

# How to find friends in Coin Master

In this article, you can find friends in Coin Master, in addition to the list of friends in your Coin Master, you can view the list of top countries and top of the world Coin Master.

Many people want to block their friends on Coin Master, the fact is that if you block, they will still be broken down by the game publisher NPC who launched to sabotage players. Unfortunately, this game without friends will lose fun, although it can make you "emotionally rift".

You and your friends will receive a free spin Master, also known as free spins, to hit hammers and shields, both attacking and protecting your home. Also if you can spin the "pig face", you can steal your friends' money without anything stopping you.

Since Coin Master's login account is a Facebook account, you will receive notification that your friends have joined in Coin Master when they have logged into their Facebook account into the game. To find friends on Coin Master, follow the instructions below.

## Guide to find friends in Coin Master

**Step 1:** To find his friend in Coin Master, he must first use his Facebook account to login to Coin Master. In the main interface, click the 3 bar icon in the upper right corner as shown in the image and select Leaderboard.
