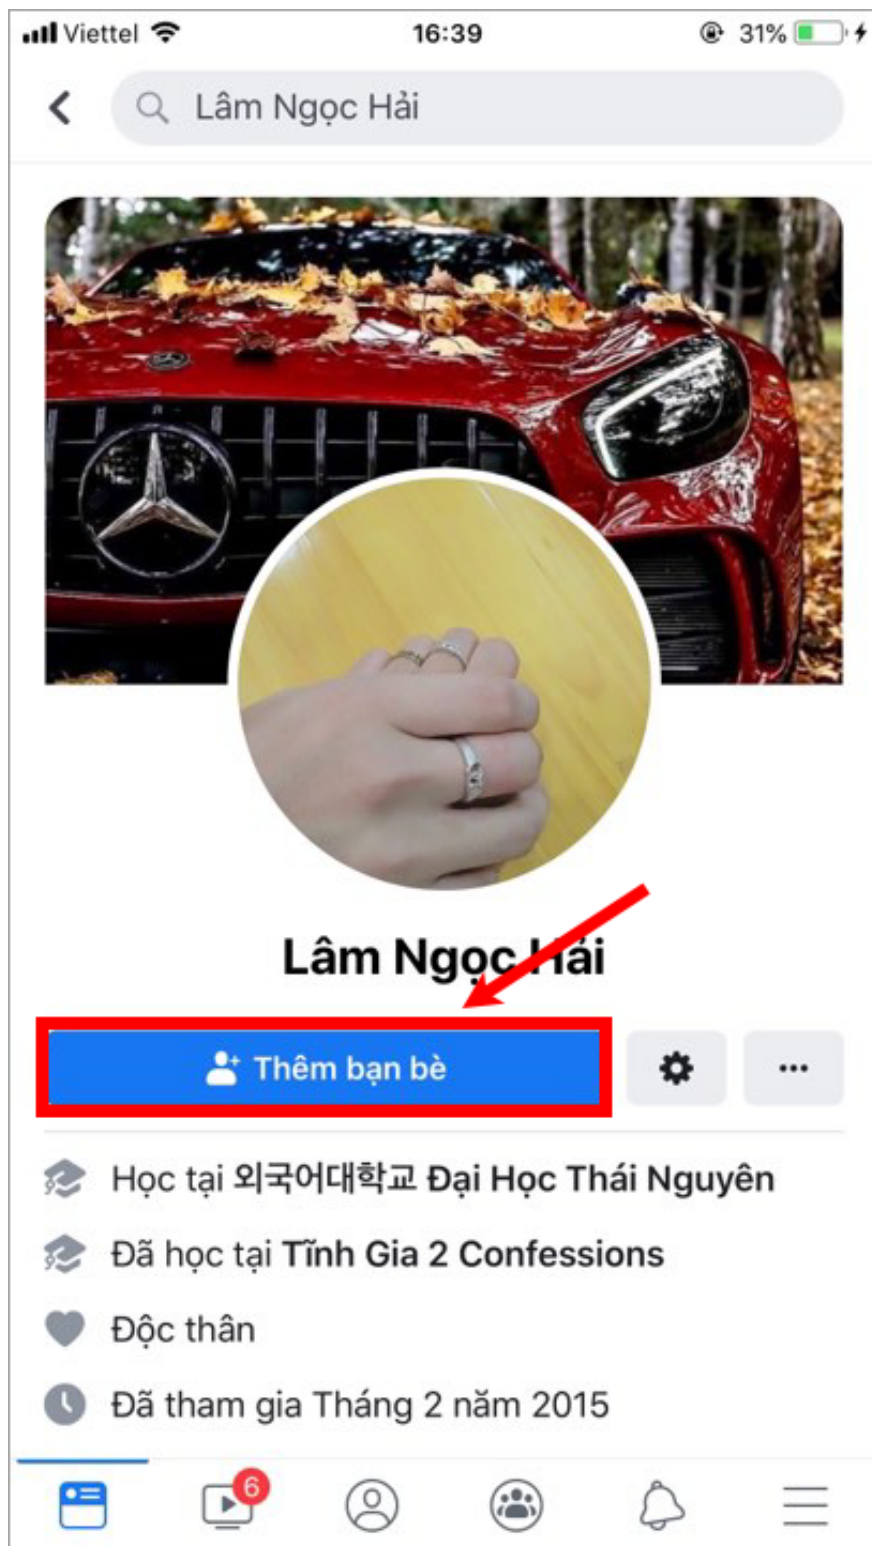

Then click **Add friends** to send **your friend** invitation.

