

# How to find lyrics of songs currently playing on iPhone

To quickly find the lyrics you are listening on the iPhone, users can immediately use Siri Shortcuts application.

When downloading audio files on iPhone, some lyrics will be available for you to sing along. In case the song you are listening to does not include words, you can use the Siri Shortcuts application to create shortcuts to quickly find lyrics with Google.

Search Song Lyrics will help us find the lyrics and display right on the screen interface. With popular songs, the lyrics will appear right in the interface. Or we will be provided with various sources of lyrics. The following article will show you how to create shortcuts for taking lyrics on iPhone.

1. 4 websites looking for song titles through extreme melodies or do you know?
2. How to find song titles on a YouTube video
3. How to turn on lyrics on Spotify

## How to view the lyrics that are playing on iOS 12

### Step 1:

Download Siri Shortcuts application according to the link below and proceed to install.

1. Download Siri Shortcuts application

### Step 2:

Then go to the link below to get the shortcut for Search Song Lyrics. Click **Get shortcut** in this interface. The tool will work on Music and Safari apps on iPhone.

<https://www.icloud.com/shortcuts/1bd231546de94f2185f4ebdad5c76666>

In the Siri Shortcuts Library interface, the new Search Song Lyrics shortcut will be added. Click **the 3 dots icon** to open the custom section for the shortcut.