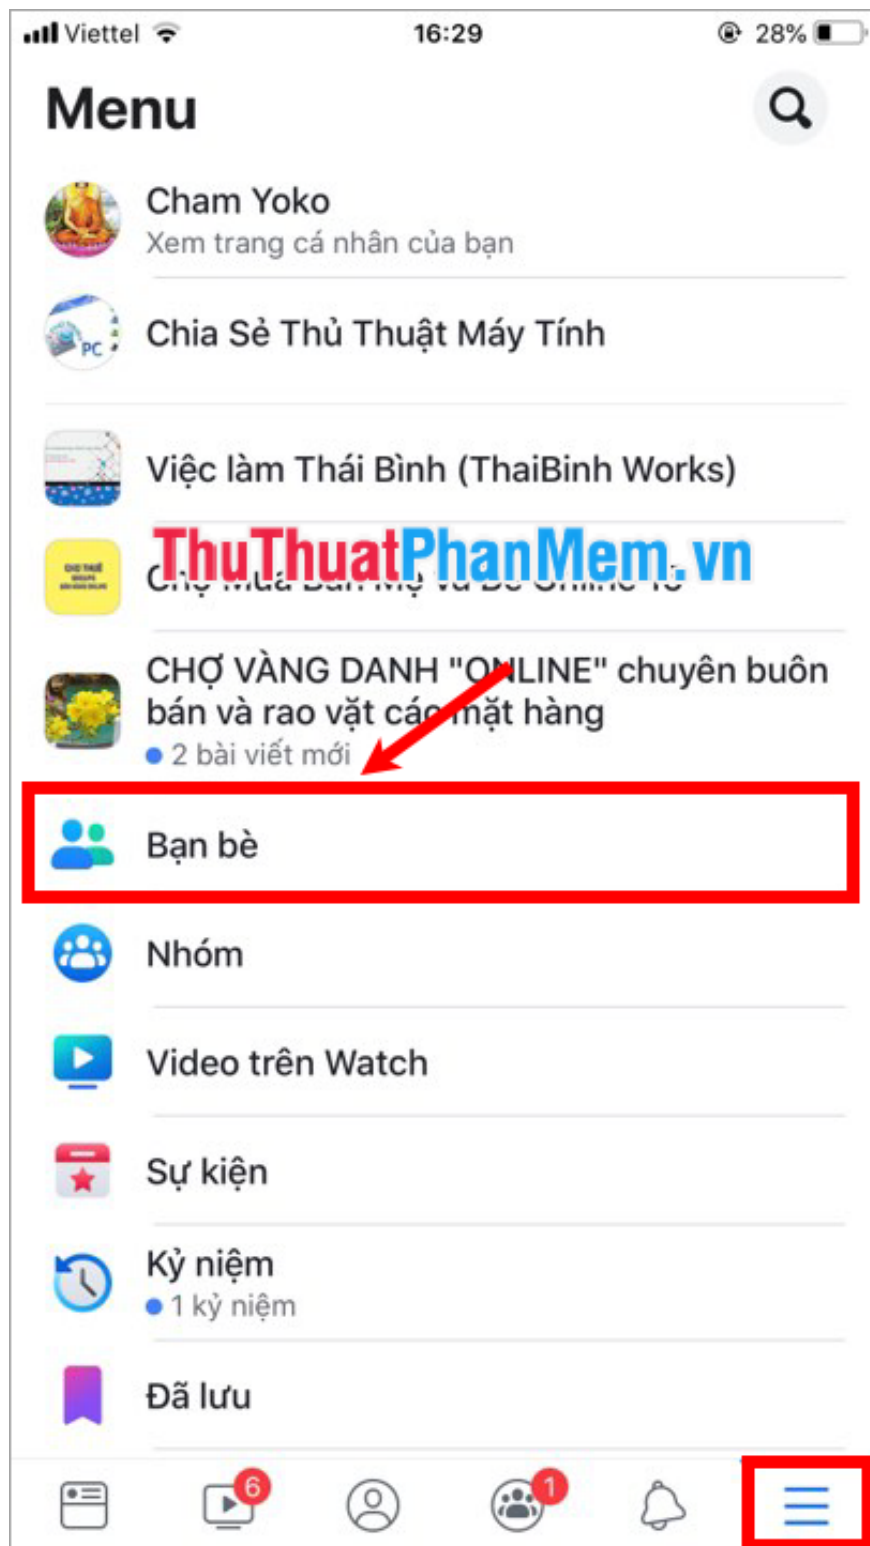

On your phone, you can send friend requests by searching for friends and select the add friend icon as shown below to send friend requests.

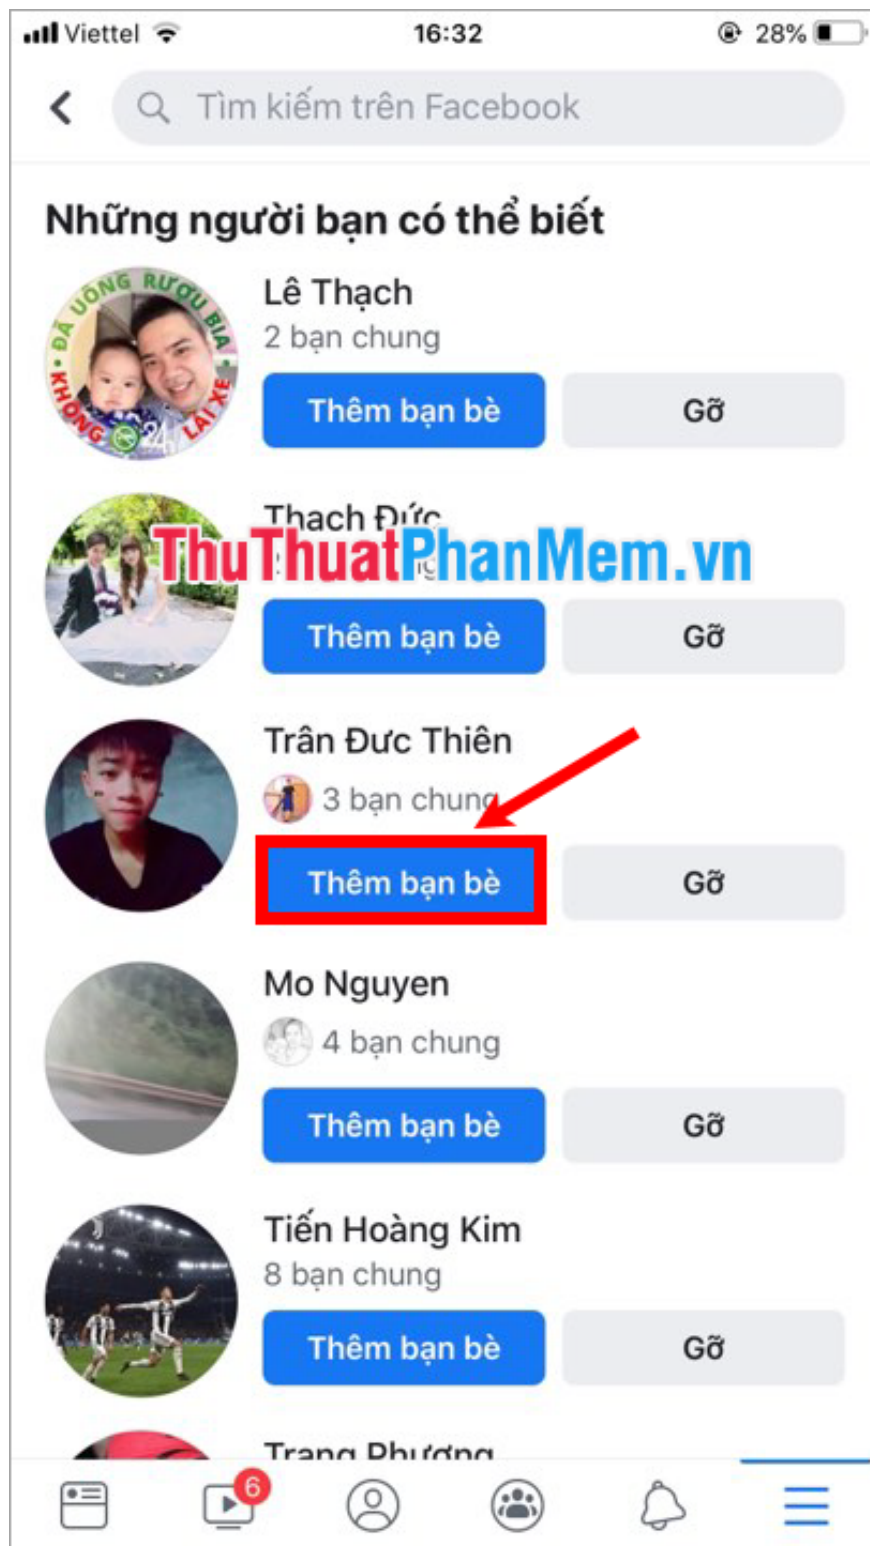

Or on the profile of the person you want to make friends with, select **Add friends**.

You can also press the **three dash** menu icon and choose **Friends**.

Select the suggestion section you can search for the friends you want to make friends and select **Add friends** to send **friend** invitations to them.

On the Profile page, **Add friends** button will be below the avatar and the name of the person, if you do not see the **Add friends** button, this person has hidden this button but does not want others to send friend requests to them, or they let **friend's friend mode** only accept **friend** requests from people with whom they have mutual friends.
